

Pale and Sallow Girls.

The great frequency with which pale, sallow and enfeebled girls are met young-days is cause for genuine alarm. The young girls of the present generation are not the healthy, robust, rosy lassies their mothers and grandmothers were before them.

Dyspeptics will Rejoice.

Attention is called to the advertisement of "Dyspeptics" which appears to day. "Dyspeptics" has been a valuable remedy for a number of years in St. John, and without any advertising, has become well known in nearly every part of the Maritime Provinces.

SCRATCHED 28 YEARS

A Scaly, Itching, Skin Disease with Endless Suffering Cured by Cuticura Remedies.

If I had known of the CUTICURA REMEDIES twenty-eight years ago, it would have saved me an immense amount of suffering. My disease (psoriasis) commenced on my head in a spot not larger than a cent. It spread rapidly all over my body, and got under my nails. The season would drop off of me all the time, and my suffering was endless, and without relief. One thousand dollars would not tempt me to have this disease over again. I am a poor man, but feel free to be relieved of what some of the doctors said was leprosy, some ringworm, psoriasis, etc. I cannot praise the CUTICURA REMEDIES too much. They have made my skin as clear and free from scales as a baby's. All I had to do was to use them. If you had been here and said you would have cured me for \$200.00, you would have had the money. I looked like the picture (No. 3, page 47) in your book, "How to Cure Skin Diseases," but now I am as clear as any person ever was. Through force of habit I rub my hands over my arms and legs to scratch once in a while, but to no purpose. I am all well. I scratched twenty-eight years, and it got to be a kind of second nature to me. I thank you a thousand times. DENNIS DOWNING, Waterbury, Vt.
