## P. Y. P. S. Conference

was given to sports, followed by a supper at the shore.

The closing service on Monday evening was held in Geddie Memorial Church. A hymn sing was led by Rev. E. H. Bean. The worship service was conducted by Isabel Farquharson. The Scripture lessons, Isaiah 6 :1-8 and John 20: 19-31, were read by Davida MacEachern and Dean Carpenter. Basil Kerwin led in prayer. Mr. Fox delivered his final theme address, "Missionary Call", which is to all those who claim to be His followers. His remarks were based on Isaiah 6:8. In closing Mr. Fox brought out the importance of studying the needs of the mission Fields as we go back to our Young People's Societies, and also how important it is that we consider how we can best serve God that we may, by God's Grace, be able to say like Isaiah 'Here am I Send Me.' Following prayer, the hymn "Jesus Shall Reign Where'er the Sun" was sung.

The officers for the ensuing year were then installed by Rev. M. C. Currie. Report of the Banner Committee was given by David MacKenna, showing that the Banner had been merited by Alberton Society.

Report of the Resolutions Committee was given by Arline Larter as follows: Resolved — That we, as members of the Prince Edward Island Young People's Societies, express our thanksgiving unto Almighty God for His care and protection over us during the past support to every cause that we are year; (2) Give our whole-hearted our Executive; (4) Express our (3) Heartily commend the work of committed to for consideration; sincere thanks to all those who took part in the organizing and conducting of the weekend Conference, including the fine work done by Reverend L. E. Blaikie as Director, Mr. Douglas Fox for his inspiring theme addresses, and to Mrs. Fox for her help and co-operation and then to Reverend E. H Bean, Reverend M. C. Currie and to Mrs. Adams, Mr. MacLeod, Mr. Campbell and Maureen Forbes, who rendered invaluable assistance in helping to make this weekend possible; (5) Appreciation to the Session of Geddie Memorial Church for the use of the Church building for the morning communion service and our services of worship.

The Benediction by Rev. E. H Bean brought to a close a very challenging and instructive Conference and Rally.

## Family Reunion

Among the many visitors to P. E. Island this summer were Mr. and Mrs. Edward Stolder from California; and Mr. and Mrs. Arthur Elberg from Sacramento, California; also Mrs. Neil Simpson from Vancouver, B. C.; and Mrs. Stolder's sister who is making her 19th trip to the Island since leaving it a good many years ago.

They are the daughters of the late Angus and Sarah MacLeod of Brookfield. Of a family of twelve of whom nine are living, all but two were here for a reunion — Angus MacLeod, Cambridge, Mass., and Mrs. Harold Rogers, Seattle, Washington.

It was the first visit here for Mr. and Mrs. Elberg and Mr. Stolder; they were all charmed with the beauty of the Island. Mr. Stolder who has travelled extensively in his business, said it was beyond all his expectations. In all his travels he had never seen anything like it.

Mrs. Elberg, who is a cousin of Mrs. Stolder and Mrs. Simpson was thrilled at meeting all her cousins for the first time.

A gathering of the clans took place at her father's old home in Brookfield which was the old MacKinnon home, occupied now by the late Finlay MacKinnon's daughter, Flora MacLeod.

Present were eight first cousins, Mrs. Elberg, the daughter of the late Dan MacKinnon, five daughters of the late Sarah MacKinnon (MacLeod) and a daughter of the late John MacKinnon, also several second cousins.

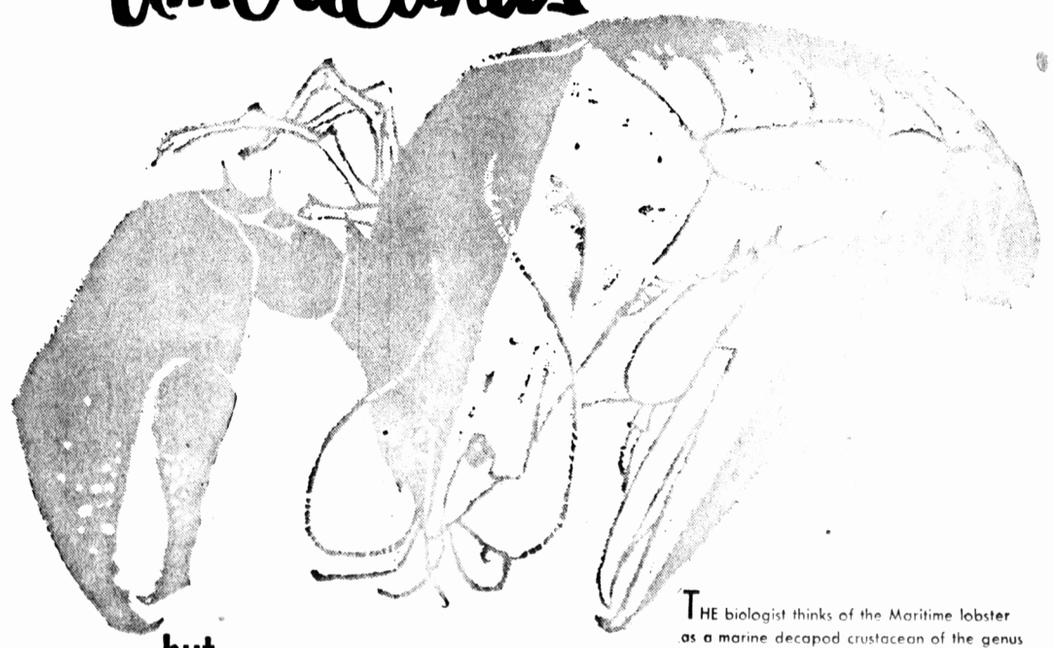
The October meeting will be held at the home of Mrs. Clayton Morrison.

# Homarus Americanus

**to the biologist —**



**but**

**GOOD TIMES— GOOD LIVING—**

**to you**

THE biologist thinks of the Maritime lobster as a marine decapod crustacean of the genus Homarus americanus. But to most Maritimers the lobster is a source of income . . . the way to good living conditions and security.

If the lobsterman has a good catch, the whole community feels his success . . . the grocery store, the dress shop, the appliance store, the doctor, the dentist, the insurance agent and many others, all benefit. A poor catch means poor business—hard times.

The only way to make sure of good catches—season after season—is to plan for them now. For instance, shorts left in the water till next year will grow 50% heavier and 15% longer, and they'll bring a better price. And one "berried" lobster producing eggs is more valuable than one "berried" lobster—dead.

Maritimers are sensible, far-seeing, thinking people. They know it pays to take the long view. And that's what conservation really is . . . planning today for tomorrow . . . planning for better catches and good times for everyone.

**YOUR CHILD MAY HAVE PIN-WORMS**

***1 OUT OF 3 DOES!***

Fidgeting, nose-picking and a tormenting rectal itch are often tell-tale signs of Pin-Worms . . . ugly parasites that medical experts say infest *one out of every three* persons examined. Entire families may be victims and not know it.

To get rid of Pin-Worms, these pests must not only be killed, but killed in the large intestine where they live and multiply. That's exactly what Jayne's P-W tablets do . . . and here's how they do it:

*First*—a scientific coating carries the tablets into the bowels before they dissolve. *Then*—Jayne's medically-approved Increcipient goes right to work—*kills* Pin-Worms quickly and easily.

Don't take chances with this dangerous, highly contagious condition. Get genuine Jayne's P-W Vermifuge . . . small, easy-to-take tablets . . . *special sizes* for children and adults. Perfected by Dr. D. Jayne & Son, specialists in worm remedies for 100 years.
