

JUNIORS MUST HAVE A CHEMISE

The newest heavenly body to orbit around the fashion world is the chemise—sensationally curved to a junior's figure in Anne Adams' Printed Pattern 4779. Slim and streamlined from shoulder to hem, it skips the waist and narrows the hips to suggest rather than define the figure beneath.

Interpreted here in windowpane checks with a lingerie frill at the scooped neckline, the chemise is the smartest of summer fashions, and simple enough for beginners to sew. The subtle shaping and fit of the silhouette is assured by the use of the Magic-Tab Talon

dress—placket zipper in the new longer 14-inch length. This is so easy to apply with the "no-pin, no-baste" method featured in the package.

Among the other spring and summer fabrics appropriate for this easy-sew Printed Pattern are pique, a s u a l cotton knit, fluid silk shantung, textured linen, or crisp cotton.

Printed Pattern 4779 is available in Junior Miss Sizes 9, 11, 13, 15, 17. Size 13 dress takes 2½ yards 35-inch fabric; vestee takes 2 yards.

Potatoes Are Smart And Delicious On The Menu

By IDA BAILEY ALLEN

"Potatoes are sometimes omitted from dinner menus, Madame," observed the Chef. "Many of the ladies we have met on our personal appearance tours seem to think they are not smart enough to serve."

"I don't agree, Chef," I replied. "Potatoes merely need dressing up."

"Whipped potato, for instance, can be shaped with an ice cream scoop and dusted with parsley or roasted chopped nuts. Small flaky boiled potatoes might be rolled in butter, minced parsley or dill. Individual golden-topped potato putt or souffles, creamed potatoes with cheese sizzling in ramekins—any of these can look smart with that simple elegance that results from careful preparation."

Tomorrow's Dinner: Grapefruit halves, beef - vegetable patties, whipped potatoes, hot cabbage slaw, broiled bananas, lemon sauce, coffee, tea or milk.

All measurements are level; recipes proportioned to serve 4 to 6.

Beef-Vegetable Patties: To 1½ lbs. chuck steak ground twice, add ¼ c. fine dry bread crumbs, 1 beaten egg, 1½ tsp. salt, ¼ tsp. pepper, 1-3 tsp. marjoram, 1½ tsp. chopped parsley, 1½ c. minced green pepper, 1½ c. minced onion and ¾ c. fine-chopped fresh tomatoes. Blend until smooth.

Shape into patties. Sauté 8-10 min. on both sides in meat fat or shortening for medium well done.

Serve on warm hamburger bun with a garnish of raw onion rings, marinated in French dressing. Or arrange on an oiled plank or heat proof platter and neatly border with whipped mashed potatoes, pastry-tubed or spooned over. Dot each patty with butter.

If desired, brown the potato under the broiler.

Beef - Fresh Vegetable Cocktail Balls: Shape the mixture into 1-in. balls. Brown all over in butter. Serve on pics as an hors d'oeuvre. Makes approximately 30 balls.

Hot Cabbage Slaw: To 4 c. chopped cabbage, add 2 c. boiling water and ½ tsp. salt. Boil rapidly 5 min. Drain.

Stir in ¾ c. bottled salad dress-

ing or cooked egg salad dressing. Stir-heat until almost boiling. Dust plentifully with minced fresh parsley. Serve steaming.

Grandma's Cooked Egg Salad Dressing: In a double boiler top, melt 2½ tsp. butter or margarine. Stir in ½ tsp. dry mustard, ½ tsp. salt, ¾ tsp. sugar and ½ tsp. cornstarch.

Beat and stir in 1 egg mixed with ¾ c. light cream or commercial sour cream. Cook - stir over boiling water until beginning to thicken.

Gradually stir in 1 tbsp. cider vinegar and 1 tbsp. cold water. Cook-stir until creamy.

Use hot for a hot salad or cold for any vegetable or fish salad. Trick of the Chef: Add 1 tsp. celery seed and 2 drops liquid onion when mixing hot cabbage slaw.

MODERN

Amid all the new shapes there are plenty of good, smart classics, such as this coat. It is neat number for general spring wear but boasts some chic new accents. The fabric is gray yarn-dyed worsted and there is a detachable white linen collar. The slit pockets are both horizontal and vertical, punctuated with white pearl buttons.
