

Victory Predicted By Gordon

OTTAWA (CP) — The Nov. 8 election is quite different from the 1962 and 1963 vote, Finance Minister Gordon said Tuesday. Talking over old elections at the Liberals' weekly press briefing, Mr. Gordon, his party's campaign chairman, said the 1963 vote was really the second half of the 1962 election.

In 1962 the huge Conservative majority was reduced, leaving the Diefenbaker government in a minority position in Parliament. Mr. Gordon said that Mr. Diefenbaker was really "beaten in 1962" by and large. "The only question in the 1963 vote was whether the Liberals would get a majority, Mr. Gordon said he did not expect one, and they didn't."

BE CONFIDENT. This election is different, he said, as the Liberals seek a majority to continue their program. "I think we'll get it," he said. He said there is no exciting emotional issue in the Nov. 8 campaign. He had campaigned in his own riding of Toronto Davenport for five hours Saturday and the electorate understands why an election was called, he said.

"I was surprised how well they had sized up the situation," he said.

Asked if he thought Premier Lesage of Quebec would endorse the federal Liberal party in this campaign, Mr. Gordon said dryly:

"I haven't seen any disposition on his part to repudiate it."

Ford Announces Price Reduction

TORONTO (CP)—Ford Motor Co. of Canada Ltd. has announced price cuts for its 1966 cars.

The cuts follow similar moves by Chrysler of Canada and General Motors of Canada.

Average reduction, Ford says, is \$62 on each Canadian-built passenger car.

Some typical price cuts from comparably-equipped 1965 models are: Fairlane 4-door sedan, \$46.10; Meteor Rideau 4-door sedan, \$71.50 and Falcon Futura 2-door sedan, \$108.40.

HOUSE DAMAGED

TORONTO (CP)—The fate of a 125-year-old house which Canada's first prime minister, Sir John A. Macdonald, once rented for a year remained uncertain after a fire damaged the back of it Tuesday. The house, at 399 Sherbourne St., has been the centre of a controversy after plans were disclosed to buy it and raze it for a parking lot. But some have sought its preservation as a national monument.

FIX CAMPAIGN DATE

OTTAWA (CP) — Safe-Driving Week, the annual Canadian highway safety council-sponsored campaign introducing a month of increased police vigilance against the hazards of the holiday season, will be held Dec. 1 to 7.
