A joint recital under the auspices of the New Haven Harmonic Society was given in New Haven Hall on Thursday night, May 18th, by the Misses Devereux and McQuillan and Messrs McKenzie and Berrigan assisted by the Philharmonic String Quartette. Three selections are worthy of special notice, viz. A duet "I would that my love", (Mendelssohn) by the lady vocalists, another duet, "Sweet and Low", by Messrs McKenzie and Berrigan and an excellent rendering of the classic "Drink to me only with thine eyes, (Mozart) by the String Quartette. The other numbers on the programme were up to the standard and all brought thunderous applause from the large audience. The proceeds were given to the New Haven branch of the A. O. L. Darken Gray Hair, Look Young, Pretty

Sage Tea and Sulphur Darkens So Naturally That Nobody Can Tell

Hair that loses its color and lustre, or when it fades, turns gray, dull and lifeless is caused by a lack of sulphur in the hair. Our grandmother made up a mixture of Sage Tea and Sulphur to keep her locks dark and beautiful and thousands of women and men who value that even color, that beautiful dark shade of hair which is so attractive, use only this old-time recipe.

Nowadays we get this famous mixture improved by the addition of other ingredients by asking at any drug store for a bottle of "Wyeth's Sage and Sulphur Compound," which darkens the hair so naturally, so evenly, that nobody can possibly tell it has been applied. You just dampen a sponge or soft brush with it and draw this through your hair, taking one small strand at a time. By morning the gray hair disappears; but what delights the ladies who use Wyeth's Sage and Sulphur Compound is that, besides beautifully darkening the hair after a few applications, it also brings back the gloss and lustre and gives it an appearance of abundance.

The Government Reduces Tax on Small Boxes of Matches!

The new Government Budget reduces the tax on all boxes containing less than 100 matches.

For example, on a box similar to the Eddy Safety and the Eddy Sesqui, each containing approximately 50 matches, the tax is reduced from one cent to half-a-cent, or \$7.20 per ten-gross case.

The many smokers and other consumers who find the small boxes of Eddy's so convenient will, therefore, benefit by this reduction in tax on these boxes.

Ask for Eddy matches. Look for the name on the box.
