EXPLOSION WRECKS FREIGHTER'S CABIN

An engine-room explosion on the Norwegian freighter Ferngulf near Vancouver harbor sent flames searing through parts of the ship and caused havoc in the crew's quarters above the engine room. An unidentified man investigated the scene in one of the cabins, all but blown apart by the blast. Six crew members were taken to nospital, one of them died later. Thirty others escaped injury and firemen from nearby ships helped put out the blaze. (CP Photo)

MONTREAL

MONTREAL (CP) — Prices were moderately lower in fairly active trading Wednesday on the Montreal and Canadian stock exchanges.

The decline was evident in most stock classifications, and only two of six stock indexes were ahead. Declines outnumbered gains. Profit-taking was blamed for at least part of the loss.

Massey was by far the most active issue and it advanced ⅜ at 15½. It hit a new high of 15⅝ earlier. Early gains in other issues were also pared.

Losses in the papers were mainly fractional, but they were big losers on the index. St. Lawrence Corp. was down ¼ at 17.

The utilities and banks were narrowly ahead in heavy turnover.

Refining oils and pipelines were mixed in a fractional range, but losses in the western oils extended to more than a point.

The base metals, constructions, foods and steels were irregular.

Trading in the mines and oils was at its slowest rate since February. Prices dipped narrowly lower in the afternoon. There were no features.

The closing averages show the banks up .43 at 66.13, a new high, utilities up .2 at 162.1, a new high, industrials off 1.1 at 314.2, combined off .7 at 263.5, papers off 5.1 at 452.1, a new low, and golds unchanged at 86.9.

TORONTO

TORONTO (CP)—Western oils dropped back for the fourth session as the stock market was easier Wednesday in light trading.

Base metals were the only winners and their final gains were only a few decimal points.

Final volume was 2,909,000, slightly better than Tuesday's 2,823,000. Not one of the five most active mines traded 90,000 shares and price moves were around five cents. Consolidated Marcus had the best speculative gain, up 20 cents at $1.07.

In senior western oils, Calgary and Edmonton had the major loss off 2 at 28¾. Royalite lost 55 cents at $9.35.

In base metals International Nickel gained ⅝ at 89½ and Noranda was up ½ at 52½. However, Consolidated Mining and Hudson Bay each lost ½.

Golds were quiet and changes were few. McIntyre added 1 at 83 while Kerr-Addison was off ⅜ at 19.

Index changes: golds off .31 to 90.80; base metals up .02 to 175.74; western oils off 2.10 to 132.33.

There are 16.3 telephones per 100 people in Prince Edward Island which is considerably below the Canadian average of 28.64 phones per 100 people, the annual report of the Island Telephone Company indicated yesterday. There are a total of 16,319 telephones in the province of which 15,413 are company owned.

Gross operating revenue was $1,170,302 in 1958 an increase of 10.5 percent over that of 1957 the report indicated.

The report made special note of the accident-free driving record of C. E. MacGregor who drove an estimated million miles in 45 years without a single accident.
