

Grad Dance News

by Nancy MacDonald

The 1980/81 academic year is drawing to an end and the Junior class is already preparing for that final leap that will take us to the top of the totem pole where we will assume our rightful position as head honchos on campus.

We are happy to report that we had an outstanding year.

Our two main events were raring successes, and we now have over \$1300. in our coffers. However, it is still too soon to pat ourselves on the back, because we have one more major obstacle to overcome - the '81 Grad Dance.

As in keeping with UPEI tradition, the Junior class is obligated to host this event as a farewell tribute to the

Seniors. However, last year's Junior class went several hundreds of dollars into the hole, and as a result some of their Senior week activities could suffer.

This year we are planning to make money on this gala event and all Juniors, Sophomores, and Frosh are urged to attend, as it is sure to be an excellent time. Tickets

can be purchased from the Alumni Office or one of the Junior class executive. People are also needed to help out at Senior week events, so don't be shy - come forth and give us a hand.

I hope all you Juniors had a great year and I would like to thank everyone for participating in our Junior class activities.

Businesspersons

Dinner

By Holly MacDonald

The fifth annual Businessman's Dinner is slated for April 1, 1981, at the Confederation Centre. Guest speaker is Ian A. Gray, president of Canadian Pacific Airlines.

The Businessman's Dinner is an enjoyable evening that offers students and local business people the opportunity to socialize and listen to an interesting speaker. Past speakers have included John MacDonald, President of Standard Brands, and Brian Peckford, premier of Newfound'land.

This year's guest speaker will be extremely interesting with the timely topic "Airline Turbulence in Canada". Gray will be addressing such subjects as the problem of gaining entry into the Atlantic Provinces and rising fuel costs.

The reception is at 6:00 p.m., followed by a prime roast of beef dinner at 7:30 p.m. This year a new addition has been made to the evening. Following the guest speaker there will be another reception for those who wish to remain featuring a jazz combo.
