

Mickey Apologizes For Oversight

Pax Jobiscum

Ladies, the war is over, the battle of the sexes is terminated, yours is the victorious gender. Herewith please find my unconditional surrender. Although I lay down my arms, although I am now only a missile without a warhead, I am neither a crybaby or a sorehead. I realize that for centuries, for ages, yes, for eons, you were our vassals, our slaves, our peons. We grew complacent, we grew lazy and slumberous; Little did we reckon that you were preparing to outnumber us.....

Ogden Nash

After last week's column, which we considered over-long, we had intended to touch slightly on a few other topics. Shortly after the Cadre came out we started receiving the abuse which gave rise to the above lines we had postponed mentioning Ladies' athletics but don't we realize they pay the same student and athletic fees as men? Up to this time we have not been physically assaulted but we are sneaking about the campus in fear. We can't get around to everything and, honesy Ladies, if you'll keep us posted we won't neglect you ever again. We'll also attend as many events as we can. We Promise. Field Hockey. Last season we finished 2nd in our section and lost both playoff games by close 1-0 scores.. one to league champions Dalhousie and the other to the sectional champions, UNB. This year we will have 9 returning players including last year's M.V.P. Janet Trainor and goalie Sandra Dunsford who had 4 shutouts to her credit last season. Last year's coach, Barb Mullally, has received a year's leave of absence and is attending Dalhousie for futher education. Her place

is being taken by Lynn Crosby..... no stranger to U.P.E.I. athletics or Lady Panthers. Lynn is a former U.P.E.I. Field Hockey M.V.P. and a two-time winner of the Female-Athlete-of-the-Year award. Her playing experience and enthusiasm should give the Lady Panthers excellent leadership. We would like to stress the point that the Lady Panthers deserve the same interest that is accorded the Male Panthers. They are a U.P.E.I. team & should be supported. The first home game is on 27 Sept. against U. of Moncton so get out there & cheer them on.

Ladies' Basketball Lynn Crosby's team will certainly miss Sue Cosh who has gone to U.N.B. and Rose King who graduated but will have Janet Trainor, last year's leading scorer as well as 7 other returnees. Lynn expects good competition for the 4 remaining openings which will be filled by rookies. Last year's team missed the playoffs by only one game and, with the experience gained, are hopeful of improving their position this season.

Bus Trips Kevin Newan, Chairman of the Social Committee, has asked about pos-

sible bus trips to football games so we dug up some information, which we now pass on to you. Figuring on Fredericton for the important U.N.B. game:
Return hire of the bus, 446mi @ 35¢ per mi--\$156.10
Driver 15 hrs @ \$4.40--66.00
Driver's meals (est) -- 6.00
Passenger's boat fare--55.90
Bus fare --10.00
Campus Police (2) --30.00
\$324.00

A bus can only seat about 40 so, as you can see, the charge would have to be at least \$8.00 per person.... if we could get it filled with students. If enough students get down to the Student Union Office by Wednesday the 4th by 5:00p.m. & pass along \$8.00 apiece (no promises please.... we got stuck with those before) the Student Union will be glad to make the arrangements. Upcoming: Away...Field Hockey at U.N.B. on the 19th & 20th...Soccer at the same places on the same dates. Football at U.N.B. on the 27th..at home Field Hockey against Moncton on the 27th &, in Soccer, M.U.N. here on the 27th & 28th.

IS IT SAFE TO VENTURE FROM MY HIDING PLACE??
