THE couriers, with thirty bags of mail matter, arrived at Cape Traverse at 12 o'clock today.

By telegraph to Peake Bros. & Co., we learn that the steamer "Prince Edward" arrived at New Orleans to-day.

By cable to L. C. Owen, barque *Lucy Pope*, McDonald master, arrived at Sligo on the 6th inst., from Baltimore.

CHARITY.—We trust that our citizens, who are never backward when appeals are made for charitable purposes, will not fail to generously patronize the Masonic Entertainment, which will be held in the Market Hall, on Monday evening next.

PINAFORE.—We are informed that Messrs. Bairnsfather and Morris, of Summerside, are to take part in the Masonic Entertainment on Monday evening next, and will treat the audience to selections from Pinafore. We are sure our music-loving citizens will be glad to know this. The gentlemen named are musicians of established reputation at Summerside.

THE *Northern Light* which left Pictou harbor at 7 o'clock Friday morning, arrived at Georgetown on Saturday morning at 8 o'clock, in time to meet the train for Charlottetown. The Gulf was full of heavy ice. She brings a large number of passengers, among them a company of nine persons, on the staff of *Meacham's Atlas*,—also the Inspector of Fisheries, who has been absent from the Island for some weeks, on business of the Department to which he belongs. Her freight apartments were quite full.

ST. PAUL'S CHURCH ASSOCIATION.—L. H. Davies, Esq., occupied the chair last evening, and Rev. D. Fitzgerald read a paper on "Christian Missions to the Heathen." Mr. Fitzgerald referred to the state of the Gentile world when Christ was born, the authority for missions, the earliest missionaries, the motive power for missionary work, the lapse of time before any systematic effort to convert the Heathen was made, the circumstances which led to the formation of the first Christian Missionary Society, the state of the world at the time, how the missionary story was received, the inadequacy of the means to the magnitude of the work, and the work yet to be performed, etc., the whole forming a very interesting discourse. A lively debate followed. Rev. Mr. Osborne, F. W. Hales, Charles Palmer, Fredk. Peters, Arthur Peters, Thomas Williams, Lieut. Dixon and others took part. The paper to be read on Friday evening next, is on Ritual in Worship—by Lieutenant Dixon.

MY WIFE suffered with prolapsus uteri, fluo albus, complicated with other female troubles. Her life was miserable. Rev. Guy S. Frazey, of the Methodist Church, advised me to try Giles' Liniment Iodide Ammonia, he telling me of the wonders it had performed on his wife, who was a martyr to such troubles, and is now well. I obtained the Liniment, and my wife is cured. Charles R. Jones, Editor *Observer*, Charlotte, N. C. Writes to DR. GILES, 120 West Broadway, N. Y., who will cure without charge. Giles' Pills cure Gout. Sold by W. R. Watson. Trial bottles 25 cents.

Astonishing Success.

It is the duty of every person who has used Boschee's German Syrup to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor dying consumptive, at least to try one bottle, as 40,000 dozen bottles were sold last year, and no one case where it failed was reported. Such a medicine as the German Syrup cannot be too widely known. Ask your Druggist about it. Sample Bottles to try sold at 10 cents. Regular size 75 cents. For sale by all Druggists.

LORNE HIGHLAND WHISKY.
THE ANALYTICAL SANITARY INSTITUTION, 54, Holborn-viaduct, E. C., London, Aug. 18, 1879, report on the "Lorne Highland Whisky" of Messrs. Greenlees Brothers:—

"We have visited the bottling stores of Messrs. Greenlees Brothers, at Gresham-buildings, London, and have selected from the vats, samples of their Lorne Highland Whisky, and have subjected them to careful examination and analysis. The samples were pale, showing their freedom from added coloring matter, very fragrant, mellow and of pleasant flavor; in fact, they possessed all the characteristics of pure and well-matured Scotch Whiskey of the first quality."
