Potato Harvesting

Potato picking accompanied by its usual quota of sore backs and big appetites is in full swing...

The delightful October weather is helping to speed up the harvesting of the crop and will help hold down the development of blight in the tubers...

The problem of finding storage for the crop for which there is little current demand is a real one to many of the larger growers...

A distinct falling off in the sale of turnips in the month of September as compared with the same month last year has occurred...

The bumper harvest coupled with indifferent cash returns for potatoes and turnips will likely result in quantities of island grain being offered for sale...

Some question arises as to the soundness of importing feed on the one hand and selling our own grain on the other...

While we may suffer certain handicaps in this Province from the standpoint of markets and transportation, yet the elements are usually very kind to us...

The fifth annual conference of the International Federation of Agricultural producers will be held

May 20th to June 8th, 1951 in the Palace of Fine Arts in Mexico City, Mexico. While Mexico is a comparatively new member of I.F.A.P. yet they made a very strong bid for the conference and were successful.

The Board of Transport Commissioners are planning hearings to be held in Ottawa, Winnipeg, Calgary and Regina at which the railways are asked to present reasons for the proposed increase in livestock freight rates.

Briefs opposing the increase will be presented by the Canadian Federation of Agriculture and some of the Provinces.

The C.P.A. rendered a distinct service to livestock producers for the part it played in having those increases postponed.

Figures released recently show very clearly increases in farm costs since 1939 and require no explanation. The increase in farm wage rates indicate that the farmer when in a position to do so is prepared to deal quite generously with his employees.

At the time of the year with a large volume of hogs been marketed many farmers are keenly interested in the price decline and naturally a bit critical of it.

Without going into details the main causes of the decline in price are as follows. The large volume offered at this time of the year imposes a strain on packing house storage accommodations and lessens the competition between packing houses for the product...

At this time the farmer is joked about for discussing the weather so much, but nevertheless in practically everything he undertakes he must have the co-operation of the weatherman.

The October meeting of the Bedeque Women's Institute, was held on Tuesday Oct. 3rd, at the home of Mrs. Hammond Bowness. The vice-president, Mrs. Walter Bowness in the chair. Meeting opened with Institute code, followed by roll call. Ten members and two visitors were present. Reports were presented from sick and school committees.

On motion agreed that the Royal Family pictures for the school, be taken to Holmans for framing. After discussion regarding the teaching of music in the school, a committee was appointed to canvass the district to get the opinion of the people on ways and means of raising money for same. Report of committee to be given at next meeting.

Personal thanks were received from a member for a baby gift. A sick member sent a "thank you" card for fruit received from the Institute. Members plan to attend the Sewing Club classes being held in Central Bedeque Hall beginning October 4th. Five home nursing manuals were ordered from the R.C. Society.

Next meeting at the home of Mrs. Daniel Noonan. Roll call - payment of dues. Lunch committee - all members. November meeting - being the annual, there will be no programme committees. Meeting closed with the National Anthem. Lunch served by hostess and lunch committee. Collection \$1.20.
