Sales Doubling Every Six Months

Wonderful Demand for a Wonderful Remedy.

During the past few years, the sales of "Fruit-a-tives" have doubled every six months. For the six months from January to July of this year, the sales of this popular medicine were more than twice greater than for any similar period since "Fruit-a-tives" was introduced to the public.

The National Drug & Chemical Company of Canada Limited, the largest wholesale drug house in the world—Lymans Limited of Montreal—and Lymans Brothers of Toronto—are buying "Fruit-a-tives" in 100 gross lots, 100 gross mean 14,400 boxes, which retail for \$7,000.00. This gives some idea of the steady demand for these wonderful fruit liver tablets.

It is safe to say that "Fruit-a-tives" is on sale in every drug store and in departmental stores and general stores carrying medicines throughout the Dominion. Nor is the sale of "Fruit-a-tives" confined to Canada. In many parts of the United States, "Fruit-a-tives" is the standard family medicine and hardly a day passes that the Fruit-a-tives Company does not receive prepaid orders from our neighbors over the line. The many testimonials, which have been published in the leading papers, are the most convincing evidence of the great value of "Fruit-a-tives".

50c a box—6 for \$2.50—or trial box, 25c. If your dealer does not handle them, any quantity will be sent postpaid on receipt of price by Fruit-a-tives Limited, Ottawa.
