Try Tasty Fruit Salads!

Fruit may be combined in an endless variety of salads that make extra-special desserts for summer days.

A tasty fruit salad, with a novel appearance which is an added attraction to the children, is candied salad. The ingredients are sliced pineapple, bananas, strawberries or Maraschino cherries, citron peel or green or red pepper, salad dressing and lettuce. Arrange slices of pineapple on lettuce. Cut bananas in half, crosswise. Stand one half upright in hole in pineapple slice. Pour a little dressing over top for wax, and top with cherry or strawberry for flame. Attach a handle of citron peel or pepper to pineapple. Pass dressing with salad.

Here is another excellent dressing for fruit salads, also a cream dressing. Two egg yolks, slightly beaten, 1-4 cup olive or salad oil, 2 tablespoons vinegar, 1-2 tablespoon lemon juice, 3-4 teaspoon salt, 1 1-2 teaspoons powdered sugar, 1 cup heavy whipped cream. Add half the oil slowly to the egg yolks. Add vinegar and lemon juice, and cook in double boiler until mixture begins to thicken. Chill and add gradually remaining oil, salt and sugar. Add to cream before serving.

Use your imagination to create your own entirely different fruit salads. Almost any fruit may be used, including pineapples, bananas, oranges, grapefruit, olives, strawberries, raspberries, grapes, pears, peaches, prunes, dates, figs, cherries, apples and melon.

Don't forget that nuts, cream and cottage cheese, marshmallows and celery will add interest to your fruit salads, and that ice cream may be used instead of dressing.
