HOME RULE AGAIN.

Premier Fielding Corrected.

LETTER FROM HON. MR. GLADSTONE.

Halifax, Jan. 19.

In his speech on the Irish Home Rule Bill Gladstone referred to the great success of home rule in Canada. Some time ago Premier Fielding wrote a long letter to the London *Standard* attempting to justify the secession agitation in Nova Scotia. The *Standard*, in an editorial, urged the Grit secession dodge as an argument against Home Rule in Ireland. Replies to Fielding's letter were sent to the *Standard* by Charles H. Tupper, M. P. for Pictou and C. H. Cahan. Mr. Tupper has just received the following letter from Mr. Gladstone:—

Hawarden, Dec. 31.

My Dear Sir,—I have read your letter with great interest and satisfaction. The main point on which I had to touch was the question between Great Britain and the North American colonies, and this question was settled by the concession of responsible government; but I actively joined in the endeavor made since to maintain the measure of Confederation, with due regard to several stages of ripening colonial opinion, and I have read with great pleasure the very conclusive evidence you have given both as to the condition and progress of Nova Scotia, and as to the solidity of the large and important measure which has done so much for British North America, and for the solidity and harmony of the Empire.

(Signed.) W. E. Gladstone.

Weather Bulletin.

Toronto, January 20—10 a.m.

Moderate to fresh winds, fair weather, higher temperature.

The *Cape Ann Advertiser* says: The owners of the schooner Highland Light have commenced a suit against the Dominion government for the illegal seizure and confiscation of that vessel. They claim that the act under which she was seized and sold did not go into effect until it received the royal consent in November, and therefore the transaction was illegal. It is said that the deputy minister of justice advises a settlement of the matter by returning the confiscated vessel to its owners, in case such a compromise could be effected, since in case the action goes on, and the government is found to be liable, then the contention of Secretary Bayard upon the liability of the Canadian government to American fishermen for damages, will be proved to be good in a Canadian court of law.
