Spaulding, at present connected with the U. S. cruiser Cleveland. The ceremony was performed by Rev. H. G. Gratz, just a few relatives and friends being present. The bride looked beautiful in a gown of white silk. Her travelling dress was made of blue with hat to match. The couple were unique. A few hours of parlor games followed the ceremony at which every one thoroughly enjoyed themselves. The wedding supper was prepared in excellent style. The bride a very popular young lady, was a member of the Presbyterian choir and of the Y. P. S. C. E. and will be much missed. The bridal party left for Boston on Saturday and at the station friends gratuitously showered rice, wishing them bon voyage. The Guardian extends felicitations.

At a well attended meeting of the Y. M. C. A. Board of Directors last evening the general work of the Association was discussed. The Board felt greatly encouraged by the response of the public to the offerings, to enable the mortgage on the building to be raised. Some \$500 more still remains to be raised and it was felt the citizens would contribute the balance without personal canvass. A resolution of condolence to the relatives was passed in reference to the death of F. W. Hales, a former president and faithful worker in the Association. It was decided to hold a memorial service next Sunday afternoon at the Y. M. C. A. in commemoration of his faithful Christian life. Fraser Marshall, maritime secretary, was present at the meeting and expressed himself as being very much pleased at the success of the movement to wipe off the mortgage upon the building. All departments of the work of the Association are in a healthy condition.
