WRITTEN FOR AND TO BE RECITED BY THE WRITER AT A TEMPERANCE DEMONSTRATION IN THE NEW HALL IN MARSHFIELD, ITC ("CROWDED" OUT BY STORMY WEATHER.)

Here in the Marshfield Hall we meet Our fellow-countrymen to greet, And celebrate as best we may The Temperance cause upon this day; And now with feelings waxing warm We hail the banner of Reform, That waving overhead invite All moderate drinkers to unite With us at duty's urgent call, To slay the giant—Alcohol.

You cannot render reason why, This cursed tyrant should not die; O'er many a taper yet he reigns And binds him fast in habits chain. Long has the fiend maintained his place To desolate the human race, And fill the world wherever you go With lamentation and with woe, While widows lone and orphans cry, Down with the monster, let him die.

Yes! let the bloated tyrant die And in oblivion's cavern lie, Prince Edward Island then might be A pattern of sobriety, Where none a stumbling block would lay To trip a brother on the way Or captivate his wavering will, And freely help him down the hill Until with keen remorse and pain, He feels the serpent bite again.

Friends of reform your motto show, Be firm and steady, forward go, Encouraged by this grand review Learn still there's plenty yet to do. But while you labor in the cause Of temperance and gain applause, Deserve'dly you yet may find Another danger peeps behind; Billiards and poker let me say Are dangerous balls for young men's play.

Now while you strive for conscience sake, And every lawful effort make, Rum's baneful influence to destroy Be sure to keep your powder dry; Intemperance militant must yield The palm upon the battle field; Soon thousands one with virtue allied, Will take their stand on vice's side, And from their galling fetters free Sing praises loud for victory.

CHAS. CLUTHE, 113 King St. W., Toronto.

On the Use of Campbell's Wine of Beech-Tree Creosote, in Diseases of the Lungs and Throat.

IN the South of France, where all persons threatened by Phthisis go to be treated; where Doctors Bouchard and Gimbert, the two specialists so highly recommended by public opinion, have experimented with all the proposed medicines against Pulmonary Tuberculosis, it is the one prepared to-day, and that which for ten years past they have finally adopted, after many comparative experiences, based upon the anti-septic method, having specially in view the destruction of the Bacilli.

After a few days' use of the remedy, the expectoration diminishes, and very soon one is pleased to witness the gradual disappearance of the Bacilli, the breaking off of the fever and the rapid recovery of appetite and strength. When instead of confirmed Phthisis, Catarrh or Chronic Bronchitis have to be dealt with, the different forms of which may sometimes give rise to an uncertain diagnosis, they have always been cured. These excellent results need not astonish us, if we consider the lucky natural associations of complete antiseptic and Balsamic principles in the compound we now describe. When our Wine shall have restored health, it will be well not to discontinue its use at once, and at all events to use it again about a fortnight before winter sets in, and at every change of season followed by damp weather.

DIRECTIONS.—A small dessert spoonful three times a day, after each meal, gradually increased to a large dessert spoonful.

N. B.—The use of Cod Liver Oil, as a powerful stimulant to the remedial properties of the Wine, is recommended. Campbell's "Secret" Oil being the best, is the kind which should be taken.

AT LAST!

A Wonderful Vegetable Discovery That Removes the Terrible Results of Overwork.

A True Invigorator.

Weakness and prostration of the nervous system surely follow that overwork and worry which brings sorrow and suffering to so many Canadian homes. The terrible results of nervous weakness, are seen on every hand. Pains in the back, poor and unrefreshing sleep, lack of appetite, dyspepsia, and lost energy and strength, are the first symptoms of more serious and dangerous trouble. This is the way that Paralysis, Paresis and Insanity begin. Do not delay a moment longer, for some time it will be too late to regain your lost health and vitality. Use Painé's Celery Compound now, and the dull eyes will regain their brilliancy, the cheeks will grow rosy, the brain become clear, the nerves strong and steady, your sleep restful and refreshing, appetite good, and health and happiness will take the place of misery and suffering.

A Sabiston, the well known lithographer of Montreal, writes: "In the summer of 1888 I had to work very hard, and was troubled considerably with insomnia (sleeplessness). I resolved to try Painé's Celery Compound, and after taking the contents of two bottles, felt like a new man. A good night's rest gave me strength for the duties of the day, and instead of starting out to business in the morning feeling as if I had completed a day's work instead of being about to commence one I started out in good spirits, feeling fresh and strong. My wife and various friends, to whom I recommended the medicine, have benefited greatly, and in fact Painé's Celery Compound is a household word in our family."

It can be given in a cup of coffee or tea without the knowledge of the person taking it; it is absolutely harmless, and will effect a permanent and speedy cure, whether the patient is a moderate drinker or an alcoholic wreck. It has been given in thousands of cases, and in every instance a permanent cure has followed. It never fails. WHAT WAILS YOU?

Do you feel dull, languid, low-spirited, lifeless, and indescribably miserable, both physically and mentally; experience a sense of fogginess or blurring after eating, or a more or less empty stomach in the morning; tongue coated, bitter or bad taste in mouth, irregular appetite, dizziness, frequent headaches, blurred eyesight, "floating specks" before the eyes, nervous prostration or exhaustion, irritability of temper, hot flushes, increasing weight, chills, constipation, slurred, transient pains here and there, cold feet, drowsiness after meals, wakefulness, or disturbed and unrefreshing sleep, constant, indescribable feeling of dread, or of impending calamity?

If you have all, or any considerable number of these symptoms, you are suffering from that most common of American maladies—Bilious Dyspepsia, or Torpid Liver, associated with Dyspepsia, or Indigestion. The more complicated your disease has become, the greater the number and diversity of symptoms. No matter what stage your disease has reached, Dr. Pierce's Golden Medical Discovery will subdue it, if taken according to directions for a reasonable length of time. If not cured, complications multiply and Complications of the Lungs, Skin Diseases, Heart Disease, Rheumatism, Kidney Disease, or other grave maladies are quite liable to set in at an earlier or later, induce a fatal termination.

Dr. Pierce's Golden Medical Discovery acts powerfully upon the Liver, and through that great blood-purifying organ, cleanses the system of all blood-taints and impurities, from which arise, and are produced, all the various ailments mentioned above. It is equally efficacious in acting upon the Kidneys, and other excretory organs, cleansing, strengthening, and healing their diseases. As an appetizing, restorative, and invigorating medicine, it purifies the blood, thereby building up both flesh and strength. In malarial districts, this wonderful medicine has gained great celebrity in curing Fever and Ague, Chills and Fever, Dumb Ague, and kindred diseases.

Dr. Pierce's Golden Medical Discovery CURES ALL HUMORS, from a common Itch, or Eruption, to the worst Scrofula, Salt-rheum, "Fever-sores," Scaly or Rough Skin, in short, all diseases caused by bad blood are conquered by this powerful, purifying, and invigorating medicine. Great Eating Ulcers rapidly heal under its benign influence. Especially has it manifested its potency in curing Tetter, Eczema, Erysipelas, Boils, Carbuncles, Sores, Erysipelas, Sore Throat, Swelling of the Neck, and Enlarged Glands. Send ten cents in stamps for a large Treatise, with colored plates, on Skin Diseases, or the same amount for a Treatise on Scrofulous Affections.

FOR THE BLOOD IS THE LIFE." Thoroughly cleanse it by using Dr. Pierce's Golden Medical Discovery, and good digestion, a fair skin, buoyant spirits, vital strength and bodily health will be established.

CONSUMPTION, which is Scrofula of the Lungs, is arrested and cured by this remedy, if taken in the earlier stage of the disease. From its marvelous power over this terrible fatal disease, when first offering this now world-famed remedy to the public, Dr. Pierce thought seriously of calling it his "CONSTRICTOR CURE," but considered that name as too restrictive for a medicine which, from its wonderful combination of tonic, or strengthening, alterative, or blood-cleansing, anti-bilious, pectoral, and nutritive properties, is unequalled, not only as a remedy for Consumption, but for all Chronic Diseases of the

Liver, Blood, and Lungs. For Weak Lungs, Spitting of Blood, Shortness of Breath, Chronic Asthma, Bronchitis, Asthma, Severe Coughs, and kindred affections, it is an efficient remedy.

Sold by Druggists, at \$1.00, or Six Bottles for \$5.00.
