New Events Planned By PASS

PASS, the newest society on campus held several very successful events in September, including psychology themed trivia, a movie night and a teachers vs. students beach volleyball game. President Colin Campbell says there are more fun

events planned for the upcoming months.

"We're having a beer and black light bowling night as a faculty vs. student event. The night will start at a bar, then bowling, then it will most likely end at the Old Dublin." Students who are underage can still come out

for bowling. Another movie night is also planned. It will be hosted by Professor Greer and will have a Halloween theme. Finally, the society will be hosting a small top secret fundraiser in late October. PASS members are enjoying themselves at all of the events, and the enthusiasm levels seem high.

Campbell is certain that numbers will only increase as the events grow more and more elaborate. "We'll be having a few events in the upcoming months that will hopefully draw large numbers. Our new web site will be up and running in a few days, and can be reached through UPEI'S Psychology Department web site"

For five years the UPEI Dodgeball Society has been in action and arguably the most active society on campus, meeting on a weekly basis of 6-8p.m. on Sundays in the sports centre. Throughout the years here at Dodgeball we've had numerous presidents and co-presidents that have helped us progress, I'd like to thank Josh Simon & Dan McRae as the first presidents, and getting myself and so many others involved in Dodgeball. After that, we had another co-presidency with Devin Gillis and Dave Maloney, who

continued the Dodgeball tradition and finally this year, Kristoffer Lund and Kevin Hodgson have taken on the task of keeping with this fine campus tradition.

Over the years at Dodgeball we've received a number of questions. I'll try my best to explain them here.

Q: When does Dodgeball meet?

A: Sundays 6-8 p.m. in the Sports Centre unless otherwise informed via the email list

Q: How do I get on the e-mail list?

A: Send an email to dodgeballupe@gmail.com and ask!

Q: How much money does it cost?

A: Dodgeball is free! (For UPEI students, for non-students there is a fee of 20 dollars now associated due to the new intramural program in place by the Sports Centre.)

Q: You guys seem pretty intense, has anyone ever been hurt?

A: Well, we've had two major injuries in our five years to my knowledge.

Dodgeball is meant for everyone though, and it's only as intense as

you make it for yourself, so don't worry about getting hurt unless you want to get hurt.

Q: I hear you guys have tournaments, is this true?

A: Yep. On occasion we will host a tournament and all are welcome to attend. When the time comes for another Dodgeball tournament you will see posters announcing such a tremendous event.

Q: Does Dodgeball run in the summer?

A: Yep, same time as always, 6-8pm Sundays.
