## Wanted

A free, tall, intelligent, good-looking, funny, single, available, heterosexual male chemistry tutor. But I'm not picky.

## Japanese pen-pal

Hello, nice to meet you. My name is Tomoko Kawaguchi. I'm a 20 year old girl and a Japanese university student. I've been looking for a pen friend. I'd like to exchange letters with someone who lives in P.E.I. I'm not good at English, but I like it. I'll do my best. Thank you for your help.

Sincerely yours,

Tomoko.

## To a "concerned friend"

I've been waiting for you to make the next move. Unless you have proof, mind your own business. You know how to reach me. By the way, look up the meaning of friend.  
P.

## To the redhead of my dreams:

We are in Biochemistry together and I love it when you wear your colored scarf. Do you think a guy is what you're looking for?  
Please respond,  
Korey

## To K.F.

Last night I had a dream about us. We were eating asparagus and drinking red wine. All of a sudden Nico went really weird and jumped out the window. She didn't die though, because she could fly. I was happy, then we made love. What do you think this means?  
Love,  
G.K.
