

Better Direction Signs Save Beebees and Kings

SOURIS — The minister of highways will be contacted by a representative of the Souris Branch of the P.E.I. Fish and Game Association in regard to what was called, "poor markings of fishing spots".

The minister came to light at the meeting of the branch held in the United Church Hall. It was noted that in the past the different fishing spots have been poorly marked. Joseph Hennessey was appointed to see the proper authorities with regard to signs for the coming season.

Chaired by the president, John Dixon, the meeting reviewed projects contemplated during the year, which included the erecting of a bridge across the Weisman at the head of North Lake and the cutting of a path along the stream between North Lake and the Bait Dam. There was similar work done at the head of Big Pond.

Roy White was made a director

in place of Joseph Hennessey, who was elected as vice-president. Committees named included: membership, R. O. White, chairman; angling, Roy White, chairman; angling, Roy White, chairman; angling, Roy White, chairman; angling, Roy White, chairman.

It was decided that prizes will be given at the start of the troutling season for the pan of three or more trout, and the largest single trout. The time limit will be from opening day of the season to the end of the same week. The contest is open to members of the branch who have their membership dues paid before April 15. Judging will take place at Roy White's store.

The possibility of having a display booth, sponsored by the branch, in connection with Thursday's regatta, July 4 was left over until the next meeting on April 26.
