

# 151 Teachers Register At First Convention Session

**SUMMERSIDE BUREAU OF THE GUARDIAN**  
Approximately 151 teachers registered at the first session of the teachers convention held in the civic auditorium here yesterday.

The president Lorne Moase presided. The following committees were appointed: Press, Miss Joan Compton and Miss Carrie Thomson; resolutions, Norman MacDonald, Sr. Mary of Carmel, and Mrs. Duncan Picketts; nominations, Elmer Power and Miss Ione Wright; question box, Mrs. Irene Easton and Miss Phyllis Britton.

The president welcomed those present and expressed a wish that the teachers would find this convention practical and worthwhile.

The president introduced Mrs. Matilda Richard who gave a demonstration on the teaching of French pronunciation.

She stated that records were of great value in the teaching of French. She urged teachers to use familiar expressions and objects in teaching elementary French.

### MUST EQUIP SCHOOLS

An address was given by Malcolm MacKenzie, the deputy minister and director of education. He stated that "to obtain a sound educational system, we must have well equipped schools, a continually changing and evolving curriculum to meet the needs of modern youth, and a plentiful supply of well qualified teachers."

He pointed out the changes in the academic qualification and salaries of teachers. Students desirous of taking teacher training can obtain a grant of \$200 plus a loan of \$300. The grant is given under the condition that they teach two years within the province, and the loan is payable after they begin to teach.

He said there would be no change in curriculum this year but committees would be working on proposed changes in French and history.

### PROMOTE RED CROSS

Mrs. Marie Devlin, provincial director of Junior Red Cross, congratulated the teachers on the great work they were doing to promote Junior Red Cross in the schools. She reminded teachers to make use of the Red Cross Week, September 21-27, to publicize the work and growth of Junior Red Cross.

She introduced Miss Catherine Logan, Summerside High School, who told of her trip to the Red Cross training centre at King's College School, Windsor, N.S. She outlined the activities which included work, learning, fun, and new friendships. This was attended by representatives from various centres throughout Eastern Canada and also one from England.

The following teachers were elected to the Board of Governors: Mrs. Marjorie Champion, Elmer Power, and Sr. Mary Eugene.

The afternoon session opened with an address by the local president, Lorne Moase. He asked for a period of silence in memory of the following teachers who passed away during the year: Elmer Pineau, Gordon Rice, and Mrs. Leona Cameron.

He reviewed the activities of the Summerside local for the year, which included workshops held at Summerside, Kensington, Borden, and Kinkora. He said workshops could be more effective if the teachers would get to know each other better.

### PHYSICAL EDUCATION

J. W. Murphy, 2nd vice president, thanked Mr. Moase for the capable way in which he carried out his duty as president of the teachers local.

Charles Ballem gave a talk on the value of physical education in the classroom. He said that there was not enough stress laid upon physical education on the Island.

He mentioned that European children were far more physically fit than Canadians due to more emphasis placed on this subject.

He gave several demonstrations of physical training using teachers as a typical class. He said the prime object of physical education was to produce physically fit persons with emotional stability and mental alertness.

C. B. Jelly, regional supervisor, urged teachers to be prompt in returning the various reports and questionnaires from time to time. He reminded teachers to keep control of their class and said that pupils will respect a teacher that disciplines them much more than one who lets them do as they wish.

Sessions resume this morning at 9.30.

### MAKES FINAL DELIVERIES

Making his last paper deliveries today after three years as a Guardian carrier boy, Lorne Campbell is vacating his paper route for weekend employment with a Summerside firm while continuing his studies as a grade 11 student at Summerside High School. Commencing his paper route three years ago, Lorne, who is now 16, was a familiar and popular lad with all the customers to whom he provided faithful paper deliveries along Beattie Avenue, North Granville Street, Schurman Avenue, Victoria Road, and Coronation Avenue.

This route has been serviced by the Campbell family for several years, Lorne having acquired it from his brother Clarence who previously made deliveries of the

### Light Docket At Police Court

SUMMERSIDE — Only a small docket faced Magistrate R.S. Hinton at Police Court here Monday morning.

An Enmore man was fined \$20 and costs for being intoxicated in a public place. A visitor from Quebec paid the same fine after pleading guilty to a similar offense. A horn blower from Borden was assessed a \$5 fine.

### Lions Organizer To Visit Meeting At Kensington

SUMMERSIDE — Eric Jessome, zone chairman region three (Lions International) learned by phone yesterday that Kelvin Welch, Lions International organizer, who chartered the Kensington club in 1954 will be visiting with the members of the Kensington club at their regular dinner meeting Wednesday evening at 6:15 in the High School auditorium.

Mr. Welch, who has chartered Lion's clubs all over North America, last visited Kensington in 1954. In his phone conversation with zone chairman Eric Jessome, he stated that his itinerary did not include a visit to Prince Edward Island but that he and his wife had so many fond memories of their last visit that they had decided to come although it meant driving about 200 miles out of his way.

Club members are very enthusiastic over Lion Kelvin's proposed visit and it is expected that Lions from all other clubs in the Province will avail themselves of this opportunity to meet him.

District deputy governor Gordon Kelly of Summerside will be present as well as past district governor and international councillor, Joseph Maun of Moncton, N.B.

### Douglas Guest Speaker At Legion Meeting

SUMMERSIDE — John H. Douglas, of Mount Stewart, honorary treasurer of the Provincial Command of the Canadian Legion will be guest speaker at the regular monthly meeting of the Summerside Branch Canadian Legion held last evening in the home.

President Ben Champion presided. Mr. Douglas was Provincial Legion representative to the Canadian Legion Sports Training Plan held at the Canadian National Exhibition in Toronto last week in August and accompanied local track star Mike Scott and coach Charlie Ballem.

Mr. Douglas explained the Legion sponsored training plan to the meeting which he said is designed as a program for the youth of Canada. He later presented Mike Scott and Coach Ballem with handsome crests that were awarded to all athletes who took part in the program.

### Fire Razes Barn, Shed

NORTH TRYON — Fire yesterday afternoon destroyed a medium size barn and small shed here the property of Mr. and Mrs. Reg MacLean.

Thought to have started from a spark from the house fire which landed on the roof, the fire was fanned by the high wind and in a short time had burned the building to the ground, taking with it a small adjacent shed.

The house, only a short distance away, also caught two or three times, but with the help of many neighbors and the Victoria fire department, it was saved from destruction. Several pigs and a quantity of poultry housed in the barn were also saved. Two stoves, bicycles and some wood

### No Progress Reported In Investigation Of Breaks

KENSINGTON — No further progress was reported by police here last night in their investigation of five store breaks over the weekend.

No new clues have been found and the RCMP are now dubious whether or not there actually were any breaks.

The five stores, all of the general merchant or grocery variety, were reported to have been entered early Sunday morning while the town was in darkness due to a burned out fuse in a power transformer which supplies electricity to the business area.

While several windows, doors, and glass in front doors of the stores involved had been smashed, neither cash nor merchandise was reported stolen.

There appeared to be no motive for the breaks and no certainty that the stores have been entered.

The stores involved were MacKenzie and Co., K.L. Waite's, W. H. Darrach, Keir Clark and Sons and W.S. MacLean's.

Kensington policeman, Joseph Flynn, and RCMP are continuing the investigation.

### Truck Collision Sends Driver To Hospital

SUMMERSIDE — A two-truck collision on Granville Street yesterday before five o'clock yesterday afternoon resulted in one driver receiving medical attention at Prince County Hospital and extensive damage to both vehicles.

Jerry Doucette, Summerside, owner and driver of a Mercury half-ton was treated at the hospital for a bruise to the head but was not detained, after his vehicle collided with a Dodge gravel truck driven by Arnett Stewart, Carleton at the intersection of Notre Dame and Granville Streets.

Mr. Doucette was coming off Notre Dame onto Granville while the large gravel truck was proceeding south on Granville when the accident occurred.

### Facing Elimination, Cape Traverse Downs Legion 4-1

SUMMERSIDE—Cape Traverse softball team stayed in the thick of the final series for the Prince County softball championship, beating Legion at Queen Elizabeth Park last evening by the score of 4-1. Legion now leads best of five series two games to one.

From a fielding standpoint the game was one of the best seen in Summerside this season. Sparkling catches were the order of the evening. Perhaps the best play was when third sacker Don MacFarlane leaned over a wire fence to snare a foul ball and then peg to first to catch a runner off the initial sack, for a well-executed double play. Catcher Gord Cutcliffe went back to pluck Joe Bernard's foul fly inches from the ground.

Dale MacWilliams made a smart catch of Des Callaghan's foul, Ray Barrett in short field raced far to his right to grab Bill Stull's broken-bat looping drive to left field, and Legion's three outfielders, Henry Gallant, Don MacDougall, and Art Somer all made fine running catches.

MacDougall led the Legion attack with two drag bunts down the first base line in three trips. Des Roberts hit 2 for 4, and Bill Stull poked out a double in 3 tries. For the Cape, George

were lost. There was no machinery or crop in the barn at the time.

It is understood the loss is partly covered by insurance.
