IN MEMORIAM

McCOUGHEY—In loving memory of our dear father Michael McCoughey, who passed away October 9, 1957. No one hears the door that opens when we pass beyond the call, but as loosened leaves of roses, one by one our loved ones fall from our chain your link has fallen. In our land your star has set but inshrined on memory's tablet. You dear Dad we will never forget. Sadly missed by Sons and daughters.

CARD OF THANKS

Gratefully acknowledging flowers, cards, personal expressions of sympathy and neighborly help during the sickness and subsequent death of my beloved husband Fred W. LeLacheur, who passed away August 29, 1957 at his home, Murray Harbour, P.E.I.

Copper Prices Are Increased

TORONTO (CP)—The International Nickel Company of Canada Monday announced an adjustment upwards in the price for its Canadian domestic copper deliveries. "In view of the Canada-U.S. dollar exchange rate," a company spokesman said, "the International Nickel Company has adjusted the price for its Canadian domestic copper deliveries to 26.125 cents Canadian per pound delivered at Toronto. This price corresponds to the published 27-cent U.S. price for primary copper." The change is the first in Canada since Sept. 3 when the domestic price of copper was brought to 25.75 cents a pound Canadian.

Is Lining Up Radio Operators

QUEBEC (CP)—The Quebec section of the Royal Astronomical Society is lining up amateur radio operators to try to learn more about the Russian satellite. Society Director Francois Baby said Monday it is hoped to recruit about a district radio men who will attempt to track the satellite by the radio beeps it emits. "They will be supplied with forms to fill out listing such date as the time heard, frequency and strength of the signal. When the facts are collected they will be co-ordinated by the society. This information will help astronomers try for a look at the sphere."

RCMP Promotion Is Announced

OTTAWA (CP)—RCMP commissioner L. H. Nicholson Monday announced promotion of assistant commissioner Joseph Brunet, 35, of Rockland, Ont., to deputy commissioner and of Supt. Douglas E. Forrest, 49, of Toronto to assistant commissioner. Deputy commissioner Brunet joined the force in 1923 and was promoted to the commissioned rank of sub-inspector in 1935. He has served in Saskatchewan, Alberta, Ontario and Quebec and for a number of years commanded C Division at Montreal. From 1953 to 1956 deputy commissioner Brunet was director of the North Atlantic Treaty Organization's security bureau in Paris. Assistant commissioner Forrest joined the RCMP in 1932. He commanded the force in New Brunswick from 1954 until this year when he assumed command of A Division, Ottawa.

REEL-ISM

A realistic note is injected into a movie being made in Germany of World War II as an actress rushes from a bombed building with her clothes in flames. Mrs. Ingrid Alexander, of Hollywood, Calif., was visiting in West Berlin when she heard of the role and volunteered for it. She was unharmed except for a cut on her forehead caused by a fall.
