Packers Defeat City 7-5; BYC Blank Dairymen 2-0

Canada Packers defeated the City Slickers 7-5 and the Basilica Youth Club edged the Sunshine Island Dairy 2-0 in City Softball League games yesterday evening.

The Packers raced into a 2-0 lead in their semi-final series with the City while the Dairy and B.Y.C. series is tied at one-one.

The Len Arsenault coached Packers were trailing 5-1 going into the seventh inning but they rebounded to score six runs and win the contest.

Iron-armed Henry Hartinger performed the monumental feat of winning five games for the Packers during the past week. He fired a three hitter yesterday evening.

Hartinger pitched in all four Packers' games last week, winning three and losing one. He has won again on Monday and Tuesday evening's of this week for an amazing hurling performance.

Sonny Stull pitched for the City and gave up only two hits until the seventh inning when he lost control. He was relieved by Dick Doyle who gave up two hits and two walks.

George Kelly played brilliant defensive ball for the winners, robbing Merlin MacKenzie of a home run in the last of the seventh. Kelly also hit a triple to score three runs. Mike Connolly had two hits in three trips.

George Scantlebury and Billy MacDonald played good defensive ball for the City.

Father Clarence Roche returned to the Basilica Youth Club lineup and pitched a brilliant four-hitter in blanking the Sunshine Island Dairy. Art Ballem pitched a good six-hitter in a losing cause.

Gerard Burge hit a home run for the B.Y.C. in the fifth inning and it was the first hit off Ballem since Charlie Weatherbie led-off in the first inning with a bunt single. Kenny Tulle singled home Des Burge from second base in the sixth inning with the insurance tally.

The Dairymen rallied in the sixth but a great throw from right field by Ray MacCloskey to Kenny Tulle caught Garth Crockett at the plate to end the threat.

Hilson Carr led the Dairymen with two singles. Angie Carroll and Dick Carroll also hit for the losers. Gerard Burge led the Wally Shephard coached B.Y.C. with two hits. Other B.Y.C. hitters were Charlie Weatherbie, Des Burge, Kenny Tulle and Alf Coady.

The umpires were Verne Blanchard and Joe Coyle.

Eight Countries To Compete In Annual Tuna Tournament

By GERRY MARTIN
Canadian Press Staff Writer

WEDGEPORT, N. S. (CP) — Forty-eight top anglers from eight countries gather on the churning waters of Soldier's Rip here Sept. 8 to open the quest for honors in the annual international tuna tournament.

The battle of the bluefins is a top sporting and tourist event in Nova Scotia. The big game anglers themselves say that landing a fighting tuna tops even the thrills of an African safari.

The three-day tournament brings teams from Chile, Cuba, the British Commonwealth, France, Netherlands, United States, Mexico and Venezuela to compete for the Alton B. Sharp trophy.

Sportsmen — including millionaires—first started battling the tuna on an international basis in 1937 when the British Commonwealth team was the winner. They won again in 1951.

Cuba won the first of her three championships in 1938, repeating in 1947 and 1952. The United States has won twice. Mexico, the defending champion, and Chile each have won once.

The tuna itself is called the gamest of all fish. Weighing up to 900 pounds, they travel at locomotive speed and fight with savage fury. The world's record is held by a member of the British Commonwealth team-Cmdr. D. Hodgson of Montreal—who boated a 977-pound bluefin off North Sydney, N.S., in 1950.

With the season only about half over, fishermen have already boated more fish than the 129 landed all last season.

The waters off Nova Scotia provide the home for the bluefin during the summer months and the rip tides off this Nova Scotia town are especially to their liking.

Soldier's Rip is an unusually rough patch of tidal water 12 miles off Wedgeport. Here the tuna herd the herring and mackerel that make up their daily bill-of-fare.

The rip itself is a six-knot tide stream about a mile wide and the disturbance at this spot is aided by submerged plateau over which the water drops as the tide falls away. It causes a churn of angry water that is plainly marked on the sea.

Sportsmen fishing here have an extra handicap when the stout Cape Sable island boats they use dodge and twist in the turbulence that gives one the impression of shooting rapids.

Everything favors the tuna, even the cost of catching him.

Tuna fishing ranks with the most expensive pastimes in the world of sport and there's no monetary reward. The prize is the much coveted Sharp trophy, a shining silver bowl designed by Lynn Bogue Hunt of New York City, a gift from Alton B. Sharp, Boston sportsman and president of Eastern Steamship Lines.

The Sharp trophy is awarded on a point basis, based on the biggest fish of the tournament, the biggest fish each day, the high team total for the day and tournament, and so on.

To go tuna fishing one hires a boat and a guide at about $50 a day. This is in addition to the hotel bill and a heavy round of social engagements.

The last two years have been poor from the fishermen's point of view. During the 1952 tournament, fishermen got impatient with luck on the rip and hearkened to the call of the nearby Tusket river mouth where commercial fishermen harpoon large kills daily.

That shouldn't happen this year because after starting off slowly the season has picked up.

And the advance weather predictions hinting at fine weather this year's tournament should be long remembered.

Queen Sending Colt To U. S. Race

LAUREL, Md., (AP)—The Queen is sending her famous black colt, Landau, from Britain to run in the third Washington, D. C., International Race Nov. 3, John D. Schapiro, president of the Laurel race track, announced Tuesday.

This will be the first time the royal racing silks of purple, gold and scarlet ever have been seen on an American track.

The International Race, which carries a purse of $65,000, is run on grass, and is for 1 1-2 miles.

Schapiro said he was informed that the British ambassador to the United States, Sir Roger Makins, is endeavoring to make arrangements for the Queen Mother to be present for the race. She has already arranged a trip to the United States in the autumn.

Ginger Worthy Wins Two Dashes In Abbreviated Card

Ginger Worthy, owned and driven by George MacDonald of Mermaid won both dashes of the Classified Trot in an abbreviated race card at the Charlottetown Driving Park last night.

The races were called off at the end of the fifth dash on account of rain.

Ginger Worthy trotted the mile and a quarter in the fifth dash to win by three lengths over second place Frisco The Great. It was the only mile and a quarter race here this year.

Sleepy Sam and True Hal both driven by Joe Hennessey were the winners of the second and third dashes.

Hennessey reined Sleepy Sam to victory over Lady Abner and Eva Budlong in the second dash. Avalon Gal was second to True Hal in the third race.

Keppock Playgirl, driven by Harold Stead and owned by H. B. Willis won the fourth dash. Abner McGraw and Barbara Ann Queen were involved in an accident in this dash and did not finish.

Nightmare Alice owned by James Brown, Hunter River, and driven by Elmer Smith, won the curtain raiser.

Elwood Shaw returned to the driving game last night, the first time since he suffered a broken leg while driving Abner McGraw before Old Home Week. He drove Joppa Maid in the curtain raiser.

The chips are on the line and they're big and blue today for the Junior Abbies. The City club goes into Summerside this afternoon to play the sixth game of the Provincial Baseball series and they must win if they are to retain the Island Junior Baseball championship. The Abbies trail in the series three games to two but its a position they have been in before and come through.

• • •

The Abbies need more hitting than they have been getting if they are to win. Dee LeFurgey has not been giving up hits with men on base during this series and that explains why the Curranites are in the lead. The Summerside youngster has pitched good ball since the opening night when he bested Don MacLeod 1-0. He has won two of the Summerside games and preserved the other.

• • •

LeFurgey has been able to get the big men in the games which he has won. In the game which he lost the big men hit him. Duck MacLeod homered, hit a double and single in the game which the Abbies won 7-0. Since then LeFurgey has given up his share of base hits but he has been careful to dish them out when there's no one on base and usually always when there's one or two out.

• • •

Young Ronnie Stanley, a crafty righthander goes to the hill this afternoon for the Abbies. In his City League appearances he has been very good. This is his first year in Junior ball and this afternoon he will be making his first appearance in the Provincial finals. If he is given the proper fielding and hitting support he can change the complexion of this well played series.

• • •

The kind of support that Stanley will want this afternoon will be that given the Abbies' pitchers last summer when they shelled those two good Boston pitchers, E. Buckley and Jack Kearns, off the mound. The highly rated Buckley finished only one game last year as the Abbie batters slammed his offerings around the park. The Abbies have players who have shown that they can give that horsehide the long and frequent ride but they won't be of much use unless they start slamming today.

• • •

Of course the Curranites too have boys who can hit the ball. They didn't win three games without getting their share of hits and playing good defensive baseball. The results of the games show there isn't much between these clubs. We would say that the Curranites have received better-than-hoped pitching performances while the Abbies hitting has not been as steady as had been expected.

• • •

Speaking of pitching the efforts of Henry Hartinger in the City Softball League play-offs should not go unnoticed. Hartinger, who won the leading pitcher's award during the regular league play, has shown remarkable endurance and ability since the play-offs commenced. Last week he pitched three complete games and relieved in the fourth when Canada Packers ousted the L. Y. C. in the quarter-finals. This week he went the route as the Packers defeated the City twice. Six pitching performances in eight days for a guy who spends his days working on Maritime Electric light poles and lines is quite a feat.

• • •

Another fellow who distinguished himself by his endurance during the regular League schedule was John Thistle of the Legion. Thistle was the Legion's one man pitching staff. He went to the mound 24 times and often he was called upon to pitch several times in one week. And he almost succeeded in hurling the Legion into the play-offs. If there were a Most Valuable Player's Award he would certainly be a leading candidate.

T.H. McGuire of Saint John, carded a 96 for a gross of 189 to take the class C championship.

In Class D, S.W. Cogswell of Yarmouth, N.S., took first place with a 95 for a gross of 184.

Howard Defeats Young Junior

HALIFAX (CP)—Richard (Kid) Howard of Halifax had too much ring savvy Tuesday night as he scored an unanimous decision over Young Junior of Springfield, Mass., in a 10-round main bout before 4,000 fans.

Howard, the Maritime lightweight champion weighed 137½, a pound more than Junior.

Junior was outslugged badly attempting to outsmart Howard at his forte: windmill jabbing with looping lefts to the head. He was in trouble the last three rounds and was gashed above his right eye in the eighth.

Keith Paris, 139, Halifax, won a technical knockout over Bob Grace 140, of Bridgewater, N.S., at 2:59 of the first round of the semi-final. Paris floored Grace in the opening seconds with a smoking right.

In a special six-rounder, Bobby Laffin, 129¾, Sydney Mines, N.S., won a split decision over Leroy Jones, 128, Halifax, in avenging an earlier toe-to-toe defeat.

WINNIPEG, (CP) — George Anderson, secretary of the Football Association of Canada, said here Tuesday the famed Moscow Dynamos Soccer Club would "definitely not be offered an invitation to tour Canada next year."

Mr. Anderson was commenting on a statement in Montreal by Jack MacNamara, Quebec member of the Canadian Football Association's council, who said the Dynamos had made a tentative bid for a Canadian tour.

Indians Whip Yankees 6-1 On Two-Hitter By Early Wynn

NEW YORK (AP)—Early Wynn fashioned a brilliant two-hitter Tuesday night and pitched the Cleveland Indians to a 6-1 triumph over the world champion New York Yankees, shoving the Yanks 5½ games back of the Indians in the American League pennant chase.

A two-out homer by Irv Noren in the seventh and a two-out pinch single by Enos Slaughter in the eighth were the only blemishes on Wynn's spectacular performance before 58,859 gasping fans.

The decision levelled the season series between the two clubs at 9-9, but it was the sixth triumph for the Indians in nine starts in Yankee Stadium.

Cleveland clinched the game in the eighth with four runs, three of them on a two-on homer by weak-hitting Dave Philley.

Rookie Bob Grim, who had won 17 games, gave up all the runs and was charged with his sixth loss.

ST. LOUIS (AP)—Willie Mays and Jim Rhodes each drove in two runs Tuesday night as the New York Giants used the brilliant five-inning one-hit relief pitching of John (Windy) McCall for a 5-3 victory over the St. Louis Cardinals, increasing their National League lead to three and one-half games.

McCall, taking over after starter Don Liddle had been hammered for three St. Louis runs in the fourth, protected a two-run lead to gain credit for his second victory. He has been defeated twice.

Ten of New York's 11 hits came off Ralph Beard and loser Gerry Staley in the first five innings and six of St. Louis' seven hits were off Liddle, making his third start in five days.

Mays knocked in two runs with a single and sacrifice fly and also belted a triple. Rhodes doubled over one tally and singled a second across as the Giants finished their season's play in St. Louis with seven triumphs in 11 tries. They're 11-9 against the Cardinals overall.

NEW YORK (AP) — The Milwaukee Braves clipped the Brooklyn Dodgers Tuesday for the second straight day with rookie Gene Conley blanking the National League champions on three hits for a 2-0 victory.

The triumph was Conley's fifth this season over the league leaders. He gave up two singles and Junior Gilliam led off the ninth with a double. Boby Thomson drove in the first Milwaukee run with a single in the first inning and Del Crandall hit a homer off loser Don Newcombe in the second.

In the other day action, Chicago Cubs won their fifth and sixth games in succession, beating Pittsburgh 14-2 and 7-3.

Cincinnati, which had won five straight, bowed to Philadelphia 9-3 as the Phils broke an eight-game losing streak. Herm Wehmeier tamed his old teammates on eight hits—two of them homers by big Ted Kluszewski who ran his total for the season to 41, tops in the National League and the most he's ever hit.

Howie Pollet and Walker Cooper, a star battery for the St. Louis Cardinals a dozen seasons ago, combined their talents in the first Chicago victory. Pollet posted his eighth triumph and drove in three runs. Cooper also drove in three runs. Pitcher Bob Rush and Hank Sauer homered in the second-game victory.

Rain washed out Chicago's scheduled game in Boston.

Jap Fisherman Said Near Death

TOKYO, (AP)—One of the 23 Japanese fishermen showered by radio-active ash from a United States H-bomb test at Bikini last March was reported near death today.

Doctors said the condition of Aikichi Kubomama, 39, is critical and "worsening." He is in a deep coma.

Informed observers said that if Kuboyama dies, friendship between Japan and the U. S. will sink to the lowest point since the end of the Second World War. They said his illness had drawn Japan's people closer together than any incident since the war.

Claims Gamma Globulin No Cure

SASKATOON (CP) — Gamma globulin has not been proven a protection to people exposed to polio virus, Dr. C. M. Ecklund, director of the Rocky Mountain virus laboratory at Hamilton, Mont., said Monday.

Dr. Ecklund said the $19,000,000 spent in the United States to develop gamma globulin could have been better used for research. He was a member of a panel of medical scientists attending the ninth international conference here on disease in nature communicable to man.

Dr. H. E. Robertson, University of Minnesota medical school, said gamma globulin has a favorable influence on polio when administered before exposure to the virus. It appeared to give some measure of protection for periods up to 90 days.

Dr. Ecklund said he had no quarrel with Dr. Robertson's statement, but claimed gamma globulin had no clinical value.

He said that in the laboratory gamma globulin was given before the virus, but in natural conditions in a community the people got polio first. The whole community was exposed before health authorities realized they had an epidemic on their hands, and gamma globulin then was useless.
