

**Underwear Is Rated High With Menfolk**

Men like gifts of "lingerie" too—undies, socks, pajamas and robes!

The big news in socks this year are solid color styles trimmed with the ever-popular argyle design in a clock-position.

Pajamas tend toward the lounging styles. Many have their own

robes. Patterns and colors range from very bold to ultra-conservative.

Robes are returning to the luxurious models of yesteryear—with those that are not truly luxury fabrics taking on the same appearance.
