Years of striving, little of play
Loving and giving all the way

And only those who have loved can tell
The pain of parting without farewell.

DAILY MARKET QUOTATIONS

SUMMARY

By THE CANADIAN PRESS

Toronto — Market well down; light trading.

New York—Market lower; industrials down sharply.

Montreal — Market mainly lower; moderate trading.

CURRENCIES

MONTREAL (CP)—The U.S. dollar closed at a premium of 8 3-32 per cent in terms of Canadian funds, down 1-32 from Monday's close. Pound sterling closed at $3.04¼, up 1-16.

NEW YORK

NEW YORK (AP)—Weakness in motors triggered a stock market decline Tuesday and the list sank to a low for the year in The Associated Press average.

Volume rose to 3,020,000 shares from 2,530,000.

The market was mixed in early trading when steels were moderately higher, encouraged by U.S. Steel's strong performance of the previous session. News of a 430,000-share secondary offering of General Motors stock, however, sent GM down for an initial loss of 2¾ from which it recovered partially to close at 53¼, off 1⅝ on 58,300 shares, making it the second most active stock.

Other auto shares sank along with GM, steels gave up their gains and the whole list sagged. Brokers said there was probably some selling of other issues to take up the big offering of GM. At the same time, it was a reminder that under a recent court decision Du Pont must divest itself of its 63,000,000 shares of GM, but the details of that stock has not yet been distributed.

RAILS HOLD LINE

Stockholder ratification of the merger of rails of New York Central and Pennsylvania Railroad was no surprise and the stocks responded indifferently. Pennsylvania easing ¼ and Central gaining ⅛. The U.S. interstate commerce commission must pass upon the deal. The question was raised, however, about Central disposing of its holdings in Baltimore and Ohio and that stock slipped 1¼. Chesapeake and Ohio, which wants to merge with B and O, fell 1⅜.

Stocks retreated in most major divisions and it looked as though the market was making its expected "test" of the previous low in the Dow Jones industrial average, which fell 7.09 to 663.90, remaining above its low for the year.

International Business Machines was hit again by profit-taking and sank 10½ to 459½.

The AP 60 stock average fell 2.20 to its new 1962 low of 244.80 cracking the April 30 low of 245.90.

Korvett was the most active stock, off 2⅝ at 45¼ on 61,600 shares. After second-place GM came U.S. Steel, off ⅜ at 56⅝.

Universal Oil Products was sold heavily because of disappointing earnings and the stock fell 4⅜ to 44⅝. Zerox fell 6⅛. Chrysler 1⅛, Ford 1¼, Reynolds Tobacco 1⅝ and Du Pont 3.

International Nickel was down 1¼, Aluminium Ltd. ⅞ and Dome Mines and McIntyre Porcupine ¾ each. Gainers on the Canadian list included Hudson Bay Mining, up ¾ and Distillers Seagrams, ⅛.

American Exchange prices also declined. Scurry Rainbow Oil was off ⅛ and Fargo Oil 1-16.
