MONTREAL

MONTREAL (CP)—The Montreal and Canadian stock exchanges recovered from a dull and shaky morning to close mixed with a firm undertone Friday. Trading, especially in mines and oils, was active in the afternoon.

Losses about equalled gains, but most issues closed at their highs for the day. Price changes were fractional.

The papers, base metals and constructions were irregularly lower and active. The utilities were mixed.

The steels were strong, with Stelco up 1 at 75 and Standard Structural up ½ at 11½.

Textiles were firm, with Canada Cottons up ½ at 10½. Dominion Textile was unchanged and active at 11⅜.

Massey showed strength in late trading and closed up ⅛ at 12¾ after falling to 12⅜.

Active issues included Nickel, up 1⅛ at 90¾, Aluminium, unchanged at 28½ after touching a new low of 28, Bell, off ¼ at 42½, and Dominion Tar, unchanged at 15¼.

The mines and oils were irregularly higher.

The closing averages show banks up .01 at 61.11, a new high, utilities unchanged at 153.1, industrials up .9 at 312.5, combined up .5 at 259.3, a new high, papers off .9 at 477.7 and golds up .03 at 87.52.

NEW YORK

NEW YORK (CP) — The stock market rallied Friday. The gain of $1.60 in the Associated Press 60-stock index was enough to wipe out earlier losses and give prices a net gain for the week. The average closed at $215.80.

A rise of 8¼ points by Du Pont, most of it in the last hour, was the big sensation. There were rumors that the company will declare a large stock dividend Monday. Du Pont's rise to 215½ accounted for nearly a third of the advance in the AP average.

Aluminium Ltd., the most active stock in the Canadian list, closed unchanged. International Nickel added ⅝ and Dome Mines ¼. Distillers - Seagrams lost ¾, Walker-Gooderham ½ and Canadian Pacific ¼.

Among Canadians on the American Stock Exchange Preston East Dome and Brazilian Traction recorded gains of ⅛. Shawinigan dropped ¼ and Molybdenite a smaller fraction.

TORONTO

TORONTO (CP)—Western oils were big losers as the stock market slipped back in moderate trading Friday.

Western oils dropped almost one point on index while base metals were shy a few decimal points and golds climbed three-quarters.

Final volume was 3,568,000 shares, down from Thursday's 3,860,000. Of the five most active mines all gained, but wins were less than five cents.

Senior base metal mines were mixed. International Nickel had the best gain, up ⅞ at 90⅜ and Geco was ahead ¾ at 21. Geco has been a strong issue all week as the company announced a substantial profit for its first full year of operation.

In golds Hollinger was up ¼ at 31¾ and Preston East Dome moved ahead 25 cents at $6.40. Canadian gold kilo bars were quoted at $34.35 to $34.47 an ounce.

Profit - taking drove western oils back with most senior issues the victims. Off ½ were Calgary and Edmonton and Home Oil B.

Index changes: Golds up .73 to 91.35; base metals off .15 to 184.80; western oils off .97 to 141.72.

THE WEEK AT SDU

National N.F.C.U.S. President Visits S.D.U.

The president of the National Federation of Canadian University Students, Mortimer Bistrisky, visited St. Dunstan's on Thursday last and, accompanied by Alfred Morrison, President of the Students Union, Louis Doucette, N.F.C.U.S. chairman on the campus, and Brendon McGinn, Secretary of the Union, he spoke to a gathering of student executive leaders on the campus.

Mr. Bistrisky is a graduate of Sir George Williams College and he has dropped his law studies for a year so as to accept the position as president of the Federation, a full time job which requires all his attention and concentration. He expects to resume his law studies next year at the University of Montreal.

STUDENTS' DAY

Speaking to the executive group at St. Dunstan's, Mr. Bistrisky stated that he had visited every university in Canada in order to promote the work of the Federation. After discussing the organization, he stated, that, in an effort to make the public more aware of the problems facing the student today, the Federation is sponsoring on March 5 (during Education Week) a national Students' Day. On this occasion, via T. V., radio, and press the public's attention will be called to the student's role and life.

During the question session which followed his short talk, Mr. Bistrisky attempted to set at rest some misgivings which are now prevelant and to offer some advice, based upon similar problems witnessed elsewhere on his tour, as to how certain difficulties might be solved.

TO ACADIA

Mr. Bistrisky left for Acadia University Friday morning to attend the regional conference being held there from February 6-8. He was accompanied by the two St. Dunstan's representatives to the seminar, Louis Doucette, local N. F. C. U. S. chairman, and Patricia Poirier.

VARSITY BASKETBALL

Saints Senior basketball squad travelled to the mainland to the New Brunswick capital last Friday to do battle with the University of New Brunswick Red Raiders in their second intercollegiate contest of the year.

Injuries and sickness weakened the team on this occassion but, despite this fact, the Red and White lads managed to hold the Red Raiders to a 15 point margin. The final score was 60-45 and the Saints were on the short end.

This is the second loss for the Saints in intercollegiate play this year but, if they manage to win the remaining two games by convincing margins, and, U.N.B. loses to Mount Allison in Sackville, the locals have a very good chance of winning the title. As you can see, there are several strings attached to the solution which we desire, but, all are in the realm of possibility, although at a fair distance. By the time you read this account of the Week, we will know whether or not the Saints still have a chance in the league this year.

While on the intercollegiate trip to Fredericton, the Saints played two more contests, as is usually the case, one in Saint John and the other in Moncton. Both these encounters turned out to be replicas of the first in that the Saints lost both games.

According to all reports, however, the Saints overcame large margins in each contest and, then, their strength and stamina gone, were compelled to sit and watch themselves lose the games by only a few points. Once again, we are able to witness the characteristic of St. Dunstan's enteries in the world of sports, the ability to fight back hard when the underdogs.

Friday, that's yesterday, the Saints were hosts to the visiting U.N.B. team and you will find an account of that game on the sports page of this paper.

SECOND TEAM

Over the weekend, the Second Saints travelled to the Air Force base at Summerside to play the boys in blue in a regular city League contest. The first trip to the base resulted in a loss for the Red and White lads and this was a repeat performance.

Without the aid of their regular coach, Bob Linegar was away with the Varsity squad to Fredericton, the boys were unable to quite match the Air Force. Trailing by nearly ten points at the half, the Saints fought back hard in the second half but were unable to overcome the lead which was established, and lost the contest by only three points.

We are quite sure that, if the boys had had their coach along, the outcome would have been different. However, the league is far from over, and the Saints have as good a chance as anyone of entering the playoffs and capturing the title.

VARSITY HOCKEY

Ever since the Saints' surprise win over the Summerside Aces, things have been popping in the realm of skates, sticks, and ice. In keeping with the league schedule, A. J. MacAdam took his charges to the Charlottetown Arena to meet the Navy Tars on Tuesday evening. During the contest, marked by poor officiating (so we are told), several incidents occurred which were not conducive to the mental well being of the University boys and their coach.

With the score reading 9-3 in the third period, a small disturbance took place on the ice, and one or more of the Navy men left the players' bench to join the fun. When this was protested by Coach MacAdam, and when the officials refused to penalize the offending players, A. J. calmly ordered his boys to leave the ice. That was that.

As far as we know, the game has been awarded to the Navy and the Saints still rest secure in the knowledge that they are capable of defeating the best, as was proven last Friday.

CITY LEAGUE

The surprise move by MacAdam seemed to pull the props from under the league, which has been rather shaky over the past several weeks, and a special meeting of the executive was called for Wednesday evening to decide the fate of the hockey picture in and around Charlottetown.

It seems a shame that the League is in danger of folding—this seems to happen at least once every year, as a matter of principle more or less, — and all the fine up and coming players will find themselves without any organized hockey. We hope the executive finds a way of solving the problem with which it is confronted, a perennial one.

ON MAINLAND

From the City League to the intercollegiate level, we find the Saints on the road this weekend. They left Friday morning for St. Thomas where they will meet the Tommies in the last contest between these two clubs this season. The first encounter was won by the mainland team by a convincing score, 6-0. However, anything can happen in the world or sports and we could very well welcome a winning team home..

Following the game at St. Thomas, the Saints keep to the road and travel to Fredericton to meet the U.N.B. squad in another intercollegiate contest—the first between these two teams this year—and the return game will be here in the very near future. St Thomas and U.N.B. battled to a 2-2 tie when they met and, comparing the existing statistics, the Saints are definitely the underdogs. It looks as if they will travel short handed. John Whalen is definitely out with a shoulder injury and one or two more of the squad may very well not go.

JUVENILES

Fr. Ledwell's Juveniles took a rather huge step out of their league over the weekend as they tackled the Garrison Juniors. The boys showed plenty of drive and stamina as they kept pace, and, in some cases, set the pace in the fast moving contest. The final score was 3-2 in favor of the City squad, who, by the time the game was finished, knew that they had been in a real battle.

Back on their own level, we find that the Juveniles won their first contest in the league playoffs as they downed the P.W.C. team 6-0. The boys have had to work hard under the sharp eye of Fr. Ledwel and they are favorites, around the University at least, to capture the Island title this year. We sincerely hope the boys do just that as they deserve a crack at the best the Maritimes have to offer.

INTRAMURAL SPORTS

Sports on this level have been limited to hockey and, despite this fact, everyone seems to be getting enough exercise. Competition is keen and several players of superior ability, just a notch below varsity level, only add to the fun and excitement of the sport. Here is an invitation to the members of the various classes to get out and support your class teams and see some good hockey. And, a good laugh now and then doesn't hurt either.

DEBATING

Thursday evening saw the first debate of the year in the Men's Division of the Intercollegiate Debating League, a league in which St. Dunstan's has established a permanent position. Robert Fearon and Richard Fleming upheld the affirmative of the resolution, "Resolve that trial by jury is outmoded." The visiting team was from Acadia University of Wolfville, N.S.

Sunday evening will see Bob Doyle and Charlie Daly uphold the negative of the resolution, "Resolve that Communist Activity should be made a criminal offense in Canada.," in Halifax against a team from St. Mary's University.

Bill Kelly and Daniel O'Hanley will visit Mount Allison to uphold the affirmative of the resolution which will be debated at St. Mary's. This will terminate the debating schedule for the year and, unless the Saints earn the right to enter the finals, something which they might very well do as has been shown over the past years, the society will close the books on another year in this field. Who knows, this may be the year for another National Championship.

BOWLING LEAGUE

The executive of the St. Dunstan's Bowling League met over the past week and it was decided, in view of the various activities which are at present occupying the spare time of the students, that the league suspend play until March 7. The playoffs are to start then regardless of what may happen, and the standings which are now established will decide the positions for the playoffs.

All final games will be on the basis of total pinfall, not the point system which was employed during the regular schedule. At the end of league play, the high single and high average are held by John Whalen and the high three is held by Gerry Tingley, trailing Whalen by only one point for the high average. All in all, the league was a success, as far as it went, and we are looking forward to seeing some very good bowling in the finals.

LENT BEGINS

Wednesday morning saw the ushering in of another Lenten season, a time of retribution for sins through the media of penance. High Mass was celebrated in the University chapel by Fr. L. Landrigan and the blessed Ashes were distributed to all present. Fr. Arsenault's choir rendered several beautiful hymns and sang the responses for the High Mass.

The usual resolutions in regard to personal penance and sacrifice have been adopted by the students, and time will tell whether or not they are kept and the only one who knows their merit is Our Lord. He is the official judge and He is the One to whom we are responsible for all earthly actions.

W. U. S. C. REGIONAL

The sixth regional conference of W.U.S.C. was held at St. Dunstan's on February 6-7-8, under the joint sponsorship of St. Dunstan's and Prince of Wales.

Registration took place at 2 o'clock, and the business and financial problems were discussed on Friday afternoon and evening, leaving Saturday and Sunday free for a seminar on the West - Indies. Several speakers were heard as follows:

Mr. Fayne Butler, history student at Mount Allison and a native of the West-Indies, lectured Saturday morning on the historical background and movement toward federation in the West-Indies.

Dr. Woodfine, professor of economics at St. F. X., also lectured on Saturday, and his topic was the economic developments and problems which are facing the West-Indies today.

Rev. Fr. George Topshee, head of the extension department at St. F. X., gave a lecture on the educational and cultural developments in the West-Indies.

The lectures were followed by discussion of problems of the people of this country. The main purpose of the lectures and the conference in general was to acquaint the Summer Seminar participants to the West-Indies, with the problems with which they will be confronted next summer. St. Dunstan's will send a representative to the Summer Seminar in the person of Miss Olga Dowling, who was selected by the committee in charge.

The local W. U. S. C. committee at St. Dunstan's, under the leadership of chairman, Ed Le Clair, wish to extend their deepest thanks to the P.E.I. government for allowing the conference the use of the Confederation Chamber on Saturday, to the National Film Board for the films which were shown in connection with the subject of the seminar, and to the City of Charlottetown for sponsoring the banquet held at the Charlottetown Hotel Saturday evening. These all were conducive to the success of the seminar and appreciation is expressed for these and all other services which were rendered.

YOU CAN OWN
The Finest
ONE MAN BUSINESS IN YOUR TOWN
NO SELLING OR SOLICITING

You can make $75 or $100 per week in your spare time. More if devoting full time. A leading Canadian company distributing coast to coast name brand products will appoint sincere reliable persons to service accounts in this area. Qualifications required are good references, a minimum of spare time available and a cash investment of $980 to cover the inventory at wholesale price.

More Money for You!

That's what your Investors Man offers you in these 5 financial services

1 **Do you want an extra $10,000?** Then just put aside $10 a week in an Investors Syndicate Plan. In 15 years' time—through the powers of wise investment and compound interest—you will receive $10,000 guaranteed! The man from Investors has a plan to suit your exact need.

2 **More Money from your Investments:** Through a single investment in Investors Mutual you become part-owner of more than 100 "blue-chip" securities, and share in the growth and prosperity of Canada.

3 **Long-Term Capital Gains:** Get information on the new Investors Growth Fund. Its assets are invested in a wide range of Canadian stocks selected for long-term growth potential.

4 **Save Tax Dollars on your Retirement:** You may now obtain a Registered Retirement Savings Plan on a tax deductible basis. Investors Syndicate offers you the choice of three plans: (1) fixed-interest Certificates — (2) Investors Mutual or Investors Growth equities — (3) a combination of these.

5 **Low-cost Group Pension Plan:** Investors Syndicate and Investors Trust Company have complete facilities for installing and managing Trusteed Group Pension Plans—tailored to the exact investment needs of any company.

See the man from Investors today. He will tell you how there's More Money For You through Investors financial services.
