Child Injured At Souris

Leo Gallant, six-year-old only son of Mr. and Mrs. Albert Gallant, Souris was struck by a small English car when he ran into the road from between a car and truck, parked in front of St. Mary's Convent school yard. The English car was operated by Charlie Gilks of Clear Springs.

Atlantic Provinces Teachers' Conference

The first Atlantic Provinces Teachers' Conference was held in Halifax, November 25 - 26. The Teachers' Organizations from Newfoundland, New Brunswick, Nova Scotia, and Prince Edward Island were represented by four members each. These together with National President, Forbes Elliot, Saint John, N.B. and National Secretary, George Croskey, Ottawa, made up the group that were in attendance.
The holding of this Atlantic Conference grew out of a desire that these four provinces with such similar conditions and problems should know more about each other. Discussions were held on how each provincial organization is set up and how it operates; teacher enrolment; standards of qualifications; public relations; our money and how we spend it; salaries; pensions; provincial problems; federal aid.
Those attending from Prince Edward Island were: Elmer Pineau, Miss Mabel Matheson, and Miss Estelle Bowness.
