JOHN GARFIELD TOPS ACE CAST IN "FORCE OF EVIL" EXCITEMENT-FITTED HIT

A highly exciting and provocative new movie, "Force of Evil," has arrived at the Capitol Theatre.

"Force of Evil" is primarily the story of the conflict between two brothers, one, John Garfield, a lawyer for the numbers combine; the other, Thomas Gomez, a rumberbender who tries to remain free of the syndicate but is engulfed and finally brought to his death. But it is also the story of the conflict between Garfield and two women, one a courageous secretary who loves him, the other the wife of the numbers king who wags him.

Garfield, as the cynical and tough numbers racket lawyer, again proves himself to be one of the screen's top actors, and is given expert assistance by Gomez, as the honest brother in a dishonest business, Marie Windsor as the "other woman", Roy Roberts as the numbers overlord and Howland Chamberlain as the frightened bookkeeper who exposes the racketeers to the police.

Beatrice Pearson, as the loyal secretary, offers the screen an arresting new personality. She registers a notable success in her film debut and lives up to the fine reputation she garnered on the Broadway stage in such plays as "Voice of the Turtle" and "The Mermaids Singing."

Sudden Death Of Former Mayor Of Summerside

The sudden death of Mr. John E. Campbell occurred at his home in Summerside yesterday morning at the age of 77 years. The late Mr. Campbell was one of Summerside's most prominent citizens and news of his passing came as a distinct shock to the citizens of the Town. Although he had suffered a heart attack on Monday, his condition was not considered as serious. Up to that time his health had been good and he had been active at his usual occupations.

He was a son of the late Captain Ronald Campbell, the first Mayor of Summerside, and the late Mrs. Campbell, the former Mary Schuman. Born in Summerside, he played a prominent part throughout his life in the development of the Town. In his younger days, along with his father, he engaged in the shipping trade and was the owner of several sailing vessels which carried on a trade between this Town and many distant ports. Residents of the Town will recall some of these ships the last being the "James William."

Mr. Campbell was elected Mayor of Summerside for eight different terms and first held this office in 1920 and again in 1922. In 1925 he once more held office and in 1938 he once more entered the field and was elected. He remained in the Mayor's chair until 1941. He was for some years a director of the Hall Manufacturing and Cold Storage Company Ltd.

Mr. Campbell was one of the most active members of the Summerside Board of Trade, being chairman of the marine committee for many years in which capacity he was instrumental in bringing about many repairs to the Marine Wharf. He held for some years the position of wharfinger of the Marine Wharf and was perhaps one of the best informed men in Summerside on local shipping conditions and problems. Over a long period of years he was closely connected with Red Cross work and was the president of the local branch. A past president of the Prince County Fish and Game Association, he was elected at the last meeting of the Association as their honorary president.

In politics he was a staunch Liberal and a past president of the East Prince Liberal Association. He is survived by his wife, the former Leah Lowther, and three daughters, Ruth, Mrs. Ralph Callbeck, Bedeque; Marion, Mrs. R. S. Hinton, Summerside; George, Mrs. (Dr.) B. W. Tanton, Vancouver; one brother, Fred in Campbellton, N.B., three sisters, Mrs. James Alexander and Mrs. Charles Alexander of Campbellton, N.B., and Mrs. Frances Boats in California.

The funeral will be held on Thursday afternoon from his late residence at two o'clock with service at the home.

Interment will be in Wilmot Valley cemetery. - S
