

Odds and Ends

The braver a soldier is the more important it is that he should learn to obey orders. The higher the standard of piety is raised, the hotter will be the devil's fire against it. Only three rich men are referred to as such in the New Testament, and two of them were lost. The man who knows that his house is built on the sand always troubles when he hears it thunder. No man makes much headway in following Christ, who knows nothing about him except by hearsay. The right kind of religion is love with its coat of oil, doing its best to help somebody. Have you got it? Sitings: Young wife—"Don't you consider marriage a means of grace, George?" Young Husband (who has already been forced to play second fiddle in the household)—"Yes, anything is a means of grace that leads to repentance."

The originator of Estey's Emulsion spent several years of his life in perfecting this preparation. Not a bottle of it was put on the market until he was satisfied that it was the best ever introduced for the cure of coughs, colds, bronchitis and all wasting diseases. Thousands of bottles have been sold, and he has never heard a complaint regarding it. An old smoker declares that he has been using "Myrtle Navy" tobacco ever since the second year of its manufacture and that during that time he has never suffered from a blistered tongue or parched throat or any other of the unpleasant effects which most tobaccos will leave behind them. His experience, he says, is that no other tobacco which he has ever tried is quite its equal and that in value for the money "no other comes anywhere near it."

At Lloyd's. That's what they say about a seaworthy ship. Al-In the affections of the women of Canada. That's what can be said of Lessive Phenix. Of course you don't use the old washing powder now. That might have been excusable before you know of Lessive Phenix. What a wonderful thing that Lessive Phenix is! Cleans anything and everything. Cleans your clothes, cleans your silverware, and cleans your tin or zinc or wooden or glass or earthenware. And so easy to use! Makes the hands soft. Ask your grocer.

FOR OVER FIFTY YEARS Mrs. Winslow's Soothing Syrup has been used by millions of mothers for their children while cutting teeth. It relieves the little sufferer at once; it produces natural, quiet sleep by relieving the child from pain, and the little cherub awakes as "bright as a button." It is very pleasant to taste. It soothes the child, softens the gums, allays all pain, relieves wind, regulates the bowels, and is the best-known remedy for diarrhea, whether arising from teething or other causes. Twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind. 1yr

INCREASE YOUR WEIGHT.—If you are losing flesh and blood, commence at once to use Miller's Emulsion of Cod Liver Oil, which is far ahead of all other preparations of the kind in existence. By taking Miller's Emulsion people gain from 5 to 10 lbs by the time a three bottle course is consumed. It is the greatest blessing of the century to all delicate children, or who suffer with coughs, colds and ailments that tend to consumption. Remember, Miller's Emulsion contains all the constituents found in what. It is used in the hospitals and asylums of the country. In big bottles 50c, and \$1 at Charlottetown drug stores. oct13-t 1/2

THE NEW TOILET GEM.—Philoforma owes its immense success to the fact that it is radically different from any preparation in the market. It is a bland and glycerine liquid, sweetly perfumed, and when applied to the hands and face produces a delicious sense of coolness and comfort, exercising a direct curative action. It is entirely free from the sticky quality of glycerine and the greasy nature of camphor ice or cold cream. Those who are unable to use glycerine, from its irritating effect, Philoforma is a necessity. Those who use it have a beautiful complexion. It is harmless as milk. Sold by druggists everywhere. Price 25 cents. oct13-t 1/2

SAVED! The testimonial below refers to a patient who was pronounced incurable by leading physicians in England: From Rev. Dr. Hill, M. F. Eagar, Esq. HALIFAX, N. S. Dear Sir,—I feel that it is due to you that I should say publicly what I have said privately very many times, namely, that I firmly believe your PHOSPHOLEINE was the means of restoring a near relative of mine to ordinary health. The patient was apparently in the last stages of Consumption, but with the concurrence of skilled physicians your PHOSPHOLEINE was tried, and I am happy to say, with results that I certainly did not anticipate. My friend is to-day in the enjoyment of excellent health. Believe me, yours very truly, GEORGE W. HILL, D. O. L. Rector St. Paul's.

ARE YOU CONVINCED? PHOSPHOLEINE! (Pronounced POS-FO-LEEN). Can be had from all druggists and dealers at 50 cents per bottle. For sale by Geo. E. Hughes and R. Midin Bros., Charlottetown.
