Mrs. Gampton Uses Dr. Agnew's Cure for the Heart and Receives Instant Lasting Relief—Immediate Relief is what the Sufferer Wants—and Gets when Dr. Agnew's Cure for the Heart is Used.

"I was for a long time a great sufferer from heart trouble. I had palpitation and smothering accompanied by great weakness and painful spasms. I got very little relief from remedies, and doctors failed to give me real benefit. A friend of mine had used Dr. Agnew's Cure for the Heart, and it had been a great relief to her. I procured a bottle and it has proved a great blessing to me. I think it a great heart cure and heartily recommend it to all like sufferers. Mrs. Gampton, 46 Bishop Street, Toronto. Sold by Dr S W Dodd and Geo E Hughes.

**A Back-Hander at Siftonism.**

The new postmaster at Dawson is not to pick up gold, however industriously the now proverbial "Tom, Dick and Harry" may engage in that occupation.

He is not to touch a claim, directly, or indirectly, sideways, or in any other way.

Patriotic gold-grabbing is not to be a part of his duty.

Mr. Mulock has profited by the bad example of his colleague and has furnished in his instructions to the postmaster the strongest condemnation of Mr. Sifton that has yet been penned.—Mail and Empire.

**TEST THE KIDNEYS**

They Are the Great Feeders of Our Bodies—the Purity of the Blood is Dependent on Their Cleansing Powers.

Dr Chase's Kidney-Liver Pills are the Only Combined Kidney and Liver Pills—What They Have Accomplished is But a Guarantee of What They Will Do.

There's a time to all, old and young, man or woman, when poor health brings trouble, anxiety, and burdens hard to stand up under, and one's efforts to rid himself or herself seem only to be baffled at every turn, and we are prone to grow discouraged.

That is not the time to give up—but the time for action, the time to seek out the seat of the trouble, and act as your best judgment and the experience of others will help you, guarding against mistakes in the treatment adopted for your particular ailment.

Spasms Lasted for Hours at a Time—Left Great Aching and Soreness—Dr. Chase's Kidney-Liver Pills Proved His Deliverer.

I was for over six months troubled with very sharp pains in the region of my kidneys, the spasms lasted for half an hour at a time, and left me with great aching, soreness and pain. I tried many remedies, but they did me no good. I commenced taking Dr. Chase's Kidney-Liver Pills according to directions. I had not much faith that they would cure me, but after taking one box I noticed a change for the better. It may seem incredible, but after taking the second box the pains all left me entirely, and I have not had them since.—Amos Carter, Melbourne.

Price 25 cents per box, all dealers.

**TAILOR CUT CORSETS**

The long crossed silk stitching at the ends of corset bones or steels is termed the "flushing." Its purpose is to prevent the cutting and slipping through of the steels. Flushing to be done properly must be done by hand and the stitches must go through—otherwise it is sham.

In ordinary corsets "flushing" is done by machine, and no machine in existence can do genuine "flushing."

If deceit be practised in such a bare faced manner on an exposed part of a corset, what about the quality of the hidden materials—of the steels or bones for instance?—The celebrated French, tailor-cut, hand-sewed corset, the
