Please Help Timmy

The Charlottesville Forum will be filled with laughter to come when those imperious "Blue-Beards" take on the previously undefeated (and unchallenged) Island Confederates in a benefit hockey contest on the "Rotary Easter Ice Hockey Night."

There will be several big time operators on the ice. Former Jersey Joe Cole, Ivan Doherty and reports have it that the "coldest cat of them all," "Knock-out" Babe Farnsworth will be in top action, and might even twist a knee or two in the public interest.

It sure sounds like a lot of fun, but looking at it more seriously, make some money for the 2,500 at the Forum tomorrow night to help the Charlottesville Rotary Club keep up their terrific work and make Timmy's crusade against Polio the most successful it has ever been.

Besides plenty of laughs, that will undoubtedly be provided by the Beatles-Confederates hockey game, there should also be some exciting hockey action in the Post-News game between the Confederates and an All-Star congregation from Sumnerville on the RCAF base.

The Confederates are known across the country for their fine performance at the Quebec tournament, and with the addition of Knoxville's Riddle Newton, rated as one of the best players in the nation, the team should be something to watch. The combined Sumnerville team has a pushover however, and we expect a close game all the way.

We hope to see YOU at the Forum tomorrow night, 7:30.

Off The Cuff

UNIVERSITY OF NEW BRUNSWICK failed to capture the Canadian Intercollegiate hockey championship as we had hoped. The Red Devils ended second with a 3-6 win over Montreal in a 2-2 tie shoot-out against the Canadiens.

Even though Fredrickson lost the title we think they were the best team in the world. They had the most complete and complete representative.

FRANK BARTEAUX, who patrolled a lane for the Maple Leafs in last night's game at the University of New Brunswick, is a former Nova Scotia All-Star. He is now with the St. John's team.

Jim Bernard of Kennington and JIM GARY, owned by Boston MacArthur, were winners on the Halifax evening, over the Ruckon National.

Winnipeg Charlottens 2-1 Sunday in an International hockey tournament in Geneva.

Recent reports from the Geneva tournament indicate that the Canadiens were the best team in the world. The U.S. international pole vault team met at JOHN VELSSES scored to 16 feet 4 1/2 inches on his first attempt.

Combines Top Eagles In Exciting Comeback

The Sumnerville Texaco Combines, with two goals down a goal less than six minutes to play in the final period, suddenly caught fire and scored four goals in one minute and 10 seconds to defeat the RCAF Eagles at Civic Stadium last night by the score of 5-4.

This eliminated the Eagles from the "Quadruple Round Robin" series, and if the Hawks beat the RCAF team tonight in Charlottetown, it will mean a home-and-home, total goal series between the Hawks and Combines for the Island Intermediate "A" championship.

Flame Man, going into the nets for the Combines after almost a year's lay-off, because of an injury suffered in a car accident last summer, injured his left leg last night in a scramble over the cage, and was taken to hospital. How serious the injury was, was not known at press time.

The Eagles pretty well dominated the play in the first two periods, although the Combines mustered some good chances to score. The first period ended 2-1, the second, 4-2 Burke, in the RCAF cage, was particularly good in the third period until the final three-goal blitz. Alfred Perry took Man's place in the Combines nets, and did not have much work. Lognon, smooth, kept the cage forward, and scored with two goals and an assist, but was injured in the third period and forced to retire with the game. Bob Sleigh who received a game misconduct in the middle session, fired one of the other goals, and George MacArthur banged in the other while he was sprawled on the ice in front

York Edges Hampshire 3-1

York defeated Hampshire 3-1 to win their semi-final series at the North River rink on Thursday night.

York snipers were G. MacArthur, G. Vessey and D. Hughes with one each.

V. White fired the lone tally for Hampshire squad.

York now advances against Kingston in the finals for the League championship.

Souris Team Wins Ch'ship

Saturday morning, Souris Mosquito's won the Island championship by defeating Kingston 3-0 to take the two-game total-goal series 5-1. Eric MacArthur scored all three goals for the winners.

In coping their first Island championship Souris were defeated in four games with their nemesis Martin MacArthur and at 8:00 p.m. on Saturday night, and allowing only one goal in the other match.

Maple Leafs Down Royals To Take -O Series Lead

The Windsor Maple Leafs lapped Sandy's Royals 11-3 in the first game of their best of seven series for the Maritime Senior Hockey Championship, played before a crowd of approximately 2,500 people who jammed the Charlottetown Forum last night.

The double figure score was not at all indicative of the play shared by the two teams in last night's game.

The Royals sprang to the attack as the puck was dropped at the 5:46 mark. Royals rear-guard, Vince Mulligan, dented a 1-0 lead.

Clay's Manager To Refuse Fight

LOUISVILLE, Ky. (AP) - Cassius Clay's manager, Bill Favreham, gave a flat "no" Monday to a proposed heavyweight fight for charity between the new heavyweight champion and Floyd Patterson.

"I'm not going to let him do any such thing," Favreham said after Clay had offered to fight the former champion with Patterson.

Clay is a Black Muslim. Patterson is a Roman Catholic.

However, Tom Bolan of Championship Sports, a promotional group with offices in New York, was not an easy discouragement.

"I think the fight can be made," Bolan said. "We'll advise Clay of the many reasons for encouraging this we've heard."

"My offer of \$750,000 for a Clay-Patterson fight still stands."

Skating And Cat Food Can See Aiding Island Pitcher

By MIKE RATHIE
BRADENTON, Fla. (AP) - Vern Handrahan, one of a dozen young pitchers vying for spots on Kansas City's depleted staff, figures he has something of an edge because of his Canadian sking heritage and a cat food can.

"I've always been in shape in the spring because I've always done some skating at home," said the 25-year-old right-hander from Charlottetown, P.E.I. "It all began when I had a talk with Forbes Kennedy, who's with Boston in the National Hockey League."

"Kennedy used to be my catcher when I was a temp on back home, and he pointed out that I could get my legs in shape real easy and fast by skating a lot. So I tried it and found out he was right. I even found a rink in St. Peterburg, and went over there to do some skating when I came down here," he said.

Handrahan tangled with the cat food can last spring. It almost wore him a finger.

While opening the can, he ripped one of the fingers on his pitching hand and needed six stitches to close the wound.

The scar has left a little hill on the finger, and Handrahan thinks it could be a major factor in his winning a berth with the Kansas City club.

"At the beginning I couldn't even throw, so I was sent out to Leaverton, but when I finally came around and started to get my arm in shape, I found the hill left by the scar made my fast ball move around a lot better. It goes good with my slider, which is my best pitch."
