### NOTES AND COMMENTS.

—The General Assembly, by an unanimous vote, passed Principal Caven's resolution calling for the Bible in the public schools.

—Principal Grant says that if more money is not supplied there will have to be a reduction of the staff of foreign missionaries under the Presbyterian Church of Canada.

—The Montreal Gazette calls for a return showing the names of the Drummond Country railway shareholders. It intimates that it would make interesting reading just about this time.

—Steps are to be taken by the Presbyterian churches of Canada towards a celebration of the two hundred and fiftieth anniversary of the completion of the confession of Faith and Catechism by the Westminster Assembly.

—Hon. Mr. Davies has given notice of the introduction of a bill to further amend the Act respecting Judges of the Provincial Courts. This bill is simply the logical sequence of the vote of last session under which Mr. Prendergast was appointed Judge in Manitoba. It provides for the appointment of three judges in the province instead of two.

—R. G. Leckie, the former manager of the Londonderry iron mines, states that the coal output of Nova Scotia is, so far this season, in excess of that of previous years. The gold mines of the province are also in a prosperous condition, and are generally profitable. The iron industry, however, stands to lose quite heavily by the recent change in the tariff, which will hit owners and products very hard, and may result in the closing up of many furnaces.

—A return was recently laid on the table of the House of Commons by Sir Henri Joly, showing the dismissals in his department since July 1. It shows:—

—George W. Smalley will contribute an article on "The personal side of the Prince of Wales" to the July Ladies Home Journal. It is said that Mr. Smalley gives an unquely interesting, close view of the Prince, touching in detail upon his great personal popularity in England, and the reasons therefor, his love of sports, his pastimes, his social duties and diversions and showing him as an affectionate son; a devoted husband and a loving father and brother.

—The London Times publishes a table, showing that in the ordinary course of nature, the future rulers of Germany, Russia Greece and Roumania, will be the immediate descendants of Queen Victoria. Commenting editorially on this fact, the Times observes: "The British monarchy to-day has more definite recognition among the Courts of Europe than even a century ago, when the King of Great Britain was also the Sovereign of Hanover. Such dynastic considerations are perhaps of less importance now than they were formerly, but they tend to develop friendly intercourse."

—Considerable complaint is being made concerning the tardiness shown in the Charlottetown Post Office in distributing the foreign mail after its arrival at the office. For some time past, it is said, the delays have been annoying and last night the climax appeared to have been reached. The only excuse offered was that there was but one clerk in the office when the mail arrived. This excuse was simply outrageous for there is no reason in the world why a sufficient staff should not be detailed on duty to distribute mail matter promptly. We direct the Postmaster's attention to this grievance and trust that he will see that it is remedied at once.

—An Ottawa despatch to the Montreal Witness states that the dispute over the question as to whether the Columbia and Western Railway, known as the Heinze road, should receive a federal subsidy culminated in a cabinet meeting and the decision not to grant any subsidy to Mr. Heinze and his colleagues. It is understood that there was a divided opinion in the cabinet and it may lead to the abandonment by Mr. Blair of the whole Crow's Nest Pass policy outlined in resolutions now before the House. The Crow's Nest Pass policy outlined in resolutions now before the House. The Heinze road was an extension of the Crow's Nest Pass line and the promoters were said to have sold out to the C. P. R., or to be working with them.

### THE METHODIST CHURCH.

Charlottetown District Synod.

The Charlottetown District of the Methodist Church met in annual session at Clifton, on Wednesday and Thursday of this week.

At two o'clock Wednesday the Rev. G. M. Campbell, Chairman of the District, held the devotional exercises, after which the Rev. W. J. Kirby was elected Secretary, with Revs. J. W. McConnell and Henry Penna his assistants.

The examination of ministerial character occupied the most of the session.

The Rev. D. W. Lodge was recommended to be continued as supernumerary for another year.

Several resolutions touching the greater efficiency of ministerial labors and the general religious work of the district were passed. A touching resolution of sympathy with Rev. Mr. Lodge was unanimously adopted. There were no probationers or candidates and the first session closed at five o'clock.

The District met Thursday morning when the following laymen were also present: Henry Smith, Geo. Rackham, Geo. Ayers, Chas. Bryenton, Boyver, H. H. Acorn, J. W. Jay. The election for secretary was unanimous for secretaries of the preceding day. The general work was considered and shown to be encouraging. There is a total of 1975 members, being an increase of 80 in the year. There were 159 infant baptisms, 11 adults, 37 marriages, 104 burials.

The funds gave for missions \$1582.67; educational, \$374.21; sustentation, \$398.81; W. M. S., 1906.69; Grand total for all purposes, \$17,142.95—an increase of over \$2000 on the year.

The city churches show for the First Church a total of \$5,999.74; and Grace Church \$2,760.37.

The whole work of the district was brought under review and the following changes recommended:

Black River to be placed on the York circuit, Dundas on the Mount Stewart circuit and a young man placed there. Souris is to be a circuit independent of outside appointments and a man sent there to take one appointment only.

The following laymen are elected to attend conference:—  
Charlottetown—L. L. Beer, Henry Smith, W. B. Dawson, George Rackham, Dr. Richard Johnson.

Pownal—Jas. Sentner.  
Trilly—Chas. Bryenton.  
York—Amos West and George Ayers.  
North Wiltshire—John Edwards.  
Montague—D. Ross.  
Souris—H. H. Acorn.

The following resolution of loyalty was moved by Rev. R. Opie, seconded by W. J. Howard and passed unanimously by a standing vote and the singing of the National Anthem:

Whereas, In the good Providence of God, Her Most Gracious Majesty Queen Victoria has completed 60 years of successful reign over the British Empire; and

Whereas, The reign has been characterized by a wonderful expansion of the Empire, also by great peace and prosperity, religiously, morally, and socially; and

Whereas, By the beauty of her life, the wisdom of her counsel and nobility of life, she has secured the most loyal devotion of her subjects; and

Whereas, The members and adherents of the Methodist Church have been ever among her most loyal subjects;—

Therefore Resolved, That we, members of the Charlottetown District of the Methodist Church, now in session assembled, give expression to our gratitude to God, and our appreciation of the numerous excellencies of our noble Queen, and our unqualified loyalty to the Crown of England.

### PERSONAL.

Revs. Dr. James Morrison and Dr. D. Morrison left this morning for Quebec.

The Rev. J. W. Godfrey arrived in St. John, N. B., last Saturday, where he was met by Mr. Justice Hodgson.

Misses Larue and Miller and several other young ladies from the Province of Quebec, who have been attending the Convent de Notre Dame, left for home this morning. A number of their friends met at the railway station to see them off.

Mr. V. D. Ruggles, assistant master at St. Peter's Schools, left for his home in Halifax, by the steamer Halifax, this afternoon. Mr. Ruggles won laurels at the recent examination for matriculation into King's College, Windsor, having passed at the head of fifteen candidates.

Mr. H. Wilson, who has been on the Island for some time getting up advertising albums for our steamboats, left this afternoon for Summerside, having completed his work in a very satisfactory manner. The albums have been splendidly got up and the advertising is well displayed and should bring good returns.

THEATRICAL.—The Josie Mills Company had a very good house last evening when they presented the comedy-drama, "The Black Flag." This play was given in Charlottetown four years ago, and is familiar to our theatre-goers. Last evening Miss Mills and the company supporting her gave a capital rendition. Tonight "East Lynne" will be put upon the boards, Miss Mills appearing in the dual role of Lady Isabel and Madame Vine. East Lynne should draw a full house.

—Montreal Star: When British Statesmen get together, with their minds bent on accomplishing something towards closer British unity, they ought to courageously face the obstacles that are likely to be found in their path, and devise schemes for their removal.

—Halifax Herald: The alleged extension of the I. C. B. to Montreal consists of about four miles of G. T. R. track, 10 miles of forest, 113 miles of the tenth class Drummond county railway, and 33 miles more of G. T. R. track. For which we are to pay \$8,000,000 at least, perhaps \$10,000,000. There are already two railways between Quebec and Montreal, both of which are being operated at a loss. Yet Mr. Blair has the sublime audacity to talk of making money by the operation of his mongrel "extension." It is just as well for Mr. Blair that he has no reputation as a truth teller to lose.
