8:00 -1:00 Casino Night With SOUND WAVES	8:00-1:00am Theme Dance	

Shinerama is a very unique fundraising campaign put on by the Canadian Cystic Fibrosis Foundation. Every fall the incoming freshman from universities and colleges all across Canada go out and shine shoes with all the proceeds going to the CCFE for research.

Cystic Fibrosis (CF) is a life-threatening hereditary disease affecting children and adults. It attacks primarily the lungs and the digestive system.

-cystic fibrosis takes the lives of more Canadian children than any other inherited disease. -one in 20 Canadians carries the gene for cystic fibrosis. -there is no known cure of control for cystic fibrosis. -those living with CF must undergo rigorous treatment programs everyday just to remain alive.

This year our campaign at UPEI is going to be the biggest and best yet. Everything gets started on Monday September 5 with the departure of a hot air balloon

displaying the "Shinerama" on its side. This will leave from MacAdam Field for its voyage over the city.

Shinerama Day is slated for Wednesday Sept 7, this is the day that the Frosh go out and shine shoes, they will be spread across the Island in Montague, Charlottetown, and Summerside.

Our '88 campaign wraps up the following week with the Shinerama Pace held at the CDP. This is scheduled for Thursday Sept 15, and this year Chevy's has generously agreed to take full sponsorship of the race.

As a little added incentive this year, the president of the Student Union, Dean MacMillan, and myself are offering a bit of a challenge to everyone participating in Shinerama. If \$ 6000.00 is raised on Shinerama Day by students of UPEI, we will dye our hair to match our school colors — GREEN!

John MacDonald
Chairman UPEI Shinerama

DON'T FORGET!

Thursday Night

7:00-9:00
Frosh Banquet

Gumbota

Casino Night

Mock Olympics

What is it? Good Question!

Well, it's another new event - but it's certainly the ONE to miss.

This event has replaced the traditional feared "initiation", and has made Frosh Week '88 an all around, exciting, wacky, outrageous, informative event - it's uniquely GUMBOTA.

It's everyone's chance to let out all our frustrations about university, and just get crazy.

There is a little bit of kid in us all!

We'll all be a part of and we'll all have an awesome time!

But don't take our word for it! -Come see for yourself! Your curiosity must be unbearable.

On Monday night, September 5th, we will be having a casino night, There will be lots of casino wheels, a roulette table, and a blackjack table. Along with that, *Sights and Sounds* will be providing music for those of you who chose not to gamble. There will also be lots of food to add a carnival flavour. On Tuesday night, the fun continues with a theme dance. This year's theme goes along with the theme of Orientation 1988, "I went dry at UPEI". So use your imagination and think of how you would dress to travel across the desert. There will be lots of music and lots of dancing.

This is only a sample of the activities planned, so be sure you get involved and make your first week at UPEI one you'll remember.

Welcome to Frosh Week. On Tuesday, September 6, between 1:00 and 5:00 we are offering a great chance to pick up lots of points and put our color team in the lead. There are five challenging stations waiting for you. How would you like to play soccer with a six-foot push-ball?

Or perhaps you like tug-o-war...on a wet banana?!? Could you and your friend run 50 yards with a water balloon between your hips? We're added something new to the traditional sack race, which is the fourth event, but we are keeping the fifth a surprise.

Don't wear restrictive clothing; shorts and your frosh shirt are great. See you at the Barn.

Parents Reception

Another first and an event that we feel makes Orientation complete! It's a reception for the parents of upcoming freshman.

A chance for them to get questions answered to that you never answer for them.

Parents are usually left in the dark about UPEI and university life in general.

We are going to tell them the truth (sort of) and give them a chance to see the campus for themselves. They'll meet the faculty that will be educating you over the next 4 years.

Following the reception at 7:00pm will be a tour of the campus and a special tour of the Vet College.

Walk Rally

The walk rally is a chance for you, the freshman, to get acquainted with your own campus.

Teams of four people are given routes to follow. There are several stations to check in at and zany activities to perform. The teams with the best times win and everybody who enters will receive points toward their week's total.

So get out there and familiarize yourself with your new home away from home; and have fun at the same time.

TIME: Monday 10:00am
PLACE: Outside "The Barn"
