

Bums Snap Losing Streak Red Sox And Yankees Lose

PITTSBURGH (AP)—Brooklyn Dodgers snapped a three-game losing streak with a 4-2 victory over Pittsburgh Pirates Friday night.

Danny McDevitt, Brooklyn's rookie southpaw, was credited with his fifth victory against one defeat although he needed help to put down a mild ninth-inning uprising.

Duke Snider, back in the Brooklyn lineup after missing six games with a bad knee, hit a solo homer in the eighth, his 27th of the year.

BOSTON (AP)—Washington's Pedro Ramos, long time Red Sox tormentor, hurled a six hit, 8-0 victory over Boston Friday night for the Senators' seventh triumph in their last eight games. First baseman Art Sertich drove in four runs.

Ramos has an 11-3 lifetime record against the Sox.

The lean right-hander was assured his ninth victory of the season when the Senators shelled Boston ace Tommy Brewer with a four-run uprising in the eighth inning.

BALTIMORE (AP)—Bob Nieman snapped out of a slump Friday night with a home run and two doubles as he drove in all

the runs for Baltimore Orioles in a 4-3 victory over New York Yankees.

The loss, third straight and fourth in their last five games, left the Yanks four games ahead of second-place Chicago in the American League standings.

Nieman slugged his 10th homer in the fourth off loser Whitey Ford and hit a base-clearing double in the sixth following singles by Billy Gardner and Bob Boyd and a walk to George Kell.

NEW YORK (AP)—Right-hander Ray Crone gained his first victory since June 18 Friday, beating Philadelphia 6-2 with a five-hitter as New York Giants won their fourth in a row and tagged Robin Roberts with his 15th defeat.

It was only the second victory as a Giant for Crone, who came to New York with a 3-1 record in the Red Schoendienst deal with Milwaukee June 15. Crone now is 5-6.

CLEVELAND (AP)—Billy Martin's single in the 13th inning scored Bob Cerv from second base and led Kansas City Athletics to a 3-2 victory over Cleveland Indians Friday night.

The defeat dropped the Indians into fifth place, a half game behind Baltimore Orioles.

ST. LOUIS (AP)—Milwaukee treaked to the biggest lead in the National League this season—3½ games—as Bob Buhl, backed by an 18-hit cannonading, subdued the second-place St. Louis Cardinals Friday night 12-2.

It was Buhl's fifth victory in a row and the Braves' fifth straight success.

Hank Aaron, Ed Mathews, Wes Covington and rookie Bob Hazle all homered as the Braves buried their nearest challenger.

Red Schoendienst produced four-for-four and scored three runs. Hazle, up from Wichita, knocked out four hits in five

at-bats.

Wrist-hitting Aaron (.334) took over the national League batting lead with two-for-five and tied Stan Musial (.332) of the Cards for rbi leadership with 87.

Mathews knocked in two runs as did Buhl, now 156.

All-in-all the Braves pounded out 10 extra-base hits, four home runs, five doubles and a triple. The 18 Milwaukee hits went for 37 bases.

CHICAGO (AP)—Little Nellie Fox kept alive Chicago's dimming pennant hopes Friday when he twice drove in the game-tying run and then pounded home

in the 11th inning on Larry Doby's single for a 3-4 uphill White Sox victory over Detroit Tigers.

Fox' single in the ninth inning scored the winning run. Sammy Rice's pinch runner Sammy Rice positioned to send the game into extra innings with the score tied 3-3. The diminutive second baseman also singled home a run in the bottom of the 11th after Detroit had taken a 4-3 lead and then scored the winning market on Doby's shot into center field.

The victory pulled the White Sox within 4½ games of the league-leading New York Yankees who played at Baltimore Friday night.

BYC, Barry's Win Keenly Contested Softball Games

Barry's Lions and the Basilia Youth Club went one game a head in their respective softball series with hard fought victories over the B.Y.C. Juniors and Ross Burner and Electric yesterday evening.

Barry's defeated the Junior B.Y.C. 9-6 in one of the keenest softball play-off series seen here in years.

Both Barry's and the B.Y.C. lead their best of five series two games to one.

Five times during the past five days Ross Burner and the B.Y.C. have met with each team winning two games and one game being called in the fifth inning on account of darkness.

The B.Y.C. have scored a total of 53 runs and the Rossmen 53. The four games that were decided by a decision were won by two games were the final contests in the regular league schedule.

Ced Ballem hurled eight hit ball as the Lions defeated the B.Y.C. Juniors who have put up a tremendous stand against the heavily favored Parkdale team. Ballem walked one batter and struck out two.

Sonny Mahar started for the Juniors and in the four innings he worked he gave up four hits, four runs and one walk. Young Mike relieved Mahar and was touched for eight hits and one walk.

Merrill Flynn had a perfect night at the plate for the Juniors with two hits in two trips. Bull Dunn and Billy Mulligan each hit a triple. Duke MacCallum of Barry's had three hits in four

trips and Angie Carroll played an outstanding game in the field for the winners.

Two pitchers with "iron arms" Ralph Pineau of the B.Y.C. and Ivan Connors of the Rossmen did battle on the mound again last night and this time Pineau took the verdict. For Pineau it was his fourth game in five nights and for Connors his fourth appearance in the same time.

Connors came to the mound in the fifth inning in relief of Keith Dalziel to attempt on a come move to pull the Willis Hennessey coached Rossmen through but although the redoubtable Ivan held the B.Y.C. to only two hits the Youth Clubbers squeezed enough men home to win the ball game.

For Pineau it was a night of a tremendous comeback. He gave up three hits and a walk in the first inning to allow the Rossmen to go ahead 4-0 and then pitched brilliant ball to hold his opponents to only two runs in the last six frames.

Joe Revell swung the big stick for the winners, belting out two doubles while Alfred "Apps" Arsenault had two singles.

Hilson Carr led all batters with three hits while Billy Marhills, Lou runs and one walk. Young Mike relieved Mahar and was touched for eight hits and one walk.

Merrill Flynn had a perfect night at the plate for the Juniors with two hits in two trips. Bull Dunn and Billy Mulligan each hit a triple. Duke MacCallum of Barry's had three hits in four

Interlocking Ownership Creates Public Suspicion

WASHINGTON (AP)—Congressmen investigating professional sports said Thursday that interlocking ownership of National Hockey League teams tends to create public suspicion.

Owners, officials and players of the league, including Montreal's Doug Harvey, were questioned as a House of Representatives Judiciary subcommittee closed out seven weeks of hearings on the applicability of anti-trust laws to pro athletes. Spokesmen for baseball, football and basketball were heard previously.

James D. Norris told the subcommittee he and Arthur M. Wirtz have a little less than 40 per cent of the stock of Madison Square Garden corporation which operates New York Rangers hockey team.

The sports promoter said he and Wirtz together own the Chicago Black Hawks.

Additionally, Norris said, his half brother and half sisters own "90-odd per cent" of the Detroit Olympia stadium and the Red Wings team. He said they bought the stock from him in the last 12 months.

The recap prompted chairman Emmanuel Celler (Dem., N.Y.) to tell Norris there seems to be a situation which "opens up all sorts of suspicions of possible untoward situations."

Clarence Campbell of Montreal, president of the league, said the league governors had approved the setup, and he feels the Norris family's conduct of hockey has always been good. Campbell said the league governors urged Norris to acquire the Black Hawks in the interest of the league.

Two hockey players were called to the stand and said there is no lack of competition among the players.

Fred Lindsay, now a Chicago Black Hawk and recently a Detroit Red Wing, said he and Doug Harvey were sitting at the same table, but "we rate each other's insides once we put our uniforms on."

Harvey said, "I think we're pretty lucky to have a man like Mr. Norris in the league."

LOOSE MONEY

Norris said he and his partner lose about \$200,000 to \$250,000 a year operating the Black Hawks. Without hockey, he said, they could probably make \$150,000 a year on the Chicago stadium through other events such as boxing and ice shows.

But, Norris said, "it's our pride to run hockey—we love hockey." He said they would make money on a successful hockey club in Chicago and they expect to get one.

Campbell said he had not met with the hockey players association, but proposals from the players organization had been distributed to owners of the teams. Campbell said he thinks the players should have some medium for making their wishes known to management but he didn't know whether it should be a group.

James P. Durante, counsel for the players association, said the organization believes in the reserve clause provided certain modifications are made. As an example of what the men would like, he mentioned a baseball player that a player should get at least a certain percentage of his previous salary in a new contract.

Mary Gay Advances Into Finals By Win Over Burns

By W. R. WHEATLEY

MONTREAL (CP)—Mary Gay of Calgary, in a sensational finish of four winning birdies in a row, Friday defeated Marge Burns of Greensboro, C., at the 19th and joined another Alberta girl for the final of the Canadian ladies' open amateur golf championship.

It was a tight squeeze also for Betty Stanhope of Edmonton, who fought a close semi-final battle all the way with Roma Neundorf of Toronto and finally pulled out a win at exactly the same extra hole.

Miss Gay made a spectacular comeback that had the galleries cheering as she steadily cut into the lead of the southern girl far down the back nine.

"No, I wasn't worried," said Mary afterward. "I made up my mind not to worry but to play the best I could."

When Miss Burns took the 15th there appeared virtually no chance she would lose four in a row and bow out as the last American girl in contention.

At the 16th Mary sank a 30-foot putt for her birdie. Marge needed two to get down from two traps. With a wood she hit second was off grass amid fair-mary was on in three. Marge's into thick bushes to the left of the about the same distance.

CONCEDED BIRDIE

At the 17th, a long par six, green and she took two to get on. Mary just missed a 15-footer for a four and was conceded a birdie five.

At the par five 18th both were on in three. Mary sank an eight-footer to square the match.

At the par five extra hole both were on in three. Marge 12 feet from the pin and Mary four. The Greensboro girl missed and Mary calmly sank the pressure putt.

The Stanhope-Neundorf match ended on the same green after Betty had pulled even for the third time at the 17th. At the 18th Roma hit a fat wedge shot and was still short of the green. Betty was on the apron of the green, 20 feet from the hole, with her third shot. She potted up eight inches from the pin and sank the short putt.

Roma chipped up with her fourth 15 inches from the pin and made her putt to halve the hole and sent the match on.

They both had good drives and second shots at the 19th. Roma pulled her third to the left of the green and Betty chipped eight feet from the pin. Roma chipped four feet away and Betty potted up 16 inches short. Roma was wide with her four-foot putt and Betty ran down her short putt easily.

Kid Howard In Main Bout At Civic Stadium On Friday

Charlie Hogan has been successful in getting a Maritime headline to fight in the main bout of his boxing card to be held at Civic Stadium on the night of August 23. Kid Howard, perhaps the best known maritime fighter who has had bouts last year fought Willie Towel in Boston and New York, and in South Africa has been signed to head the Summerside card, his opponent Eddie Soar of Boston. This will be a 10-round go and should attract fight fans far and wide.

The semi-final also should be a rousing scrap as Bud Ramsay, always an exciting fighter and never in better form than at present, will take on Billy Mayes of Boston in a 6-rounder. "Peanuts" Arsenault and Bud Urquhart of Halifax will also fight six rounds. Urquhart is not known in these parts, but if he's going to stay

in the ring with Arsenault, he'd better be rough and rugged.

Wilfred Grady and young "Peanuts" Arsenault will be trading punches in the curtain raiser.

This is the most ambitious fight card ever attempted in Summerside, and if the attendance is good more top-notch cards will follow.

Softball Games

The fourth games of the City Softball League semi-finals will be played this afternoon at two o'clock. The B.Y.C. will play Ross Burner on the High School Diamond and Barry's will play the B.Y.C. Juniors on the Old Diamond. If weather is unfit games will be played at the same time Sunday.

SPORTS TRAIL

New York Has Daylight Trotting Track With History

By WHITNEY MARTIN

NEW YORK (AP)—Freehold Raceway, the oldest track in the United States, starts a 55-day season today.

Located 50 miles from New York at Freehold, a quaint town in a lush farming area of New Jersey, the venerable trotting track, dating back to 1852, will be the only daylight harness track operating with pari-mutuels in the east.

It isn't by choice a daylight track. A New Jersey law prohibits night racing.

The Freehold track is small potatoes in comparison with such night operations as Roosevelt and Yonkers raceways, but it is steeped in tradition. It could be called a county fair with mutuels and it takes tremendous pride in the fact that the handle last year topped \$8,000,000.

PROFITS MEAGRE

Its profits are comparatively meagre and are poured back annually for improvement of the plant. The present grandstand was built in 1923, and is naturally somewhat obsolete. One project calls for a new three-story clubhouse to be completed in 1958. Although Freehold is a going concern, it operates with a small margin of profit, a fact which doesn't bother the owner, Fred Fatzler, who took over the layout in 1940, the first year pari-mu-

Not long ago a citizen brought Daesener a ledger containing the hotel's accounts for 1852. It listed such items as room, board, care and feeding of horse, and such miscellaneous items as sarsaparilla and champagne. Rooms were 50 cents to \$1 a day, and the care of a horse 5 cents.

MOSCOW (Reuters)—Nina Ponomareva, the Soviet woman discus thrower, has withdrawn from an athletic team to meet Britain in London later this month because of "the painful impression" of her last London visit, a Soviet athletics official said Friday. She was charged with shoplifting.
