LLOYD'S Register of British and Foreign Shipping.

Established 1834. RULES AND REGULATIONS. NOTICE is hereby given, that the following Rules have been amended and will stand as follows, viz:—

31. The characters to be assigned to Ships to be, as nearly as possible, a correct indication of their real and intrinsic qualities, and to be in all cases fixed (not by the Surveyors, but) by the Committee, after due consideration of the Reports of the Surveyors and such other documents as may be submitted to them, and will be distinguished as follows:— 32. In all cases in which the application of the rules must necessarily be regulated by the ship's admeasurement, the gross register tonnage is to be adopted. 33. Ships intended to be built under Special Survey, must be placed under the Surveyors' inspection from their commencement, so that all parts of the Timbers, Deadwood, Keel, Stem, &c., may be examined. The "first Survey" prescribed by this Rule is to be held when the frame is completed, timbers dubbed fair inside and outside ready to receive planking, and before any planking is wrought.

Section 41.—The following words in the seventh line of this Rule have been omitted, viz:—"fitted as standards or hanging knees (the latter being preferred)."—thus requiring all the knees to hold beams to be fitted as hanging knees. Section 53 will stand as follows:—Ships built in the United Kingdom;—or in Quebec after 1855;—or St. John, New Brunswick, after 1853; or Miramichi, and Northern Ports of New Brunswick, or in Prince Edward Island after 1855;—and not surveyed while building by the Surveyors of this Society, and all ships the owners or builders of which may have refused or declared to permit them to be surveyed at the several periods prescribed by the Rules, will have One Year deducted from the period which would otherwise have been assigned, in consequence of their not having been submitted to survey during their construction. In no case, however, will a higher grade than 10 A be assigned to ships built in the United Kingdom, which shall not have been surveyed while building. TABLE A.—Exhibiting the number of years assigned to the different descriptions of timber of good quality," has likewise been amended, and the following alterations made therein, viz: Pitch Pine will be allowed for "Stem and Sternpost," and "Transoms, Knitheads, Hawse-timbers Apron and Deadwood," in ships of the seven years' grade and under; and for "Wales and Blackstrakes," in ships of the nine years' grade. Yellow Pine will be allowed for "Topsides and Sheerstrakes" in ships of the five years' grade. By order of the Committee, GEORGE B. SEYFANG, Secretary. HEALTH RESTORED

By using Mrs. M. N. Gardner's Indian Balsam of Liverwort and Hoarhound. THIS Balsam is composed of Liverwort and Hoarhound combined with about twenty other different Herbs, and entirely a vegetable compound. It is compounded in a truly scientific manner, and according strictly with rules of Pharmacy, retaining all the medicinal qualities of each article in its original strength, and being concentrated in the form of a Balsam that is agreeable to the taste and wonderfully quick and efficacious in its action on the Lungs and Bronchial Tubes, it exceeds anything in medical science that has ever been offered. And for the cure of COUGHS, COLDS, WHOOPING COUGH, GROUP, ASTHMA, INFLUENZA, SPITTING OF BLOOD, BRONCHIAL COMPLAINTS, AND ALL DISEASES OF THE THROAT AND AFFECTIONS OF THE LUNGS, and these dreadful and appalling enemies to our race and country, CONSUMPTION AND LIVER COMPLAINT. It is unrivalled, and when it has once been sold it has gained a reputation for itself, without the aid of lengthy advertisements, and it now has the confidence, and is recommended by many high-minded men, and some of our first physicians; and we particularly ask the attention of this class of the community who are afflicted with any complaints of the Throat, Chest or Lungs, to this article, and to PUBLIC SPEAKERS who are troubled with Bronchitis or any Bronchial affections caused by over exertion, we can say with all confidence, use MRS. GARDNER'S INDIAN BALSAM OF LIVERWORT AND HOARHOUND. It is an excellent remedy for BOWEL COMPLAINTS, although we do not claim for it such high encomiums as some others claim for their preparations, particularly adapted to diseases of this nature. We have many valuable certificates in our possession in favor of this medicine, from men of high standing, and whose popularity extends throughout America. We have liberty to use the names of a few persons well known in our community, who have been cured or otherwise benefited by the use of this Balsam. Messrs. WEEKS & POTTER, 134 Washington Street, Boston, are Proprietors, and for sale by all Druggists. Be sure and ask for Mrs. M. N. Gardner's Indian Balsam of Liverwort and Hoarhound, and take no other, for there are numbers of spurious articles in the market. The genuine has a blue wrapper and red label round each bottle. A certain Remedy for Colds and Influenza.

At a time, like the present, when there appears to be a kind of epidemic affecting the citizens, as well as the Island generally, in the shape of a kind of Cold or Influenza, accompanied, in most cases, with a severe Cough, I think it a duty which I owe to the public to make known to them an article that will entirely remove this malady. Dr. Johnson's Anodyne Liniment is, in my opinion, one of the very best articles to cure a Cough that ever came to this Island. This is no quick preparation, but one meeting the approbation of the Medical Profession, the most eminent of whom bear willing testimony to its wonderful efficacy. The inventor of this Liniment was in the practice of Medicine for nearly twenty years, and perfected it from year to year in his practice. Taken internally, it is a safe and effectual cure for Inflammation of the Bronchia or Bronchitis, Rose Cold, Hard Dry Cough, Whooping Cough, Hoarseness and Common Cold, Pain and Soreness in the Lungs, Stomach and Sides, caused by lifting or otherwise; Asthma and Influenza; for Sore Throats and Weak Lungs. Externally it will have the most happy effects in all cases where any other Liniment would be used, especially for Rheumatic Affections, Stiff Joints, Chirblains, Chapped Hands and Sore Lips. I am not in the habit of puffing up, on my own account, any patent Medicine—although I sell all kinds—but am induced to bring this article before the public from a pure motive. I know it to cure, within these last ten days, several persons of very bad Coughs, when all other remedies failed. I have seen persons suffering from the Asthma relieved by this Medicine in a few minutes. It is not generally known that it is used internally, as most all Liniments are applied externally; this will account for my remarks regarding it. Persons may obtain this Medicine in almost all Stores throughout the Island. In Charlottetown, from T. Desbrisay & Co., W. R. Watson and M. W. Skinner, Wholesale Agents for P. E. Island, who will supply dealers at proprietors' prices. Ch. Town, Nov. 16, 1857. 3m M. W. SKINNER.

AYER'S CHERRY PECTORAL, FOR THE RAPID CURE OF Colds, Coughs, and Hoarseness.

CHARLESTON, Mass., 20th Dec. 1855. Dr. J. C. AYER, I do not hesitate to say the best remedy I have ever found for Coughs, Hoarseness, Influenza, and the concomitant symptoms of colds, is your Cherry Pectoral. Its constant use in my practice and in my family for the last ten years has shown it to possess superior virtues for the treatment of these complaints. EBEN KNIGHT, M. D. A. B. MORTLEY, Esq., of Utica, N. Y., writes: "I have used your Cherry Pectoral in my family ever since you invented it, and it is the best medicine for its purpose ever put out. With a bad cold I should sooner pay twenty-five dollars for a bottle than do without it, or take any other remedy." H. H. CONKLIN, M. D. BROTHER AYER: I will cheerfully certify your Pectoral is the best remedy we possess for the cure of whooping cough, croup, and the croup of children. We of your fraternity in the South appreciate your skill, and commend your medicine to our people.

AYER'S CHERRY PECTORAL, FOR THE RAPID CURE OF Croup, Whooping Cough, Influenza, Hoarseness, and the Croup of Children.

AMOR LEE, Esq., MONTEZUMA, writes, 3d Jan. 1856: "I had a tedious Influenza, which confined me in doors six weeks; took many medicines without relief, finally tried your Cherry Pectoral, and in a few days I was able to go out. The first dose relieved the soreness in my throat and lungs; less than one half the bottle made me completely well. Your medicines are the cheapest as well as the best we can buy, and we esteem you, Doctor, and your remedies, as the people's friend."

ASTHMA OR PHthisis, and BRONCHITIS. WEST MANCHESTER, PA., Feb. 4, 1856. SIR: Your Cherry Pectoral is performing marvellous cures in this section. It has relieved several from alarming symptoms of consumption, and is now curing a man who has labored under an affection of the lungs for the last forty years. RICHARD L. PARKS, Merchant.

A. A. RAMSEY, M. D., ALBION, MONROE CO., LOUISIANA, writes, Sept. 6, 1855: "During my practice of many years I have found nothing equal to your Cherry Pectoral for giving ease and relief to consumptive patients, or curing such as are curable."

Consumption. Probably no one remedy has been known which cured so many and such dangerous cases as this. Some no human aid can reach; but even to those the Cherry Pectoral affords relief and comfort.

ASTON LOESS, NEW YORK CITY, March 5, 1856. DOCTOR AYER, Lowell: I feel it a duty and a pleasure to inform you what your Cherry Pectoral has done for my wife. She had been five months laboring under the dangerous symptoms of Consumption, from which no aid we could procure gave her relief. She was steadily failing, until Dr. Strong, of this city, where we have come for advice, recommended a trial of your medicine. We tried his kindness, as we do your pills, for she has recovered from that day. She is not yet as strong as she used to be, but is free from her cough, and calls herself well. Yours with grateful remembrance, ORLANDO SHELLEY, of SHELLEVILLE.

Consumption, do not despair till you have tried AYER'S CHERRY PECTORAL. It is made by one of the best medical chemists in the world, and its cures all around us speak the high merits of its ingredients. Philadelphia Ledger.

Ayer's Cathartic Pills.

THE sciences of Chemistry and Medicine have been taxed their utmost to produce this best, most perfect purgative which is known to man. Innumerable proofs are shown that these PILLS have virtues which surpass in excellence the ordinary medicines, and that they will unerringly upon the system of all men. They are safe and pleasant to take, but powerful to cure. Their purgating properties stimulate the vital activities of the body, remove the obstructions of its organs, purify the blood, and expel disease. They purge out the four humors which brood and grow distemper, stimulate sluggish or disordered organs into their natural action, and impart healthy tone and strength to the whole system. Not only do they cure the every-day complaints of every body, but also formidable and dangerous diseases that have baffled the best of human skill. While they produce powerful effects, they are at the same time, in diminished doses, the safest and best physic that can be employed for children. Being sugar-coated, they are pleasant to take; and being purely vegetable, are free from any risk of harm. Cures have been made which surpass belief were they not substantiated by men of such exalted position and character as to forbid the suspicion of quackery. Many eminent clergymen and physicians have lent their names to certify to the public the reality of my remedies, while others have sent me the assurance of their conviction that my Preparations contribute immensely to the relief of my afflicted, suffering fellow-men.

The Agent below named is pleased to furnish gratis my American Almanac, containing directions for their use and certificates of their cures, of the following complaints:— Constiveness, Bilious Complaints, Rheumatism, Dropsy, Hoarseness, Headache arising from a full stomach, Nausea, Indigestion, Morbid Fermentation of the Bowels and Pain arising therefrom, Flatulency, Loss of Appetite, all Ulcers, and Catarrhs of the Bowels, and all other ailments arising from the blood and stimulating the system, cure many complaints which it would not be supposed they could reach, such as Piles, Hemorrhoids, Neuralgia and Nervous Irritability, Derangements of the Liver and Kidneys, Gout and other kindred complaints arising from a low state of the body or obstruction of its functions. Do not be put off by unprincipled dealers with some other pill they make more profit on. Ask for AYER'S PILLS, and take nothing else. No other they can give you compares with this in its intrinsic value or curative powers. The sick want the best aid there is for them, and they should have it.

GREAT P. E. ISLAND REMEDIES!

WILLIAM R. WATSON would direct public attention to the annexed original Preparations, which he guarantees to be all that he claims for them, viz., the best Medicines of the kind ever offered to the public. Innumerable certificates, of the highest authority, might readily be adduced as to the efficacy of each, but the universal celebrity they have attained throughout this Island where they are manufactured, and consequently best known, renders it unnecessary.

Balsamic Syrup.

AN INVALUABLE REMEDY FOR COUGHS, COLDS, HOARSENESS, ASTHMA, CHRONIC COUGHS, INFLUENZA, DIFFICULTY OF BREATHING, AND ALL DISEASES OF THE LUNGS, AND PULMONARY COMPLAINTS. This Medicine has the extraordinary property of immediately relieving Coughs, Colds, Hoarseness in the Throat, &c. It operates by dissolving the congealed phlegm, thereby causing a free expectoration. Those who are troubled with that unpleasant tickling in the throat, which deprives them of rest night after night, by the incessant Cough which it provokes, will, by taking one dose, find immediate relief; and one bottle will, in most cases, affect a cure. Where a gentle aperient is required, take an occasional dose or two of "WATSON'S DYSPEPSIA BITTERS." They operate without producing those unpleasant and often distressing effects which frequently continue for a day or two after taking powerful medicine.

Dyspepsia Bitters.

AN INVALUABLE REMEDY FOR DYSPEPSIA, OR INDIGESTION, JAUNDICE, BILIOUS COMPLAINTS, BAD BREATH, SICK HEADACHE, HEARTBURN, ACID STOMACH AND DIARRHŒA, AND ALL DISEASES HAVING THEIR ORIGIN IN COSTIVENESS, OR BAD DIGESTION. These Bitters will be found beneficial in the first stages of Diarrhœa or Dysentery, by taking half a teaspoonful at bed time, but when it fails, "WATSON'S DIARRHŒA MIXTURE" will be found a perfect remedy.

Dysentery & Diarrhœa Mixture.

IS A SAFE, SPEEDY AND EFFECTUAL REMEDY FOR DIARRHŒA, DYSENTERY, CHOLIC, AND DISORDERS OF THE BOWELS GENERALLY—IN ADULTS AND CHILDREN; AND IF PROMPTLY APPLIED IN CASES OF CHOLERA, WOULD BE PRODUCTIVE OF THE HAPPIEST RESULTS,—AS IT QUICKLY RELIEVES ACUTE PAIN, DISPELS FLATULENCE, SUBDUES PURGING, AND COMFORTS AND INVIGORATES THE WHOLE SYSTEM. "The public will please observe, there is a Seal—WATSON, DRUGGIST, P. E. ISLAND,"—upon the Cork of each Bottle, and that on the back (in panel) of each Bottle there are these words: "W. R. Watson, Charlottetown, P. E. Island," without which none are genuine. Charlottetown, Jan. 11, 1858. ly

No such word as Fail. A resistless Remedy.

HOLLOWAY'S OINTMENT.

CIRCULAR TO THE SICK. The first hospital surgeons and medical practitioners of Europe admit the unparalleled anti-inflammatory and healing properties of this Ointment; governments sanction its use in their naval and military services; and the masses in this country and throughout the world repose the utmost confidence in its curative properties. It penetrates the sources of inflammation and corruption which underlie the external evidence of disease, and neutralize the fiery elements which feed and exasperate the malady.

RHEUMATISM, SCROFULA, ERYSIPELAS. These are among the most terrible and agonizing diseases yet in their worst forms, and when seemingly incurable, they invariably disappear under a persevering application of this soothing, healing, antidote to pain and inflammation.

KING'S EVIL, FEVER SORES, STIFF JOINTS. In cases of King's Evil where medicinal waters, lotions, and every recipe of the pharmacopœia have proved useless, the Ointment will accomplish a thorough cure. Fever Sores heal quickly under its influence, and its relaxing effect upon contracted sinews is truly wonderful.

DISCHARGING ULCERS. A most remarkable and happy change is produced in the appearance of malignant ulcers, after a few applications of this Ointment. The surrounding redness vanishes, and granules of healthy flesh begin to take the place of the discharged matter. This process goes on more or less rapidly, until the orifice is filled up with sound material and the ulcer radically cured.

A WORD TO MOTHERS. The young are the most frequent sufferers from external injuries and therefore every mother should have this healing preparation constantly at hand. It is an absolute specific for sore breasts, and quickly removes the encrusted sores which sometimes disfigure the heads and faces of children.

SIGNIFICANT FACTS. This Ointment is universally used on board the Atlantic and Pacific whaling fleets as a cure for scorbatic affections and as the best possible remedy for wounds and bruises. Large supplies of it have recently been ordered by the Sultan of Turkey for hospital purposes.

ULCERS, SORES, AND TUMORS. The effect of this unrivalled external remedy upon Scrofula, and other virulent ulcers and sores, is almost miraculous. It first discharges the poison which produce suppuration and proud flesh, and thus the cures which its healing properties afterwards complete are safe as well as permanent.

WOUNDS, BRUISES, BURNS, AND SCALDS. In cases of the fracture of the bone, injuries caused by steam explosions, Bruises, Burns, Scalds, Rheumatism, Stiffness of the Joints, and contraction of the sinews, it is employed and warmly recommended by the faculty. This marvellous remedy has been introduced by its inventor in person into all the leading Hospitals in Europe, and no private household should be without it.

Both the Ointment and Pills should be used in the following cases:— Bad legs, Chiefo foot, Fistulas, Sore throats, Bad Breasts, Chirblains, Gout, Skin diseases, Burns, Chapped hands, Glandular Swellings, Scurvy, Bunions, Corns (Soft), Lumbago, Sore-heads, Bite of Mosquitoes, Cancers (Soft), Piles, Tumours, Sand Flies, Contracted and Rheumatism, Ulcers, Coco-bay, Elephantiasis, Scalds, Wounds, Yaws.

Sold at the Establishments of Professor Holloway, 244, Strand, (near Temple Bar), London, and 30, Maiden Lane, New York, also by all respectable Druggists and Dealers in Medicines throughout the civilized world, at the following prices:—1s 3d, 3s 3d, and 5s each Pot. There is a considerable saving by taking the larger sizes. N. B.—Directions for the guidance of patients in every disorder are affixed to each Pot.

Jeffery's Family Ointment.

THIS article is an invaluable, certain and speedy remedy for all sorts of external inflammation, such as Inflamed Eyes, Burns, Scalds, Bruises, Abscesses, Piles, Fistula, Chilblains, Humors, Ulcers and Fever Sores, Erysipelas, Ring Worms, Group, All Throat Affections, Asthma, Broken Breasts and Sore Nipples, Salt Rheum, Scald Head, Chapped Hands, Scarlet Fever, Rheumatism, Scrofula and Scalp Diseases, Sprains and Breach, Kidney Affections and Pleurisy, Warts, and Corns, Felons and Tumours, bee stings and bites of insects, Restoration of Hair, Freckles and Tan, Inflammation of the Bowels, Scratches in Horses and sore teats in Cows, and all sorts of Fresh Wounds. This Ointment acts directly upon the parts affected, but where there is no inflammation it will produce no effect. Remember, price is only Twenty five cents a box. Each box contains twice as much as ever sold by proprietors of any similar medicine for that price. In severe cases use it freely and frequently. M. S. BARR & Co., 1 Cornhill, Boston, General Agents. Sold by M. W. SKINNER, Charlottetown, Charlottetown, November 9, 1857. 6m.
