

Another Slip.

The Patriot has discovered a grievance—manure is being yarded on the St. Peter's Road, causing a "nuisance most offensive to the people living in the vicinity or who have to pass it in going to and from." How keen our contemporary is now in discovering a nuisance. During the Stewart regime, notably in the month of May, 1878,—twenty times as much manure might be seen piled along this same St. Peter's Road, emitting a stench—on account of the season—beyond all comparison more offensive than at present. But the Patriot said "never a word." We are assured on good authority that the Patriot's statement that the "Minister of Public Works, on being expostulated with on the matter, laid the whole blame on the Supervisor—Mr. Holman," is untrue, as A. A. McLean, Esq., is, we learn, the only person who complained to the Department on the subject, and he received no such reply as the Patriot asserts. The Patriot, in dealing with the Public Work's Department, has entirely overstepped the mark. By continually pressing false and petty charges against Mr. Ferguson he has disgusted fair minded people, so that if he were to get hold of a real grievance he would not be believed.

The tea and entertainment in the B. C. Church, last night, was well attended. A large number took tea, and from the appearance of the table, we should say all ought to have been satisfied. Mr. William Knight, the leader of the Choir, has had a good deal of experience in getting up entertainments, and hence we expected an excellent programme, and were not disappointed. Where all did so well, we do not care to particularize.

The brig Parnell, owned by Michael Foley, Esq., Alberton, cleared from Georgetown for Queenstown for orders on the 9th inst., with a cargo consisting of 27,000 bushels of oats and 520 pieces of deal. The Parnell is a new vessel, built and launched by the owner this fall. Her name is quite appropriate for the present voyage.

The inmates of the old Lunatic Asylum were, on Wednesday, removed to their new quarters at Falconwood, without accident.

MR. ALEX. MARTIN, of Belfast has, we understand, been appointed keeper of the New Lunatic Asylum, and Mrs. McDonald, of this city has been appointed matron.

The "Worcester" will sail for Boston direct on Saturday afternoon.

E. G. HUNTER offers a great reduction in prices to close out his entire stock of Marble by the first of May, 1880. Parties requiring until Fall 1880 to make payment will find it to their advantage to leave their orders, and get satisfaction as well as good value for their money. Call and examine designs and prices.

ON SATURDAY information was received in Montreal that negotiations were in progress between an individual and two large firms in New York with the object of having a large quantity of forged Canadian postage stamps printed. A warrant was issued and on Tuesday High Constable entered the study of Edouard Narbonne, Chabolle Square, and the literature was removed and placed in custody. Narbonne was born in the village of St. Remi, of humble but honest parents. While a boy he read many stories about great French nobility and this led to his astonishing his friends by signing his name "DeNarbonne." This step toward aristocracy soon grew tame and he prefixed "Darmaniac" to his name, which soon grew at the other end also by addition of "Lara." His name finally read "Jean Jacques Darmaniac Edouard DeNarbonne Lara." He sought renown in the world of letters by several works under nom de plume of Chas. LePineor. In these, it is hinted, there were evidences of abundant plagiarism. However, in 1876, he was naturalized as a British subject, although born under the name of Count de St. Roy. This climax of absurdity drew upon his head "curses not loud but deep" from a large circle of friends. His ambition finally assumed a different character, and longing to be rich he sent letters to two large firms in New York, enclosing three-cent Canadian postage stamps to be copied, his orders amounting in all to \$100,000 value in stamps. On authorities here learning of the affair they at once communicated with the firms, who acted uprightly by sending back all the Count's letters, with sample stamps. A warrant was accordingly issued and Narbonne was taken into custody.

Diocesan Church Society Meeting.

ABSTRACT OF ANNUAL REPORT.

THE Annual Meeting of the Diocesan Church Society was held at St. Paul's Schoolroom on Wednesday evening. In the absence of the Lieut. Governor, His Honor Judge Hensley presided. After singing and prayer, the Rev. D. Fitzgerald, Secretary of the Society, read the report, of which the following is a brief abstract:—

THE GENERAL REPORT.

The Committee report that the Churches at Georgetown, Mount Stewart, Cherry Valley, and the Barrons, are still without the ministrations of a resident Minister. Georgetown is, however, supplied with the services of a Catechist when it is without the services of an ordained clergyman. The vacancy at New London has been filled by the Rev. T. B. Reagh. The resolution of last year with respect to the payment of Ministers who receive a grant from the society, has been found to work well.

CHARLOTTETOWN—ST. PAUL'S.

Services have been well kept up during the year, and generally well and regularly attended. The Sunday School keeps up its numbers, its interest, and is well supplied with teachers. Supplementary Bazaar yielded \$193—making \$2,160 in hand to build a new church; the "Mite Society's" receipts for the year are \$465.19—swelling the amount obtained by means of it since its formation to \$577.19. During the year there were in connection with the Church 9 marriages, 31 baptisms, 10 burials, and 1,500 pastoral and other visits. Twenty-seven were confirmed by the Bishop; and twenty-eight communicants were added to the list during the past year. Bible Classes for men and women have been resumed.

CHARLOTTETOWN—ST. PETER'S.

The Church was consecrated on St. Peter's day. Both the interior and the exterior of the Church have been much improved. Services have been continued as usual. The Bishop, on the day previous to the consecration administered confirmation to 16 candidates—10 males and 6 females. The Sunday School has more than held its own. His Lordship the Bishop was present at the public closing of St. Peter's School, at the end of the year, and distributed the prizes to the successful pupils of both the boys school and the junior department. Rev. Mr. Hodgson acknowledges the assistance rendered by Mr. Bambrick, as curate, since his ordination in September last. The receipts for the year were:—Collections, \$1,512.05; legacies, \$2,324.88; donations to finish Church, \$789.96; sewing society, \$381.67; Sunday School, \$38.06; total, \$5,046.56.

MILTON AND RUSTICO.

The Archdeacon reports [that during his absence the church services were satisfactorily performed by Rev. T. B. Reagh; and since his return the services have been regularly performed. A service has, by request, been extended to Milton River Station. The Bishop's visit is to be remembered. His Lordship confirmed in the parish 20 females and 8 males. Receipts: A handsome communion service from Miss Holroyd; a chancel stove, from Mrs. Disney; a tower and bell from the parishioners, valued at \$359.66; offertories and collection, \$325.56; S. P. G. missions, \$33.41; D. C. S. subscriptions, \$72.85.—Total, \$791.48.

ST. ELEANOR'S AND SUMMERSIDE.

Rev. Mr. Richey reports that his work has progressed without interruption. Thirty-nine persons were confirmed by the Bishop, of whom thirty-three have become communicants.

ALBERTON.

Rev. Mr. Dyer's parish was visited early in the year by small pox, and Alberton and its suburbs were under quarantine. Afterwards measles became very prevalent, together with scarlet fever, diphtheria, and whooping cough. But he should have come through the battlefield without being wounded at all, where it not that one day, while out visiting, his horse ran away, and he was thrown out of the wagon and badly hurt. Falling on the rail of the bridge, he thinks, saved his life. Till this accident, he had been able to fill all his appointments; and he is happy to report that at Alberton, Cape Kildre, Montrose, Casumpec Village, and Lot 6, the services have been well attended, and, apparently, appreciated. Celebrations, 17; marriages, 3; baptisms, 26; burials, 11; pastoral visits, 414.

CRAPAUD AND SPRINGFIELD.

Rev. Mr. JOHNSTON reports that Church work here "pursues the even tenor of its way." The number of Bible classes have increased and the Sunday Schools continue to give satisfaction. Seventeen persons were confirmed—and more were ready to ratify their baptismal vows but stormy weather prevented. Burials, 9; marriages, 1; baptisms, 6. Receipts: For S. P. G. mission, \$21.66; D. C. S. subscriptions in 1878, \$58.60; in 1879, \$52.50; tea meetings at Crapaud, about \$450; Algoma missions, \$7.46; Sunday Schools, \$3.53; subscriptions, \$215.50.—Total, \$809.25.

GEORGETOWN.

Rev. Dr. Wright reports that he had charge of Trinity Church in June, July, August and September. During his stay eighteen persons were prepared for Confirmation, and Confirmed. One of these was seventy-five years of age, another was blind. James Easton, Esq. (Catechist), reports that in the absence of a Clergyman, Sunday services were regularly kept up morning and afternoon, with a very fair attendance. Special services were also held on Holydays and in Lent. The visits of Rev. Messrs. Richey and Hodgson, at Christmas and Easter are acknowledged. Sunday School is taught every Sunday, and is well attended. The Church has been repaired at a cost of \$194. The receipts amount to \$324.50.

NEW LONDON.

Rev. T. B. Reagh reports: Regular services have been held in New London and Iristown during the last four months—morning and evening service in each church alternately. Week-day services have also been held in each church. There has been a large attendance on all occasions. Nineteen persons were confirmed by the Bishop. The parsonage has been repaired and the graveyards have received attention. Total collections during four months, \$169.81; services and sermons, 66; baptisms, 17; burials, 4; celebrations, 5.

The following Resolution was moved by Charles Palmer, Esq., and seconded by Rev. T. Johnston:—

Resolved, That the Report now read be adopted, and the thanks of the meeting be given to the Collectors for their efforts in maintaining the funds of the Society."

Rev. Geo. W. Hodgson moved, seconded by Rev. A. Osborne:—

Resolved, That this meeting desires to acknowledge with gratitude to Almighty God, the blessings which He has vouchsafed to this Province during the past year; and to express its thankfulness to those Home Societies who have for so many years materially assisted our Church.

Rev. T. S. Richey moved, seconded by the Archdeacon:—That this meeting sympathizes with the missionary operations of our Church, and is glad to hear of its success, and of its continued desire to extend its operations throughout the world.

Rev. T. B. Reagh moved, seconded by Rev. D. Fitzgerald:—

That the officers of the Society and members of the Executive Committee be the same as last year; that the name of William Pidgeon be added to the list; and that of Mr. Thos. Adam Millman be substituted for Thos. Millman; that Mr. Morson be appointed treasurer in place of Rev. Geo. W. Hodgson, resigned; and that Mr. F. T. Newbery and H. J. Cundall, be auditors for the ensuing year.

TEMPERANCE MEETINGS.—The fourth of the series was held last evening. The speakers were Messrs. J. B. Cooper, J. P. Taunton, L. Youmans, of Ontario, and O. H. Swift. The singing throughout was good. Several more persons signed the pledge. The fifth meeting will be held in the Division Room this evening. Rev. G. W. Hodgson will be the first speaker.

QUICK WORK.—Another instance of the great facilities for loading grain at this port is that of the "John F. Robertson," which cleared on Wednesday, with a cargo of 35,104 bushels of oats, and 355 pieces of deal, with which she was loaded in four days.

Astonishing Success.

It is the duty of every person who has used Boschee's German Syrup to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor dying consumptive, at least to try one bottle, as 40,000 dozen bottles were sold last year, and no one case where it failed was reported. Such a medicine as the German Syrup cannot be too widely known. Ask your Druggist about it. Sample Bottles to try sold at 10 cents. Regular size 75 cents. For sale by all Druggists.

DIED.

On the 10th inst., after a lingering illness, which she bore with Christian resignation, Elizabeth, wife of George Lewis, aged 72. Funeral from her late residence on Saturday next at 1 o'clock. Friends are desired to attend (wagons).
