Murray Harbour Notes

*Mr. Crilly Lea motored to Amherst, N.S., for a brief but pleasant holiday recently.

Mr. William Keeping of the Royal Canadian Navy, Cornwallis, N. S., has returned to his duties after a short holiday in Murray Harbour where he was the guest of his parents, Mr. and Mrs. Ewart Keeping.

The many friends of Mr. David John Bull are happy to see him around and about once again. This popular old gentleman, now in his 84th year, was confined to his home through illness for the past couple of weeks.

Mrs. Sellar MacKay has returned to her duties as teacher at Murray Harbour School after an absence of more than a week due to illness. Pupils and staff alike are happy to have Mrs. MacKay back for she is really one of the Island's outstanding teachers.

A feeling of general satisfaction glows through the Murray Harbour district, since by the popular vote of his colleagues, Hon. A. W. Matheson was selected as Liberal leader and subsequently Premier of the province. Many great names have been associated with the political history of this district, but this is the first time that one of its representatives has been called to the exacting and honorable role of Prime Minister of the Province.

The three-team baseball league now operating at the Murray Harbour School is proving to be an outstanding success. Despite the fact that sickness has taken its toll of players, competition remains keen and every contest is a battle to the last out. Blair Fraser's Orioles are leading the pack at present, but the Cardinals under the astute guidance of Donnie Stewart and the Eagles, with Harley Fraser mapping the course, are both confident that they will overtake the Orioles before the half way mark is reached. All the boys are proving themselves real sports; the decisions of the umpires, who are always selected from the team not playing, are never questioned. This is something that many senior teams throughout the Island would do well to imitate.

Miss Ruth Moore has returned to her home in High Bank, after spending the past year in Charlottetown, attending P.W.C.
