

Heil Heald-Atlantic Region 'Coach Of The Year'

crowd we managed Mount A. quite handily in winning 3-1. We did sustain a couple of injuries & next afternoon a weakened Panther club fell prey to the Blue Eagle squad from U. de Moncton 10-3. We were amazed at this game Monctons Ronnie LeBlanc was out to set a scoring record & garnered a goal & four assists in setting a career record for points scored over four years. His every move was cheered by the surprisingly large audience of approximately 2000 fans mostly townspeople as U. de Moncton students were enjoying their Winter break. If Ronnie sneezed the crowd roared for him! We were pleased by our boys who, although outscored by a wide margin still came on to play their best hockey in the final period. In the meantime the Basket-

The playoffs - We won this battle but lost the war

ball Panthers were up to Newfoundland where they had a very pleasant sojourn & took two games from Memorial Beothuks. The games meant little as the playoff positions had already been determined.

The next weekend we were off to Halifax for a real sports marathon imagine it two basketball games Friday night, two on Saturday afternoon, two hockey games on Saturday night & one Sunday afternoon! We have to admit that S.M.U. overpowered us in Basketball pulling away midway in the first half & then coasting in for a win. We thought Lee Thomas unbelievable as he controlled the boards at both ends scoring 22 of his game high 32 points in the first half which S.M.U. led 57-37. The S.M.U. accuracy was fantastic as the ball seemed to want to go in. We stayed with them for the first few minutes but when Art Laffin & Jamie Ballem ran into foul trouble the Huskies moved away. Our Art Laffin was one of the outstanding players on the court & led the Panthers with 28. Next afternoon we lost the consolation round game to Mount A. by a good margin. Who the Hell ever called this a "Consolation"? This game marked the final appearance of Mike & Phil Connolly in Panther uniforms we'll miss them & wish them all of the best.

At the final game between S.M.U. & Acadia (S.M.U. all the way) it was announced that our Gary Heald, in his rookie year as U.P.E.I. coach had been as "Coach of the

Year" for the Atlantic Region. We all rated him as such before the award & we think he has done a super job in guiding Panther fortunes and we agree, with a Halifax writer, that his charges are just a year and a Big man away from being really competitive with any team in our area.

We also enjoyed the Dal S.M.U. game in which S.M.U. romped away with a 9-4 win & we were amazed at the 7-4 (we think) win by Acadia over U. de Moncton (Rumor has it that Moncton fans had 1400 reservations for Sunday's final game in the Forum so we cannot have been the only ones surprised) Paiement, Lambert Acadia goalkeeper were at the top of their game. We felt Moncton panicked when Acadia got a 2-1 lead & three or four of the Acadia goals were scored on breakaways. Acadia vs. S.M.U. on Sunday was no contest & we left for home at the end of the second period. As you probably know, in the Eastern finals S.M.U. and Toronto split the first two games & S.M.U. lost the final 6-3 after leading 3-1 with only five minutes to go. Now they know how U.P.E.I. fans felt several times this year!

Having absorbed a reasonable amount of kidding about being a Panther fan we remarked to all & sundry as we left the Halifax pressbox in the S.M.U./Acadia game "See you follows at the playoffs next year in Charlottetown" how about it Jack We'd like to be dishing it out in March 76!

MBA

Co-op
Full-time
Part-time

McMaster University now has a third option for students interested in proceeding to a Master of Business Administration degree: a cooperative option, whereby students alternate four-month periods of study and relevant work experience. A limited number of applications will be accepted for the semester beginning in September, 1975.

Co-op

An MBA degree from McMaster could help you to achieve your career objectives in the areas of management, administration, and education because the McMaster MBA program offers a wide range of optional courses (that can be selected to your needs) as well as providing a core of basic knowledge and skills. Although admission is restricted to those who have proven that they have the potential and commitment required to complete a demanding program, graduates in any discipline may be accepted.

Full-time

Academic standing is not the only entry criterion but, as a general rule, you can have a reasonable expectation of completing the McMaster MBA program if you have maintained at least a second-class standing in the last two years of your undergraduate program and if you can achieve a satisfactory test score in the Admission Test for Graduate Study in Business.

Part-time

Applicants for the McMaster MBA who have taken relevant course work may be granted advanced standing in our program. If you are interested in exploring this challenging opportunity further, fill in and mail this form.
