FOR SALE,

Valuable Freehold Farms and Building Lots, near Winsloe Station, Malpeque Road, five miles from Charlottetown.

THE subscriber has been instructed to offer for sale that splendid Property known as Kenwith, formerly the residence of the late Hon. J. M. Holl. The Farm consists of about Six Hundred Acres of excellent land, a large portion of which is cleared and has been for several years in pasture; the rest is covered with firewood and fencing materials. The substantial stone Dwelling House commands a charming view of the country, and is surrounded by beautiful plantations and a park-like farm. It would make a delightful residence for a gentleman; and being only five minutes' walk from the station, affords such an opportunity to farm—and yet be within easy distance of Ch'town—as does not often occur.

The property has frontages on the Upper and Lower Malpeque Roads, old North River Road and North River, and will be sold in lots to suit purchasers. For further particulars apply to

CAPSICUM

POROUS PLASTERS.

The Greatest Medical Discovery since

the Creation of Man, or since the

Commencement of the

Christian Era.

There never has been a time when the heal-

ing of so many different diseases has been

caused by outward application as the present.

It is an undisputed fact that over half of the

entire population of the globe resort to the use

of ordinary plasters.

DR. MELVIN'S CAPSICUM POROUS PLASTERS

are acknowledged by all who have used them,

to act quicker than any other plaster they ever

before tried, and that one of these plasters will

do more real service than a hundred of the

ordinary kind. All other plasters are slow of

action, and require to be worn continually to

effect a cure; but with these it is entirely dif-

ferent: the instant one is applied the patient

will feel its effect.

Physicians in all ages have thoroughly tested

and well know the effect of Capsicum; and

it has always been more or less used as a

medical agent for an outward application; but

it is only of very recent date that its advan-

tages in a porous plaster have been discovered.

Being, however, convinced of the wonderful

cures effected by DR. MELVIN'S CAPSICUM

POROUS PLASTERS, and their superiority over

all other plasters, they now actually prescribe

them, in their practice, for such diseases as

rheumatism, pain in the side and back, and all

such cases as have required the use of plasters

or liniment. After you have tried other plas-

ters and liniments, and they have failed, and

you want a certain cure, ask your druggist for

DR. MELVIN'S CAPSICUM POROUS PLASTER.

You can hardly believe your own convictions of

its wonderful effects. Although powerful and

quick in its action, you can rely on its safety

for the most delicate person to wear, as it is

free from lead and other poisonous material

commonly used in the manufacture of ordi-

nary plasters. One trial is a sufficient guaran-

tee of its merits, and one plaster will sell hundreds

to your friends.

Ask your druggist for DR. MELVIN'S CAPSICUM

POROUS PLASTER, and take no other; or,

on receipt of 25 cents for one, \$1 for five, or

\$2 for a dozen, they will be mailed, post paid, to

any address in the United States or Canada.
