

Dean-designate

Dr. Kenneth L. Ozmon, Chairman of the Department of Psychology, has been appointed Dean of the Faculty of Arts for a period of six years, it was announced following the regular meeting of the Board of Governors in February. Dr. Ozmon, who succeeds Professor John Smith, will take up his duties starting on July 1. Prof. Smith, the first Dean of Arts at the University, will resume his full-time teaching career in the Department of English.

A native of Virginia, Dr. Ozmon took his undergraduate studies at St. Bernard College, Alabama where he graduated magna cum laude in 1955. In 1963 he received his master's degree from Catholic University of America, Washington D.C. In 1963 he earned his doctorate at the University of Maine. Joining the UPEI faculty in 1969 as an Associate Professor of Psychology, he was named Chairman of the Department the following year.

After several years of teaching in Alabama, Dr. Ozmon became concurrently, a visiting lecturer at Marianopolis College, and discussion leader of Thomas More Institute, both in Montreal. Following a teaching position at the University of Maine, he became assistant professor of psychology at Chico State College, California. The newly appointed Dean was a visiting lecturer at St. Dunstan's University during the 1967 summer session.

A search committee (an ad hoc committee of the Senate) to find a new Dean of Arts, was set up in February 1971. Applications for the position were entertained from outside UPEI, as well as among members of the University faculty. Early in February the committee voted unanimously to recommend Dr. Ozmon for the position of Dean of Arts, to the Board of Governors.

Since coming to Charlottetown Dr. Ozmon has been active both in academic and community circles. He is a university senator and is vice-president of the Faculty Association. The Dean-designate is president of the Charlottetown branch of the Canadian Association for Mental Retardation; he serves on the board of governors of the Alcoholism Foundation of P.E.I.; he is a director of the Provincial Association for Mentally Retarded. Dr. Ozmon also has lectured with the Rural Development Council. He is married and has two children.

Singles' Europe Adventure.

We want you to run away to Europe with us.

We'll drain our last pint of Guinness at the Tournament Pub in Earls Court, London, hit the road south to the Channel and be in Calais by sunset.

A month later, we could be in Istanbul. Or Berlin or Barcelona. Or Athens. Or Copenhagen. Or just about any place you and your Australian, English, New Zealand and South African mates want to be.

On the way, we'll camp under canvas, cook over open fires, swim, sun and drink in some of the most spectacular settings on the continent.

We'll provide a small zippy European motorbus and your camping gear and a young cat to drive it who knows every wineshop from here to Zagreb, plus how to ask for a john, or how to find your way back home to bed, smashed, later on.

You can go for as little as 28 days or as many as 70. Spring, Summer or Fall.

The cost is ultra reasonable. And we'll get you to London from here just as cheaply as is humanly possible.

We've got a booklet that fills in the details and prices.
