

England to Ireland.

From the London Truth, Jan. 22.

IMITATED FROM MRS. BROWNING.

Do you hear the sound of weeping, Oh my brothers, Which the wind wafts o'er the sea!

LOST IN A MINE.

Table Mountain, in Mukumole county, California, was once famous for its gold-bearing gravel, lying beneath a crust of cement, pipe clay and boulders.

The drifts, however, had not been properly worked by their former owners—the Invincible Company, and thousands of cart loads of gravel, containing the precious metal, were yet hidden among the limestone boulders.

On Saturday evening, I was sitting in the bar-room of our new boarding house, listening to the tales of some miners who had lately arrived from Calaveras county.

No emotion of the mind is stronger or more lasting than curiosity. I felt an irresistible desire to explore these drifts and caverns, not so much for the sake of finding gold as geological research.

Early the next morning, with some candles and matches in my pocket, a piece of bread and cheese in my wallet, I left my cabin, and, with quick steps, ascended the brow of the Table mountain.

drift to the right. I followed that drift, examining the seams of gravel and pipe clay as with difficulty I advanced.

COM. BY VICE DROMONTE NAN ORD.

O! Caledonia, country mine, how wretched is thy state!

In days of yore renowned you were, conspicuous was your fame;

Unto your kings you did adhere, stood by the royal race,

But justice now has left the land! With taxes you're oppress,

O! Caledonia! Country mine! Look back from whence ye fell,

O! may just heaven preserve Prince Charles! Him to his right restore!

It was written by Mr. Lockhart, of Carnwath, who attended Prince Charles Edward (the Prince of Wales) as Regent, to Edinburgh and Prestonpans, in September, 1745.

SEMINARY FOR YOUNG LADIES.

VISITOR:

The Lord Bishop of Nova Scotia

PRINCIPAL:

The Rev. John Padfield.

THIS SCHOOL offers, at very moderate cost, the advantages of a comfortable and pleasant home together with a thorough and refined education.

The course of instruction is the same as that of the best Schools in England and is founded upon the University Examinations for Women. Eight young ladies from this School passed the Local Examination of the University of King's College in June last. This is the only School in Canada that has passed pupils at a University Examination.

The number of pupils is limited, rendering the School select, and while it possesses all the educational advantages of a large public school, each pupil is enabled to receive that individual care and oversight which is so important, and which cannot be given in a large establishment.

Mr. and Mrs. Padfield are assisted by a staff of four resident governesses, besides visiting masters.

Parisienne French is taught conversationally. There are two resident French Governesses.

References given to parents of pupils. For further particulars address the Principal. Sept. 19, 1878.

CATARRH.

Constitutional Catarrh Remedy CURES CATARRH. Hear what a Reverend Gentleman says of the Constitutional Remedy. T. J. B. HARDING, Esq., Brockville, Ont.—DEAR SIR—It is now two years since your "Constitutional Catarrh Remedy" was introduced to me. I have waited this long to see if the cure would remain permanent before doing this, my duty, to you, as at first the happy effects seemed to me to be "too good to be true."

I was afflicted in my head for years before I suspected it to be Catarrh. In reading in your Circular I saw my case described in many particulars. The inward "drop" from the head had become very disagreeable, and a choking sensation often preventing me from lying long, I would feel like smothering and be compelled to sit up in the bed. My health and spirits were seriously affected. When your agent came to Walkertown in August, 1876, I secured three bottles. Before I had used a quarter of the contents of one bottle I found decided relief, and when I had used two bottles and a third, I quit taking it, feeling quite clear of that ailment, and have not used any since until of late I have taken some for a cold in my head.

A sense of duty to sufferers from that loathsome disease, Catarrh, prompts me to send you this Certificate, unsolicited, with leave to make what use of it you may see proper. Yours truly, W. TINDALL, Methodist Minister. Port Elgin, Ont., Aug. 24, 1878.

Ask for Littlefield's Constitutional Catarrh Remedy and take no other. T. J. B. HARDING, Dominion Agent, Brockville, Ont. For sale by all Druggists at only one Dollar per bottle.
