Beef Show Is Expected To Be Largest Held Here

Approximately 150 steers from many parts of the province will be trucked into Charlottetown today for the Easter Beef Show which is being held tomorrow afternoon. The animals will weigh in at the Swift Canadian scales on Belmont Street which is close to the Coliseum at the Provincial Exhibition Grounds where the show and sale will be held. The sale of steers will be staged on Friday afternoon starting at one o'clock. The show starts tomorrow at the same time.

It is likely that this will be the biggest show and sale ever held here as there will probably be considerably more than 100 animals entered in the show proper after the culling committee completes its task.

Reviewing briefly the highlights of last year's show and sale, the grand championship was won for the first time by a cross bred steer when Robert steer from Belmont Lot 16 took top honors. The reserve grand champion was Harold Godfrey's Hereford steer from Cornwall. Mr. MacLaurin's steer sold for $1.50 per pound to Dominion Stores for a gross of $1,353, and Mr. Godfrey's reserve grand to Canada Packers for 40 cents per pound and a gross of $366.80.

The champion Angus steer was shown by Harold Proude, Sherwood, the champion Shorthorn by Arnold Macilellan, Summerside, and the champion 4-H club steer by Margie Sanderson, York.

Culling this year will be Vernon Fraser, chief buyer for Canada Packers; Charles Rodgerson, chief buyer for Swifts, and Athol Roberts, Southport who is one of the best known beef cattle authorities in the province.

Managing committee for the show and sale comprised Allison Profitt, Freetown; David Peacock, recently appointed as acting livestock director for the province, and S.C. Wright, deputy minister of agriculture.

In charge of weighing, recording and tagging are Charles Rogerson, David Peacock and Dave Smith, provincial department of agriculture.

In charge of the show and sales rings are Irving MacDonald, York; Jack MacKinnon, Brooklyn; A.H. Mutch and Wilburn Hayden, Cherry Valley.

The banquet will be held in the North River Junior Farmers hall on Thursday evening at 7:30 p.m. In charge will be Dave Ward, Dr. H.H. Kelly, who is also show and sale secretary, and S.C. Wright.

Fred Kitson, North River, David Ward and Graeme Linkletter, both department of agriculture will be bid takers at the sale.

Clerks on the sales will be Victor Williams, Jack Chandler and S.C. Wright, provincial department of agriculture.

All of the steers must be in the big Coliseum by five o'clock this evening, according to the show regulations.

Frank Acorn, Charlottetown will announce the various events on the two-day program.

Summerside Dredging Tenders Close May 12

SUMMERSIDE BUREAU OF THE GUARDIAN

OTTAWA — Tenders for a major dredging operation at Summerside will open April 14 and close May 12, Solicitor General J. Watson MacNaught announced here Tuesday. Mr. MacNaught said the Summerside job will be one of the major marine excavation jobs to be undertaken by the federal department of public works this year. In fact, the project is so extensive, that its benefits are expected to last for about 50 years.

The channel is 5,400 feet long and 280 feet wide and will be dredged to a grade depth of 22 feet. This will necessitate the excavation of about 200,000 cubic yards of mud.

While there has been some dredging at Summerside in the past, it is 1912 since such a large program has been attempted.

Mr. MacNaught said it should provide Summerside with one of the finest harbors and enable ships to enter and leave the Prince County capital at both high and low tides.

"Most of the potatoes grown in Prince are shipped from Summerside and the larger potato boats have had some difficulty sailing at low tide when loaded. This difficulty will be eliminated once the dredging is completed," Mr. MacNaught said.

Mr. MacNaught said he considers that securing of this large dredging appropriation to be second only in importance to the retention of RCAF station at Summerside.
