RHEUMATISM

BORN.

At Charlottetown, on the 27th inst., to Mr. and Mrs. J. T. Clarkin, a daughter.

To Hotel and Boarding

House Keepers.

If all those who are desirous of accommodating summer tourists and others during the coming season will send their address to THE EXAMINER office we will be happy to compile a list and forward to the different agencies which make a business of furnishing such information to the travelling public. Particulars regarding rates, distance from Charlottetown, surroundings of hotel, mails, nearness to railway and bathing, etc., should be mentioned when writing us.

ADVANCE IN COAL.—We are authorized to state that dealers here have advanced the price of coal to 70 cents per ton all round. The demand for coal at the mines has caused an increase there, and dealers here have had to put up the price also.

A LARGE FUNERAL.—The funeral of the late Major Geo. D. Davison was held this afternoon at three o'clock. The pallbearers were W. S. Stewart, S. W. Crabbe, Charles McGregor, John T. McKenzie, Major Stewart and Capt. D. L. Hooper. The large procession included the Military with two bands, and the Masons and Foresters. The firing party was made up of one hundred men drawn from the 82nd Battalion. Rev. D. B. McLeod was the officiating clergyman.

Miss Murnyan, the milliner for the first families of our tight little Isle. We would like to have a vote of the fashionable ladies of Charlottetown and country who is Charlottetown's best milliner? We are sure our milliner, Miss Murnyan, would be elected at the head of the poll. Miss Murnyan is a hard worker; she only keeps first class assistants and she studies her art. When there is anything new in Paris, London or New York she is the first to have it. She has been years in the millinery business. She was a pupil of the best milliner that Charlottetown has yet produced, her work is the talk of the town. She is now hard at work from 9 a. m. until 11 o'clock p. m. filling her orders. She has six assistants, and nearly all have a vast experience. Every hat is under her supervision before it leaves the work rooms. Miss Murnyan is good enough for us; we never change when we get a good milliner.

Rheumatic! Your cure is absolute

When the Wall between Suffering and Health Seems Impregnable, South American Rheumatic Cure Comes to the Sufferer's Relief "Shells" the Stronghold of Disease.

Drives out the Hostile Forces Breaks the Shackles of Rheumatism's Prisoner--and Guarantees him Perpetual Liberty.

This Great Remedy is Invaluable, Gives Relief in a Few Hours and a Cure in from One to Three Days.

Of all the tortures that disease can inflict upon man perhaps there are none more agonizing than Rheumatism, and its kindred ailments, such as Gout, Lumbago, Neuralgia and Sciatica—and these are no

respecters of persons—they attack the old and young alike.

The active, irritating cause of Rheumatism in all its phases is Uric Acid, a poison that collects in the blood. It is the waste or effete matters of the system, which, from various causes, are not carried away through the natural channels; the joints and muscles become affected; they swell, stiffen and inflame; and the pain and torture of it none can describe but those who have passed through the ordeal of suffering that Rheumatism entails.

In its more acute and inflammatory

form it oftentimes attacks vital parts, such as the heart, and on the evidence of expert testimony it is believed that many cases of sudden death that are today diagnosed as heart failure have really been caused by Rheumatism of the Heart, and it behooves rheumatism sufferers not to dally with so powerful and relentless a foe. It is a relentless disease, but so common that in many cases the suffering is borne unheeded when the patient may be within a step of death.

South American Rheumatic Cure is no respecter of cases. It is a never-failing specific—a panacea for rheumatic sufferers—it enters quickly into the circulation; it drives out the foreign and irritating matter; it starts in at its work of purification, and, as if by magic, pains disappear, joints are reduced to the normal, natural size, stiffness of the muscles makes way to suppleness, and where was a few hours or days at most, all suffering and torture, is the calm of peace that comes after the great struggle. South American Rheumatic Cure has a thousand times made the

erstwhile sufferer discredit that "the days of miracles are past."

The most obstinate, obdurate, acute and chronic forms of rheumatism have been absolutely cured in from one to three days. The remedy is simple and harmless, and leaves no bad after-effects. Here's the testimony of one who ought to know its real worth:

Mrs. R. Eisner, a professional nurse, 92 Cornwallis street, Halifax, N. S., says: "For six years I was a great sufferer from Rheumatism, and while in my profession I met and consulted many prominent physicians as to my case; none of them gave me any treatment that was permanent. I tried many remedies which claimed to be cures, with the same results. I noted the almost magic relief which came to a patient of mine in using South American Rheumatic Cure, and I decided to try it on myself, and I proclaim it here and now a great remedy, the only thing that I ever took that did my rheumatism any noticeable good. When I had completed taking the second bottle I was free from all pain, and although that is some three or four years ago, I have not had the slightest return of it. I do strongly recommend it."

South American Kidney Cure is a searching remedy—it cures permanently and quickly all bladder and kidney ailments. Relieves in six hours.

South American Nerve is a health builder—it acts directly on the nerve centres—good for the stomach— aids digestion—gives tone to the nervous system—richness to the blood.
