

# Fred Haney Has Surprise Choices For Game Today

BALTIMORE (AP) — Warren Spahn to pitch and Willie Mays to lead off were manager Fred Haney's surprising choices for the National League Monday to face the American League in today's 25th all-star baseball game.

Haney turned to his 37-year-old Milwaukee lefthander as starter despite an American League lineup that will include one lefthanded batter — second baseman Nelson Fox of Chicago. Spahn has appeared in five all-star games, starting in 1949 at Brooklyn and winning on relief in 1953 at Cincinnati.

"He gets the righthanders out just as easy as the lefthanders," said Haney. "He hasn't pitched since Friday and so will have three full days of rest."

"And don't forget this is a big ball park with plenty of room to catch a fly ball."

Mays, the San Francisco centre fielder with a .358 average and 16 home runs, has been batting No. 3 in the Giant lineup.

**FOLLOWS PINCH-HITTER**

"You figure to pinch hit at least three times for your pitcher in this game," said Haney. "If the pinch hitter comes through, then you have Willie coming up next."

"I couldn't think of anything

nicer than that."

Casey Stengel, New York Yankee manager who will be managing his eighth all-star team (he has had 2-5 record), went along with his ace Yankee righthander in Turley. The no-windup pitcher is the top winner in the majors with a 12-3 record and four shutouts among 11 complete games.

Although Turley was named to two other teams he never pitched an all-star before. He last worked Friday.

Stengel moved Mickey Mantle, the Yankee switch hitter, to the No. 2 spot in the order to give him that many extra chances at National League pitching.

**OUT OF SLUMP**

Mantle is pulling out of a season-long slump. He hit his 21st home run Sunday. Jackie Jensen of Boston, who tops both leagues in homers (24) and runs batted in (68), follows Mantle. Then comes Bob Cerv of Kansas City, the cleanup man, who is second to Jensen with 22 homers and 62 runs batted in. That's the outfield Cerv in left, Mantle in centre and Jensen in right.

Nellie Fox, the league-leading batter from Chicago with .327, leads off.

After Cerv comes Bill Skowron of New York on first base, Frank

Malzone of Boston on third, catcher Gus Triandos of Baltimore, shortstop Luis Aparicio of Chicago and Turley.

Neither Stengel nor Haney would name any definite pitchers after their starters.

The American League holds a 14-10 series edge and is a 13-to-10 favorite, although the National has won six of the last eight.

The game starts at 2 p.m. ADT and will be broadcast by radio and television.

**SOUTHPAW SLUGGERS**

After leading off with Mays, Haney follows with his two lefthanded hitters, left fielder Bob Skinner of Pittsburgh and first baseman Stan Musial of St. Louis.

Haney has right fielder Hank Aaron of his Braves in the cleanup spot despite his .289 average. Then come shortstop Ernie Banks of Chicago and third baseman Frank Thomas of Pittsburgh, who leads the National with 22 homers and 67 runs batted in. Second baseman Bill Mazeroski of Pittsburgh, catcher Del Crandall of Milwaukee and Spahn.

The weatherman talks of a partly cloudy, humid day with afternoon thundershowers. He warns they might get wet if they go into extra innings.

# Suspended Game Rule Reinstated

BALTIMORE (AP)—The American League Monday reinstated its suspended game rule providing that drawn games be resumed at a later date if stopped by curfew or travel emergencies. However, the game must have attained legal status (4 1/2 or 5 innings) but not have gone a full nine innings.

# Dockery Wins Split Decision

NEW YORK (AP)—Long-armed Willie Dockery of Brooklyn rallied to gain a split decision over favored George Benton of Philadelphia in a close 10-round fight here Monday night.

Cut under both eyes and bleeding from the nose, the 29-year-old Dockery outboxed his harder-hitting rival in the last two rounds to get the decision by a 2-1 vote.

Referee Pete Della and judge Joe Agnello each had Dockery the winner by 6-4 margins in rounds. Judge Frank Fullam had Benton ahead 6-4. The AP card had it even, 5-5.

Benton, who weighed 161 1/2 to Dockery's 164 1/2, was a 3-1 favorite over the Brooklyn postal worker.

TORONTO (CP)—A strong contending team to wipe out the dismal memories of the last few seasons was set Monday as the target of Toronto Argonauts as they opened their training grid for the Big Four football season.

The Argos are tired of finishing in last place and out of the playoffs and hearing the talk of their despairing fans. It has been six years since Argos won the Big Four title and the Grey Cup and in only one season since then have they made the playoffs.

# Charlottetown Golfers Have Tough Time As Play Opens

EDMUNSTON, N. B. (CP)—Fredericton's John Sears and Dave Vandervoort, transplanted Texan stationed at the USAF base at Limestone, Me., took first-day leads in the amateur division of the New Brunswick-Prince Edward Island Golf Tournament Monday.

Sears and Vandervoort each fired one over par 74s on the tough Edmundston layout.

In addition to sharing medalist honors, Sears created a sensation when he shot a hole-in-one on the 210-yard 15th hole. He used a one-iron and his shot sped straight to the pin, dropping a few yards in front of the pocket and rolling in.

Sears is now in a strong position to retain his place in the New Brunswick-Prince Edward Island Willington Cup team to compete in Toronto later this month. Vandervoort, an American playing his first inter-provincial team matches, will not be eligible for Willington Cup play.

The two top players in the amateur division will be named to the team at the conclusion of the tournament. Maurice Dowling and Ralph Harley, both of Moncton, have already earned berths on the four-man team.

Don MacDonald, last year's amateur champion from Charlottetown, had his trouble before checking in with an 81. Tied for

In the other game of the night John Hughes did the pitching in chores for the BYC squad. Lorne Israel started for the Aces pitching 3 innings. He was relieved by Vince Bradley who went the rest of the way.

The Youth Club took advantage of the Lions' errors to get some of their runs, the Lions overthrewing to second base on two occasions to give the Youth Club some of their runs.

**Durèle Injures Finger But Still Ready For Holt**

MONCTON, July 8 — Scrapper Yvon Durèle, nursing a right hand finger injured in net fishing at his Baie Ste. Anne home over the weekend, said Monday the wound won't stop him from clobbering Mike Holt of South Africa in the Montreal Forum July 16.

"It may bleed a little," he conceded, "but what's a little bleeding."

Light heavyweight champion of the British Empire, Durèle wheeled home to Baie Ste. Anne for the weekend and a spot of fishing, a commercial pursuit that keeps him happily occupied when he isn't fighting in a ring somewhere or preparing to do so.

When he returned to Moncton Monday to continue training, the stubby right finger on his hand full of dynamite bore a swollen purplish-red bruise underneath and behind the nail.

"I caught it in a net," he admitted a bit sheepishly. "Stop the fight? Naw, of course not."

Durèle defends his empire crown against Holt in Montreal and regards the bout as the most important one in his career. He reckons that a loss will erase forever his chances of getting into a ring with world champion Archie Moore.

Durèle's backers in the Maritime provinces and Gaspe can be in the forum for the scrap through special bargain coach fares arranged by Canadian National Railways to Montreal to coincide

# Ford And Worthington Now Lead Mid-Season Pitching

NEW YORK (AP)—Eddie (Whitey) Ford of New York Yankees and Allan (Red) Worthington of San Francisco Giants are the mid-season pitching leaders in the major leagues' earned run competition.

Figures compiled by The Associated Press show that Ford paces the American League with an E.R.A. of 1.63. He has yielded only 23 earned runs in 127 innings.

The lefthander has won 10 games and lost three while posting three shutouts. Whitey led the circuit with an average of 2.47 in 1956.

Worthington, who has won five of his last six games for a season's mark of 8-3, heads the National League with 2.57. A year ago the righty wound up with a 4.22 average after 158 innings.

# Four Of Eight Willingdon Cup Teams Are Now Selected

By THE CANADIAN PRESS

Four of the eight provincial golf teams which will compete for the Willingdon Cup in Toronto next week have been named and the rest of the team makeup should be known this weekend.

Ontario, Alberta, Nova Scotia and Saskatchewan have already selected their four-man amateur representations. Golfing events scheduled later this week will decide the choices from British Columbia, Quebec, Manitoba and the New Brunswick-Prince Edward Island combined area.

The interprovincial event, which has been dominated by Ontario and British Columbia for the last 12 years, will be played at the Scarborough Golf and Country Club July 16.

The B.C. team, which already has three members, will field at least two of the golfers who helped to capture the 1957 championship. They are Doug Bajus and Bob Kidd of Vancouver.

**LEADING AMATEUR**

Ontario, winner in seven of the last 12 events, has Nick Westlock, 1957 Canadian amateur champion and a veteran Willingdon competitor, as its star member.

The teams now completed: Ontario—Nick Westlock, Windsor; Gary Cowan, Kitchener; Hugh Paterson and Gordon Ball,

with the fight, leaving Tuesday July 15 and in some cases, Wednesday, July 16. These special bargain trips have a seven-day return limit.

As arrangements stood Monday the fight will not be seen on Canadian television stations although it will be shown live over an American network.

"I fight better when people are cheering for me," Durèle said. I hope everybody in New Brunswick is there—especially from Baie Ste. Anne—to watch me beat this fellow."

Durèle says he isn't planning any secret stratagems to whip the South African.

"What I will do is no secret to me," he said. "I'll go in and fight. I don't know anything about this boy, but if he runs, then I catch him. Should be a good fight."

"I've got good confidence I'm going to take him. These fellows who come over here have a lot of plans. They say they'll beat Yvon and then go ahead. But they have to make those plans work. Yvon has other plans for them. It doesn't matter much to me how Holt fights."

Durèle says he has "everything to lose" by dropping the July 16 go-round, Manager Chris Shaban added: "It's his most important fight. He's headed for bigger things. This is one he has to win. Yvon has been in the business a long time. Now it's time he started getting some rewards."
