

THURSDAY,

Proposed Federation Discussed By Queen Square H. And S.

A general meeting of the Queen Square Home and School Association was held Tuesday evening at Queen Square School, Judge C. St. Clair Trainor presiding.

Introduced by Col. Leo F. MacDonald, and under the training and leadership of Miss Bethany MacDonald, a boys' choir of forty voices rendered four selections, each of which was enthusiastically received by the audience. A solo part was carried in splendid manner by Master Carl Cheverie.

After routine business was conducted, Judge Trainor introduced the subject of the proposed federation of provincial Home and School associations. It was unanimously decided by vote of the association to join this federation, if and when formed. Five voting delegates were selected to attend the organizational meeting. Those named were Mrs. George Chandler, Mrs. Charles Cheverie, Judge Trainor, Mr. Stephen Connolly, and Mr. James McCallum.

Following the showing of a dental education film, Dr. L. B. O'Meara addressed the group on the subject of dental health, and dealt in a most comprehensive and informative manner with many phases of this question. The thanks of the association were tendered Dr. O'Meara by Judge Trainor who assured the speaker the earnest support of the present dental health situation.

Col. MacDonald spoke briefly on the school's recent purchase of a projector, and the meeting concluded with the showing of a short educational film.

BURTON W.I.

The first meeting of the Burton Women's Institute was held on January 13th at the home of Mrs. Harold Howard, with twelve members present. The president, Mrs. Peter Dalton, brought the meeting to order.

The Institute ode was sung by all the members, followed by repeating the creed in unison. The minutes were read by the secretary and approved. The roll call was answered by giving a penny for the size of shoe.

The various committees gave their reports and the following new ones were appointed: School: Mrs. Melvyn MacGregor and Mrs. Coleridge Rogers; sick, Mrs. Loretta Collicut and Mrs. Henry Dalton; lunch: Mrs. Harold Howard, Mrs. Melvyn MacGregor, Mrs. Wilfred Dalton and Mrs. Edna Collicut.

It was decided the Institute would help provide the necessary equipment for the school children to have hot cocoa for lunch.

The programme consisted of a bean guessing contest, which was won by Mrs. Melvyn MacGregor.

A delicious lunch was then served by the hostess, assisted by the lunch committee. The remainder of the evening was enjoyed with piano and banjo music furnished by Mr. and Mrs. Harold Howard.

Mrs. Peter Dalton kindly invited the members to her home for the next meeting.
