THE TRUTH ABOUT TOOTH DECAY

Science has proved that much of the decay that makes cavities is caused by acid-producing bacteria... form-producing bacteria... form-producing bacteria which remain on the teeth after eating.

To prevent acid-producing bacteria from attacking the teeth, keep your teeth clean by brushing them immediately after meals.

Pepsodent with Irium gives you the greatest cleansing action you can get. That's the reason you can get the whitest teeth by using Pepsodent immediately after eating. Pepsodent gives you the whitest teeth and when teeth are cleanest they are safest from decay.

PEPSODENT gives the WHITEST teeth

Grain

WINNIPEG, Oct. 19—(CP)—Wheat and barley prices struck an irregular trend in active trading today on the Winnipeg Grain Exchange. There were increased hedging sales in both grains. Fair buying came in to oats from shippers while processors sought barley. Offerings were more liberal at the close of trade in October barley. Rye came in for American interest. Flax moved higher. In export trade, Bolivia was credited with taking 100,000 bushels of Canadian wheat. Class two wheat, for export to countries outside the International Wheat Agreement, was up three-quarters of a cent. International wheat prices dropped one-quarter of a cent. Tired Aching Tender Feet

Your feet may be so tender and inflamed that you think you can't go another step. Your shoes may feel as if they are cutting right into the flesh. You feel sick all over with the pain and torture; you'd give anything to get relief. Two or three applications of Moore's Emerald Oil after a good hot foot bath and in 15 minutes the pain and soreness disappears. No matter how discouraged you have been, if you have not tried Emerald Oil then you have something to learn. Get a bottle today at Hughes Drug Co. or Jenkin's Pharmacy or any good drug store.
