

Truro 3-Year-Old Sets New Maritime Mark

Surprise Wins Feature Racing Under Lights At Meet Here Last Night

Three pacing mares, Filbert, Bessie Budlong and Lady Ruthie T. raced their way to surprise wins last night to highlight a thrilling night's racing at the Provincial Exhibition track. Lady Ruthie T. proved her win was no upset as she repeated her win again in the sixth race.

Bessie Budlong and Filbert thundered home ahead of the field in the last two races as a climax to the opening day of the September meet. Simcoe Harvester, a bay gelding along with Lady Ruthie T. were the only double heat winners of the night. Other winners were Quick Lick and Silk Hal.

Filbert paced the fastest mile of the card as Harold Stead took Walter Hennessey's bay mare under the wire in 2:12. Filbert was never headed from the time she left the starting gate. At one point she led by three lengths and her long lead proved good enough to keep her in front to the wire although she had to beat off a desperate stretch drive by the Len O'Meara's driven Silver Strak.

Bessie Budlong won her race in practically the same manner. Driver Leo Collings had her in front all the way and won by a half length over Harroad Bill. A win ticket on Bessie Budlong paid \$48.90 and a win duet on Filbert netted the holder \$20.40. Bessie Budlong set a new record of 2:15 2-5.

Lady Ruthie T. came up from third place on the turn onto the stretch to win the second race of the night. The bay mare repeated her performance again in the sixth race with young Dobson in the sulky.

Another pacing bay mare, Quick Lick won the third race. Quick Lick pulled out on the back stretch to win out over Harroad Bill. C. Albert Budlong took a bad spill just as he left the starting gate. Driver Bernard was thrown over the horse's head and was injured. It is not believed that his injuries are serious.

Silk Hal moved up from last place on the back stretch to win the fourth race for pacers. Silk Hal was still well back as she came onto the stretch but she had enough to beat out Josedale Clipper.

Simcoe Peter won both his races by getting away to the front and staying there. He was never headed in either race as owner and driver Desmond Baglole from Summerside won a double victory with his pacing bay gelding.

The daily double ticket on Lady Ruthie T. and Quick Lick paid \$137.00.

Sugar Ray Regains Title With 10th Round TKO Over Randy Turpin

NEW YORK, Sept. 12 (AP)—Sugar Ray Robinson, suddenly turned killer by blood streaming from his left eye, won back his world middleweight title from Britain's Randy Turpin tonight on a technical knockout with a violent attack that forced referee Ruby Goldstein to stop the fight at 2:52 of the tenth round.

Unleashing the full fury of his fists on the sturdy Briton, he opened the gash over his left eye, the sleek Harlem Sugar Ray shot the works in one furious burst that yanked to its feet the sellout crowd of over 65,000 at the Polo Grounds.

One thunderous right to the head, coming out of a flurry of blows caved Turpin's tricky defence. Down went the 23-year-old Negro on his back. Taking full advantage of the count he scraped himself off the deck at nine.

But Robinson, who lost his 160-pound crown in a tremendous upset in London July 10, was not to be denied. Pinning Turpin against the ropes with the fury of his drive, he rained blow after blow at the reeling champion.

All Randy could do was twist his head. He couldn't even raise his hands to ward off the stunning blows.

It seemed as though his head surely must be torn from his shoulders by the enraged slasher. Goldstein peered closely at badly damaged Randy—but still the blows continued in relentless attack. Just when Randy appeared ready to pitch forward on his face, the referee stopped it. At the end Turpin reeled forward wildly and almost sank to his knees.

This was a different Robinson than the lack-luster man who back-peddled from Turpin's bully-boy tactics at London. Three pounds heavier at 157, Robinson was punching with more power than last time when he never stunned the courageous Briton. Turpin weighed 159.

In the second round, a solid

right to the jaw sent Turpin into his squat and his knees almost touched the floor. Again in the third, a left hook and a right combination shook up the valiant scrapper who carried the hopes of the tight little Isle into this dramatic international contest.

Made Fatal Mistake

Turpin had shaken off the effect of these blows and was coming on in the eighth and ninth. Then he made the fatal mistake of opening the gash over Robinson's eye. That did it.

With the gore streaking down his face, Sugar Ray turned wild man. He knew he had to do it then or never.

As Sugar Ray pinned his man on the ropes and whanged away, his wife, Edna Mae, rose from a ringside seat to yell, with tears streaming down her eyes: "He's got the title. He's got the title."

And indeed he did. Ending the 64-day reign of Turpin—shortest in middleweight history.

Turpin disputed Goldstein's judgment in stopping the fight in the dressing room.

"He shouldn't have stopped it," he said. "With only seven seconds to go, I was perfectly keen."

A Great Fighter

Robinson, joyous in victory, spoke into a mike in mid-ring to say: "He's a great fighter." "If he wants another fight, I'm willing to give it to him," Robinson said. "I'll fight anyone. I went after him after the cut because I knew I had to."

It was a close bruising contest until the violent ending. Robinson was out front by a narrow margin on the cards of two officials and even on the other.

Referee Goldstein had it 4-1-1 and 5-5 in points.

Judge Harold Barnes saw it 5-3 in favor of Robinson and judge Joe Agnelo 5-4 in favor of Sugar Ray. The AP card had Robinson on top 4-3 with two even after nine.

KEEP HEAD DOWN IN SHOOTING

The difference between a hit and a miss in wing-shooting often lies in that very slight distance between the shooter's cheek and the stock of his gun, according to Henry P. Davis, public relations manager of Remington Arms Company, Inc.

"There should be no distance at all between the cheek and the stock," says Davis. "The expert wing-shot makes sure that the gun stock is against his cheek before he pulls the trigger. This, with practice, becomes an instinctive movement that is one of the prime essentials in good shooting. Raising the stock to the cheek allows the shooter to quickly gain a true 'sight-picture' and helps him to refrain from making the all-too-common error of raising his head just before firing."

"Raising the head caused the gunner to shoot high, the most common fault among shotgun shooters. 'Keep your head down' is one of the cardinal rules in good shooting and its strict observance must be practiced if the charge of shot is to strike the object at which the shooter thinks he is pointing."

Most gunners realize immediately upon touching off the trigger whether or not the gun was properly pointed. In trap shooting a few sketchy breaks will warn the shooter that he is not holding right and that he is "scratching" even with the edge of the pattern down. The fellow who shoots with both eyes open and this is the proper method is more apt to raise his head a bit and shoot high than the chap who closes one eye for the latter is more inclined to "sight" his shotgun rather than "point" it.

"To get a proper 'sight picture' in using a shotgun, the gun should be so placed against your shoulder and cheek, that when pointing it, very little, if any, of the top of the barrel is seen and the sight is about all of the gun the shooter sees," continues Davis. "By a simple little test, the shooter can quickly determine the value of this. For the test, use, if possible a trap gun or one with a ventilated or raised rib."

By properly aligning the rear head with the front head, you will find that the point of aim will be practically in the center of the pattern. By lining up the sights so that the front head seems to be sitting on top of the rear head, the shooter will find that the center of the pattern will be about eight inches above the point of aim. By allowing about four inches off the front part of the rib to show it will be seen that the center of the pattern is about twelve inches above the point of aim. This is assuming that you are shooting at a pattern paper forty yards away.

"This does not mean that you will miss your target entirely even if you do not do this."

IN THIS CORNER

Saint John Beavers made it official Tuesday when they announced the signing of Phil Hughes, the former Toronto St. Mike's star, as netminder for next season. According to reports the Beavers had to dip deep for Hughes and are paying him a salary in line with goalies in the National Hockey League. This should make Hughes the highest paid goaltender and probably the highest paid player ever to play in the Maritimes.

The Beavers are not the only club in competition for the Alexander Cup who are really laying the cash on the line. Ottawa Senators recently paid out \$10,000 to get Leo Gravelle from the Detroit Red Wings and the Quebec Aces reportedly shelled out \$15,000 for the services of Jean Marc Belliveau, the highly rated junior player of last season.

Not many clubs in the one year old major hockey competitions can talk in those money terms. It is doubtful if any Maritime clubs with the exception of the Col. Vic Oland backed Halifax St. Mary's could. As inflation plays havoc in the business world the same thing could soon disintegrate a hockey league especially in the Maritime Provinces.

The Glace Bay Community Hockey Club, the centre of a lot of news and talk these days, have found a new financial supporter. It is the Maritime Club with its headquarters in Toronto. The club has promised to raise money for the Glace Bay team through dances, socials and other entertainments. Mentioned in a Glace Bay news despatch as members of the club are former residents of Cape Breton, Nova Scotia, New Brunswick and Newfoundland. There is no word of any Prince Edward Islanders although they might have been tactfully omitted.

When Leo Lamoureux and Bill Brown left the Amherst hockey meeting last Sunday they apparently felt pretty secure about the strength of the Islanders Hockey Club. Aubrey Keizer, a Sydney reporter who attended the meeting writes "Minutes after the meeting had broken up Charlottetown's Leo Lamoureux and Bill Brown, Forum Manager, were on the road to New York. Their parting shot to the meeting 'We have our club, all but two players; soon as we hit New York we will have those two signed'."

Holman's Intermediates, one of the fightingest baseball teams in the Province, kept their Provincial championship hopes alive yesterday when they bounced back to defeat the Abbies in a last ditch stand. Pleasing to Summerside fans and distressing to Charlottetown backers was the brilliant pitching of the bespectacled college student Allan Stewart who hitch-hiked home from Halifax to give the home town crew a lift.

The Summerside Intermediates, like the New York Yankees of the American League, have always been a tough team to beat when the chips are down. They possess great fighting spirit and if fighting qualities could win it alone they could come back to win the series. But they have a hard row to hoe especially if they have to meet Charlie Ryan on the mound Sunday.

Baseball fans here will remember Bill Harris, former junior star with Dieppe and Moncton teams. This season Billy, or Canada Ball as he is called, was pitching ball in Valdosta, Georgia. He had a bit of tough luck recently when he came up with a sore arm in the Georgia baseball playdowns and may be out for the rest of the season as the result of a torn ligament in his throwing elbow.

A local athlete of considerable promise who has been dogged with more than his share of tough luck is young Art Hughes. Art, who played hockey with St. Mary's Junior B team last year, states that he will not be playing hockey this year on account of a recent leg injury. Art had his leg broken in three places this summer by a falling tree. In a hockey game two years ago he suffered a broken collar bone and in a baseball game a year ago he dislocated his back. Art plans to resume his studies next year and hopes which will be a winning one on his part.

Holman's Get Back In Running With 7-4 Win Over Intermediate Abbies

The intermediate Holman team facing elimination, extended the best three out of five series to at least one more game by defeating the Charlottetown Abbies yesterday afternoon by the score of 7 to 4.

Alan Stewart went all the way for Holman's giving up eight hits, walking only one, and striking out nine. "Red" MacKenzie started for Charlottetown but was shelved out in the fourth after Syd Bernard had hit a triple and Jimmie Grady a single to send Syd home with the fourth tally against MacKenzie. Ryan relieved MacKenzie and allowed only two hits, one of which was Don MacKenzie's home run to left field in the seventh inning. The feature play of the game was pulled off by Holman's pitching coach, Chick Whalen. Chick

Springhill Wins N. S. Junior Title

SPRINGHILL, N. S., Sept. 12 (CP)—Springhill Tankers won the Nova Scotia junior baseball title today, defeating Sydney Elks 7-6 to take the best-of-five series 3-1.

Tonight's game was one of the best of the season and was in doubt until the last out.

Elks outhit Tankers 12-8 but costly errors spelled their defeat.

Island Bred Dr. J. A. Knocks 3-5 Second Off Old Pacing Record

Dr. J. A., a smooth pacing bay gelding set a new Maritime record for Maritime bred three year old pacers here yesterday afternoon when he stepped the first mile of the three year old class in 2:12 2-5.

The old record was 2:13 set by Raymond Budlong when he was owned by Wellington McNeill, Southport. Dr. J. A. beat the old mark twice yesterday as he paced the second mile of his class in 2:12 4-5.

Ray O'Brien reined the Dr. J. A. Donahue owned horse from Truro to three easy victories in the three year old class although Gallant Bobby came a close second in the third heat.

A steady bay trotter, New Forest, owned by Mrs. James Poulton of Charlottetown and driven by Len O'Meara won the two heats of the two-year old colt races with about an eighth of a mile lead in both events.

Another bay gelding, Tyndall Semple won top honors in the four year old trot. Owner George Woodside drove the gelding from third place to victory in the last two heats. Tartan owned by Major T. B. Rogers, Charlottetown and driven by "Ike" Moreside won the first heat.

Only a fair sized crowd of spectators watched the colts as the two day colt stakes opened. The stakes will be concluded tomorrow afternoon.

Ray O'Brien drove practically identical races in the first and second heats of the three-year-old pace with Dr. J. A. coming up from third place to win.

In both heats Gallant Bobby got away to fast starts followed by Mona Clegg and Dr. J. A. They retained their positions until nearly the middle of the back stretch when O'Brien pulled out Dr. J. A. and left the rest of the field behind.

Dr. J. A. broke at the first turn in the third heat but came up fast again to win by a length. The young gelding who paced a mile in 2:15 1-5 at Truro a week ago, was raised and trained by Willard Coughlin, Alberton and reportedly sold to Dr. Donahue for about \$300.

Gallant Bobby and Mona Clegg both turned in good times in the three heats and had they not been matched with a performer like Dr. J. A. would have made good marks for themselves.

Len O'Meara and New Forest were so far in front of the rest of the field in the two year of class that they were a class by themselves. New Forest, a promising colt went the first mile in 2:33 2-5 and the second in 2:34 2-5. Air Lift, driven by Willard Kelly finished second in the first heat and Sandy's Squire driven by Roy MacDonald finished second in the second.

By properly aligning the rear head with the front head, you will find that the point of aim will be practically in the center of the pattern. By lining up the sights so that the front head seems to be sitting on top of the rear head, the shooter will find that the center of the pattern will be about eight inches above the point of aim. second heat.

Tartan pulled a surprise win in the first heat of the four year old class when he outdistanced Tyndall Semple to the wire. Tartan was in front all the way and fought a beautiful track battle with Tyndall Semple over the last quarter.

Tyndall Semple got away in front in the second heat and was never headed. Tartan broke at the first turn and had to come up from last place. He made a gallant drive but could not pass the Semple horse or Real Sett.

Real Sett nearly pulled the big upset of the afternoon in the last heat as he finished second to Tyndall Semple by a nose. Tartan was third.

Blankets were presented to Dr. J. A., Tyndall Semple and New Forest by Mr. Donald Seaman on behalf of the P. E. I. Harness Racing Club. On each of the beautiful yellow blankets was inscribed "Maritime Champion-1951-Three Year Old Pacer, two year old trotter or four year old trotter" as the case applied to the horse.

A beautiful trophy was presented to the owner of New Forest, Mrs. James Poulton by a well known Charlottetown sportsman, Mr. Joseph J. P. O'Brien. The trophy is emblematic of the championship in the two-year-old class.
