

KINGS MILL, Montague, will close all day Thursday, July 1.

CHICKEN SALAD supper at D. MacKenzie Hall, Montague, Wednesday, June 30.

ANNOUNCEMENT - We regret that owing to our recent loss by fire, we were unable to fill orders for cedar shingles. We are now pleased to announce that we have a complete line of cedar shingles in stock, and are able to serve our customers' needs as we have done in the past. Poole and Thompson, Ltd., Montague.

Georgetown and Vicinity

Mr. and Mrs. Jack Turner Sr. and Jackie Turner Jr., of Charlottetown, were recent visitors to Georgetown.

Mr. Wilfred McQuillan was recently appointed town policeman for the town of Georgetown, in the position which he held for a time some years ago.

M. Louis Fitzpatrick of Woodville Mills, was a business visitor to Georgetown on Wednesday 23.

Mr. John Hemphill and his son Mr. Kenneth Hemphill of St. Peter's both of whom resided at one time in Georgetown, were recent visitors here.

Friends of Mr. Joseph Clary are sorry to hear that illness has necessitated his entering the Charlottetown Hospital for treatment. All hope for a speedy improvement in his condition.

The pupils of Georgetown High School, taught by Miss Keenan, Mrs. Jenkins, Miss Soloman and Mrs. MacConnell, enjoyed a picnic at Parkers Point on June 23.

Miss Maria Easton returned recently to Georgetown from a visit to North Wilshire, where she was the guest of her nephews, Mr. Walter Clark and Mr. William Clark.

Friends of Mr. Lorin Moir were interested in learning that Lorin after having completed a successful year teaching high school Art and Drama at Brooks, Alberta, is now attending summer school at the University of Alberta, in Edmonton, where he is taking a course on Shakespeare. During the school term at Brooks, Lorin directed the play that won the Alberta High School championship for the year.

Mrs. David Scannell and four children of Boston, Mass., accompanied by Mrs. Scannell's sister, Miss Jean Fitzsimmons, motored to Georgetown arriving on June 27. They will spend two weeks at the Scannell summer home on Water St.

Mr. and Mrs. Charles Currie and family of Charlottetown, were recent week-end guests of Mrs. Currie's parents, Mr. and Mrs. John C. Goteil.

Rev. Nathan Mair recently graduated from Union Theological Seminary, New York, with the degree of Master of Sacred Theology. He has been called to the dual charge of Scotch Ridge and Oak Hill, Charlotte County, N.B., and is spending some time in Georgetown as the guest of his grandmother, Mrs. Mary Vorston, before taking over duties in his new charge.

Mr. Lemuel MacCormack, crew member of the C.G.S. Sorel, was a week-end visitor to his home in Georgetown.

L.A.O. James Walker of the Royal Canadian Air Force, stationed at Chatham, N.B., was the week-end guest of his parents, Mr. and Mrs. Walter Walker.

Mr. Daniel MacCormack was a visitor to Charlottetown on June 26.

Mr. William Rafuse and his daughter Ernette, who has been the guest of Mr. Rafuse's mother, Mrs. Minnie Rafuse, left on June 28, by car for their home in Everett, Mass.

Miss Beatrice Mair, student nurse at the Prince Edward Island Hospital was a recent visitor to her home in Georgetown. AC

COASTAL WATCHERS - The United States Coast Guard was founded in 1790 by Alexander Hamilton, first secretary of the treasury.

ICE CREAM and dance at Alliston school, Friday, July 2.

Sudden Death of Cardigan Man

The death occurred suddenly at his home in Cardigan on Monday of Mr. George Edward Wilson, in his 73rd year. The deceased was born at St. Georges Road, the son of the late Mr. and Mrs. Allan Wilson. Besides his sorrowing widow, he leaves to mourn his passing four daughters, Catherine, Mrs. John Dan Campbell, St. Peter's Road; Selma, Mrs. John MacIntyre, St. Georges Road; Hilda, Mrs. Emmet Rice, Toronto; and Mary in the U.S.A.

The funeral will be held from All Saints Church, Cardigan, at 9 a.m. Tuesday morning. Interment will be in the church cemetery.

Union And U. S. Steel Sign Contract

PITTSBURGH, (AP)—The United Steelworkers (CIO) and the United States Steel Corp. signed a 1954 contract Tuesday calling for a five-cent hourly pay hike plus improvements, insurance and pensions. The union estimated the total package at 12 cents an hour—five cents for wages, two cents for insurance and five cents for pensions.

The corporation declined to set a dollar-and-cents figure on the agreement, and pointed out the pension costs will vary at different plants depending on the type of pension now in effect.

The increase will undoubtedly result in an increase in the price of basic steel, but the corporation said it would have nothing to say about a price increase at this time.

However, Iron Age, the authoritative weekly in the steel trade, said the wage hike will result in a price increase of \$3 to \$4 a ton.

Heads of several other big basic steel producing firms are expected to sign similar pacts immediately after U. S. Steel.

Sea Fury Sqdn. Leads Naval Group In Safe Flying

OTTAWA (CP)—A squadron of East Coast Sea Fury fighters led nine air squadrons in safe flying last year.

The navy announced Tuesday that the RCN Sea Flying Trophy will be presented July 2 to VF-811 Squadron now stationed at HMCS Shearwater, near Dartmouth, N.S., and normally aboard the aircraft carrier Magnificent.

The trophy is awarded annually to the naval aviation squadron leading in air safety. It was held last year by VF-800 Squadron, made up of Avenger anti-submarine aircraft on the East Coast.

The navy said the Sea Fury squadron maintained a high standard of operational readiness throughout the year and exceeded last year's operational flying time. However, other details of the squadron's operations, including accident rate, are regarded as classified information.

The navy said the squadron had a high serviceability rate which resulted from good maintenance standards and high morale of personnel.

During the year the squadron took part in the Coronation naval review at Spithead, Exercise Mariner, a North Atlantic Treaty Operation, and a later exercise at Londonderry, Northern Ireland. In addition the squadron received a month of armament training at the Canadian joint training centre at Rivers, Man.

The trophy, donated by the officers of the navy's supply branch, will be presented to the unit by Commodore R. A. Wright, supply officer-in-chief, at the July 2 ceremonies at the Shearwater station.

Closing Exercises For Montague School Elementary Grades Yesterday

School closing exercises for the elementary grades of Montague School were held yesterday morning in Yeo's Theatre. Mr. S. S. Haslam, Q.C., chairman of the trustee board, presided. The guest speaker was Hon. Keir Clark, Minister of Education, who congratulated the young students on their success which they had attained during the year. He also congratulated the teachers on the excellent work, and assured them of every co-operation from his department. The program opened with a chorus of songs by grades one and two, after which these grades were presented with their prizes. The program continued with an exercise by grade three; presentation of grade four prizes; exercises by grade four; presentation of grade four prizes; chorus by grades five and six; and the presentation of prizes to these grades. Mr. John Hughes, principal, reviewed the activities of the year, and expressed his appreciation to the teachers, trustee board, and parents for their co-operation. The program concluded with The Queen.

Semi-Annual Meeting Of King's Federation Of Agriculture At Morell

The King's County Federation of Agriculture went on record as expressing its appreciation for the assistance obtained for the potato industry during the past year from the efforts of the Potato Marketing Board and the Federation of Agriculture in a unanimous resolution passed at the semi-annual meeting held at Morell last night. The largely attended meeting was presided over by the president, Mr. Ephraim Malone who welcomed the members to the meeting. In his report Mr. Malone expressed the hope that the farmers would support to the fullest extent the Federation of Agriculture since its progress depended entirely upon their interest. He noted that signs indicated that competition for markets was becoming keener, and it was therefore necessary to pay strict attention to economic production in all fields, and to develop the most efficient system of marketing possible. Through the federation, he was assured, this could be accomplished provided that it has the active and full support of every farmer.

The minutes of the last annual meeting were read by the secretary, Mr. J. B. McIsaac, and were approved as read.

On the resolutions committee were appointed Louis McGuire, Frank Connolly, and William McCullough.

Mr. E. R. Hurst, Science Service, Dominion Department of Agriculture, Charlottetown, presented an interesting and instructive address on the services supplied by the science laboratory. He stated that continued research was being carried on in the fields of plant disease and insect study, and their relation to farm products. He traced the history of the establishing of the science service, and showed conclusively how it was assisting the agricultural industry of the province.

Mr. Lincoln Dewar, provincial secretary of the Federation, explained in detail an accident insurance policy available only to farmers who were members of the Federation.

Mr. Stewart Wright, deputy minister of agriculture, explained government policies relating to cattle, horses, swine, sheep and poultry, together with the veterinary policy and the limestone assistance policy.

Mr. W. R. Shaw, member of the Federation of Agriculture, urged the members to give their full support to the Federation and to try to increase the membership as much as possible. He said also that farmers must take an active interest in community affairs thereby assisting not only themselves, but also the province as a whole.

ARE RE-ELECTED - A short meeting of the Provincial Marketing Board followed to elect two representatives to the Board. Mr. David Wright, Lower Montague, and Mr. Donald MacLeod, Victoria Cross, were elected to the board. A recess followed during which a film on surface silage was shown.

Mr. Roland MacDonald, provincial president of the Federation, also urged greater support for the Federation and urged all farmers to become members.

Hon. Eugene Cullen, Minister of Industry and Natural Resources, outlined the Industrial Establishment Promotion Act by which the government would grant assistance towards the establishment of industrial plants within the province for the purpose of processing agricultural, horticultural and fisheries products, by way of grant, loan, or guaranteeing bank or other loans to finance the erection of

Little Sands And Vicinity

Mrs. John Bruce and daughter Marion, and Mr. Earl MacLean, all of High Bank, were in Charlottetown on June 22.

Mr. Neil MacNeill and Mr. Sibbauld MacNeill, both of Little Sands, were in Charlottetown on June 22.

Many people from these parts attended the sale of the late Mr. and Mrs. Alex. Bell, held at the Bell home in Wood Islands on June 23.

Mr. Carleton Hume was in Charlottetown last week on business.

The fishermen here reported very few lobsters last week and there is only this week left for fishing and the season will be over. To some it has been quite a prosperous year and to many others not as good.

Mr. Hugh MacNeill of Little Sands, has received word that his sister, Mrs. John Campbell, formerly Ugg, now of Toronto arrived back in Toronto safely after a very pleasant visit with relatives here and in Kinross and Ugg.

Mr. Angus MacMillan, formerly of Wood Islands, who has resided in the Magdalen Islands for many years has moved with his wife and three children to Wood Islands East.

BING IS MASTER OF PATHOS AND DRAMA IN 'LITTLE BOY LOST'

When all is said and done, one of the really top personalities of the age is Bing Crosby. "Der Bingle," known to millions all over the world, is already a living legend. Having broken into the entertainment industry as a singer of songs and then gone on to become an accomplished dramatic actor and the recipient of an Academy Award, Bing is probably one of the most versatile figures in all of show business.

In his latest film, "Little Boy Lost," Paramount's brand new moving drama which is due to open today at the Prince Edward Theatre, Mr. Crosby tackles a role that would test the mettle of a Barrymore. That he turns in an excellent performance is attested to by the tremendous advance audience reaction to his portrayal.

In the film which was produced and directed by the talented team of William Perleberg and George Seaton, Crosby is cast as an American newspaperman who searches for a son whom he has never seen.

In this moving emotional document there are many scenes which call for some highly sensitive bits of acting. For here is a man who has been the victim of a chaotic world. His wife dead, having been killed by the Gestapo, and his son, the only link with the past, is lost, possibly forever. When he has almost given up hope of ever seeing the child again a new development as to the boy's whereabouts is

19 Cases Heard Before Magistrate

Mr. Gilbert Gaudet, magistrate for Queens, presided at Georgetown yesterday at the trial of 19 cases of Magistrate Joseph W. MacDonald. A party from Cardigan, one from Morell and one from St. Georges were each fined \$5.00 and costs for operating a vehicle without a license. A party from Murray Harbour was also fined \$5.00 and costs for having insufficient lighting.

A resident of North Lake was fined \$25.00 and costs for possession of illicit spirits. Four parties were each fined \$20.00 and costs for intoxication in a public place. A party from Charlottetown was fined \$25.00 and costs for possession of illegal spirits, and another party from Charlottetown was fined \$25.00 and costs for intoxication in a public place. Three parties, one from Murray Harbour, one from Georgetown and one from Montague, were each fined \$20.00 and costs for intoxication in a public place.

The case of a resident of Georgetown charged with intoxication in a public place, and also with obstructing the police and resisting arrest, was adjourned to Wednesday, July 7.

Three parties were each fined \$50.00 and costs for operating a vehicle while their ability was impaired by alcohol.

A resident of Cardigan, charged with having the care and control of a vehicle while impaired by alcohol, was adjourned to Wednesday, July 7.

It is then that the film moves to its inexorable conclusion, unfolding like a detective story. Suspenseful and taut and at the same time fraught with emotion, "Little Boy Lost" is a powerful and unusual story. Throughout Bing gives a performance that is guaranteed to touch and inspire.

With all of this Bing lends his own inimitable talent by singing several brand new Johnny Burke and James Van Heusen songs. All in all, this latest Bing Crosby starrer shows off Bing's magnificent talents to their best advantage, which make "Little Boy Lost" a film that no one should miss!

Power Shovel Causes Damage

PORTLAND, Me., (AP)—A big power shovel being moved over the Canadian National Railways for use on a Maine turnpike construction project crashed into a railroad overpass here Tuesday, ripping out two water mains.

Walter Cheaney, railroad bridge and maintenance foreman, said emergency brakes were applied to stop the 25-car freight train as soon as the crew felt the impact. The shovel, shipped from Durham, N.C., on a flatcar, was only a mile from its destination when the accident occurred at the overpass. The collision twisted the shovel off the heavy blocking, crushing the cab.

Bales 10 Tons an Hour

MacGOWAN MOTORS MONTAGUE

The new Dearborn Hay Baler will produce three to eight bales per minute and has a capacity of 10 tons of hay per hour, providing farmers with fast, efficient one-man baling. Bales measure 16" by 18" in either 36" or 42" lengths. Bale weight can be adjusted between 50' and 100 pounds. A 25 horsepower engine provides ample power for baling under varied conditions. With this powerful engine, stacked hay can be baled as efficiently as windrowed hay.
