Math And Computer Science Society Elections

**Friday, March 30
1:30 PM
Memorial 115**

The Math and Computer Science Society will be holding elections for the positions of President, Vice President, and Secretary. All Math and Computer Science majors are urged to attend. This is going to be your executive, it's up to you to make sure the right person gets picked for the right job. Following the elections, Patrice Sawyer will be featured at the Friday Afternoon seminar, followed by coffee and drinks in the Lounge.

Please note that you don't have to be a Math or Computer Science major this year, you only need be planning to be confirmed in one or both of these faculties. This includes those people who are planning a double major which includes Math or Computer Science.

All Math and Computer Science graduates are reminded that a group photo will be taken in the Math and CS lounge at 1:15 PM. All are asked to attend so they may be immortalized.

Notice to Students

All students who plan to return as full-time student to UPEI in September, 1990 are requested to complete an application form at the Registrar's Office before they leave for the summer.

All students who complete an application form and are eligible to return may then pre-register during the summer. Pre-registration material is not processed unless the student completes the above form and is eligible to return.
