TRINITY Y.P.U. - The last regular meeting for the season of Trinity Y.P.U. was held last night in the Social Hall. The meeting opened with the business period followed by the worship service led by Keir Matheson and Lane Douglas. Dr. Shaw then led the group in a discussion of the theme being Building and Improving Your Personality. A lively recitation was then led by Ian Ashford. Pianist for the evening was Dorothy MacLaren.

INJURED IN FALL - An eighteen-year-old girl, Joan Arnold, was taken to the Prince Edward Island Hospital Thursday evening suffering from injuries sustained in a bad fall from a horse. Miss Arnold, an employee of the Prince Edward Island Protestant Orphanage, had gone out in company with another girl for a horseback ride. She apparently fell from the horse's back to the ground, suffering head injuries in the fall. She was first taken back to the Orphanage, then to the hospital where x-rays were taken yesterday morning to determine the extent of her injuries. The doctor who is attending her said that she is badly shaken up and is suffering from shock. X-ray examination yesterday morning did not show any evidence of fractures, he said.

SHERWOOD CEMETERY - The 78th annual meeting of the plot-holders of Sherwood Cemetery was held in the office of the City School Board last evening, with Mr. C. H. Black in the chair. The resignation of the Hon. George D. DeBlais from the directorate and as president was accepted with much regret. Col. G. E. Full was elected president. Mr. George P. Thompson was elected a director, and the following former directors were re-elected: C. H. Black, W. E. Bentley and W. R. Aiken. The financial statement was approved, and plans were made to continue improvements to the cemetery. The resignation of the cemetery which was ploughed up in fall of 1948 will be seeded next month and possibly the section ploughed up last fall, if the old grass has rotted sufficiently. Another section will be ploughed next fall. It is hoped that in a very few years this beautiful cemetery will look better than ever before.

BOWLING PARTY - The official bowling season of the Experimental Farm Recreation Club was brought to a very successful conclusion on April 25 when members and friends gathered at Birch Court for the annual bowling party. The highlight of the evening was the presentation by Mr. B. F. Tinney of the Lloyd Yeo Challenge Trophy to Mrs. Hennessey, whose team won the most points during the bowling season. Mr. D. C. Schurman then presented individual cups, also donated by

Tuplin were each presented with a trophy for having the highest average for men and ladies respectively. Last but not least, a most interesting presentation by Mr. Parent, on behalf of the Club, of a lovely table lamp to Mr. J. Baldwin and Miss Ruth Toombs in honor of their approaching marriage. The remainder of the evening was spent in cards and dancing.

CARD OF THANKS: The family of the late Mrs. J. Clarke MacQuarrie wish to express their appreciation to their friends and neighbors for many acts of kindness and expressions of sympathy during their recent bereavement.

May 1st Opening Of Wood Islands Service Unlikely

It is doubtful if the Wood Islands-Caribou service will be able to open as scheduled on May 1 owing to unfavorable conditions, according to word received last night from Pictou by Mr. R. E. Mutch, president of the Northumberland Ferries Ltd.

There is still a lot of ice in the vicinity of Caribou, and as the buoys have not yet been placed in the channel the prospect is very uncertain, Mr. Mutch stated.

Fine Recital Given At Notre Dame Academy

Three silver medals were awarded before a capacity audience to students at the piano recital by the senior students of Notre Dame Academy last evening.

The silver medalists were Miss Bethany MacDonald for Grade 10 music, Miss Florence Callaghan for Grade 8, and Miss Betty Lou Doyle for Grade 4. Awarded with first class honors, the medals were presented by His Honour Lieut. Governor J. A. Bernard.

The program consisted mainly of piano numbers, ranging from solos to eight hands on two pianos, and performances of most of the pupils were amazing. Outstanding among those taking part was the beautiful playing of Miss Bethany MacDonald. Offering as her contribution Brahms' "Rhapsody in G Minor," Miss MacDonald proved her outstanding ability as a pianist, with an ease and touch far beyond her years.

A song and drill number entitled "In the Little Red School House," proved to be a show stopper. Performed by six young girls in gingham dresses and pigtails, each carrying a slate, they received the wholehearted approval of the audience who insisted on another number, although only one was listed on the program.

High spot of the evening was undoubtedly reached when the Notre Dame Choir of forty voices blended together in the singing of Beethoven's "Moonlight Sonata." One of the most difficult of choral numbers, the choir gave an almost flawless performance, accomplishing the intricate passages with a beauty of tone that was beautiful to listen to.

For this number, as for all others, performers were lovely evening gowns, and made a most attractive picture as they stood in three tiers, bathed in a soft blue light. "Moonlight Sonata" is to be repeated when the choir appears with Miss Audrey Farnell at the P. W. C. auditorium on May 9th.

Those in the audience of the recital last evening are to be highly commended on the beautiful stage settings throughout, and especially for the lighting effects which indicated the mood of each selection. Program for the evening was as follows:

Country Gardens - (Trans. Edgar Moy) - Pauline Noonan, Betty Lou Doyle, Jeanna McIsaac, Vera Hynes, and Spring - (Walter MacNutt) - Maureen Blake.

Waltz in the Twilight - (Anthony) - Vera Hynes. Andante - (Bellini) - Betty Lou Doyle. In Schubert's Day - (Krentzlin) - Catherine McDonald, Regina Gillis.

April Flowers - (Nolst) - Pauline Noonan. Peasant Dance - (Beethoven) - Norma Jean Gay. Mazurka - (L. Stearns) - Maureen Hennessey, Jeanna McIsaac.

Vocal: Villanelle - (Eva Dell 'Aquila) and Spring - (Walter MacNutt) - Maureen Blake. Piano: Nixentanz - (Rogers) - Kathleen Bolger. Bagatelle Op. 119 - (Beethoven) - Helen McDonald.

Lièbesfreud - (Kreiser) - Patricia Wynne, Marielith McDonald. Dance Caprice - (Grieg) - Ruth Boswell. Solfeggietto - (Bach) - Eleanor Kays. Violin: Spanish Dance - (Rehfeld), and Mighty Lak' A Rose - (Nevin) - Kathleen Horaby.

Piano: Waltz Op. 69 - (Chopin) - Sheila MacIntosh. Golliwigg's Cake-Walk - (Debussy) - Barbara Walsh. May Night - (Palmgren) - Betty Smith. Sacro-Monte - (Turina) - Florence Callaghan. Cadiz - (Albeniz) - Patricia McDonald.

Schooldays in Rhythm and Song "In the Little Red School House" - (Wilson) - Betty Lou Doyle, Vera Hynes, Maureen Hennessey, Jeanna McIsaac, Mary Claire Smith, Catherine McDonald. Piano: Grande Valse Brillante Op. 18 - (Chopin) - Maureen Blake. Etude - (Czerny) - Hilda Pickard.

National Tourist Service Week To Be Observed

The Canadian Tourist Association, in launching its fifth annual National Tourist Service Week - May 1st to 8th - is calling for the biggest expansion of activities by its member affiliates and others interested in furthering Canada's booming travel business.

First gun in the all-week campaign will be fired by John Fisher, Canada's noted radio commentator, in a coast to coast broadcast on the eve of the opening day, April 30th.

Mr. D. Leo Dolan, director of Canadian Government Travel Bureau, Ottawa, will visit Charlottetown, Monday, May 8th - the final day of the campaign. He will speak to members of the Rotary Club at their regular weekly meeting and in the evening address a tourist promotion dinner. On Tuesday he will visit Summerside and address the Rotary Club there.

Messages will be heard from Prime Minister Louis St. Laurent, Resources and Development Minister Robert H. Winters, and all Provincial Government officials, and daily during the week the press, radio, theatres, travel officials, transportation interests, hotel and restaurant associations, service clubs, chambers of commerce, industrial and labor leaders, municipal authorities, leaders of societies, resort associations, conservationists - in fact everyone who can conceivably be enlisted to lend voice or pen to further tourism, is being urged to do so.

"This is an all-out effort in a critical tourist period to bring home to the Canadian people the prime importance of the tourist visitors both economically and culturally to Canada," George Martin, Toronto, president of the Canadian Tourist Association declared in setting the theme for the week's events. Travel business, while establishing new records during 1949, Mr. Martin said showed "signs of levelling off."

Following the performance, diplomas were awarded to all pupils who had passed their 1949 examinations of the Toronto Conservatory of Music.

N. Y. Civic Leaders Show Alarm As High School Students Continue To Riot

NEW YORK, April 28 - (AP) - Thousands of shouting, shouting high school pupils clashed with police today in a fourth day of rioting that brought expressions of alarm from judges and other civic leaders.

About 5,000 hockey-playing students surged through downtown Foley Square. Mounted and foot policemen drove them off after four hours of disorders.

Threats were made that a new demonstration will start tomorrow despite efforts by authorities to head it off.

The students are demanding higher pay for teachers and protesting a virtual halt in after-school activities. The superintendent of schools, William Jansen, has charged "subversive elements" are aiding the youngsters on.

Federal Judge John C. Knox, senior member of Southern New York District Court, said the rioting was "daring and disgraceful." Knox commented from the bench that photographs of the jostling mobs "will bring joy to the inmates of the Kremlin."

Violence broke out sporadically in today's disturbances, which centered in the Foley Square region surrounded by City Hall, the Federal court house and other Government buildings. Police estimate the number of students milling around that area at nearly 5,000.

Some students hurled rocks and sticks. A policeman was hit on the head and slightly injured. Bands of students overturned ash cans and clashed with storekeepers trying to protect sidewalk stocks.

One student was arrested for pulling a police horse's tail. Several others were charged with other offenses.

In Brooklyn, where a smaller demonstration occurred, four boys and a 15-year-old girl were taken into custody. Four adults were arrested in the Bronx on charges of interfering with police who sought to disperse a group of demonstrators.

Forced To Take Part: One student arrested Thursday in a similar disorder said in court today that he was forced to take part. Some 250 student representatives of the city's 80 high schools met this afternoon and, over noisy opposition, went on record against the mass demonstrations. Teachers recently were granted increases of \$150 and \$250 a year. Teachers unions are demanding a flat \$650 increase. To enforce their demand, they have refused to supervise after-school athletic and other events, causing those events to be cancelled. Present teacher pay scales range from \$2,500 to \$5,400.

PEI Ayrshires Selected By Mr. Bracken Shipped To His Farm Yesterday

Five outstanding registered Ayrshire cattle from the herds of A. MacRae and Sons of Fairvue Farms, East Royalty were shipped from here yesterday morning to Mr. John Bracken of Riddell Farm, Menotick, Ontario, under the charge of Mr. Fred MacRae. These animals were selected by the Brackens on their recent purchasing visit to the Island.

Among the animals shipped was Fairvue Fashion Linda who holds a two year old record of 15,600 pounds milk and 684 pounds fat on twice a day milking. She has a four year old record of nearly 17,000 pounds of milk and 700 pounds of fat. These records were the highest of their class in Canada in the year they were completed.

Included in the shipment was a very promising daughter of this cow. The young heifer won first prize in the Junior yearling classes at both Charlottetown and Amherst last year.

Fairvue Charming Polly, a six-year-old with a show ring record and three records in honor roll of 512-518 and 600 pounds fat was shipped. A bull calf from this cow was shipped to Ontario last year and was named junior champion at five Ontario shows including the Western Ontario championship show at Rockton.

Fourth animal in the shipment was Fairvue Fashion Primrose, first prize senior yearling at the Charlottetown Fair in 1949. This animal freshened in February and is making an exceptionally good record, her best days production being 60 1/2 pounds milk on twice a day milking.

Completing the shipments was a seven months old bull calf out of Fairvue Lucy. This cow is one of a trio of full sisters with exceptionally good records and all three are still sound and producing at 11, 13 and 15 years of age. One of them is the dam of Fashion Linda mentioned above. Their sire is the well known bull, Springburn Royal King.

Three of the animals in the shipment are sired by Gleggery Big O'Fashion, the outstanding sire owned by Col. F. I. Andrew of Charlottetown. One is a granddaughter and the other is a calf to that famous sire.

B. I. S. Annual Meeting Held Last Night

Mr. J. J. Connolly was re-elected President of the Benevolent Irish Society last night at an enthusiastic annual meeting which lasted for almost five and one half hours. The meeting held in the Society's Hall on Grafton Street was well attended.

Two former presidents, W. W. McCarron and J. W. Hogan were elected First and Second Vice-Presidents respectively. The new secretary is Mr. Preston Curley while Mr. Pius Callaghan was re-elected treasurer. Mr. Leo Dowling was re-elected Chief Marshal and Mr. John Thistle was appointed Sergeant-at-Arms.

Date Extended To May 10th For New Car Registration

Because of the lateness of the season and the difficulty of road travel, Hon. J. Wilfrid Arsenault, Provincial Secretary, announced yesterday that the period during which 1949 motor vehicle licenses are valid would be extended up to and including Wednesday, May 10.

Officials reported yesterday that to date about 1,400 new truck licenses had been issued, which is not quite one-half the number registered last year.

Approximately 5,800 cars have been registered, against 9,093 last year. Road conditions have retarded registration this season but yesterday was a busy day at the office and it is expected that before the extended deadline of May 10 is reached the number of licenses issued will exceed that of last year.

FIVE MEN

Taken To Hospital: All seven of the rescued miners were taken to hospital. They were: George B. Porter, N. B. Dorrington, William Fetselka, Bert Vacherese, Eugene Davidson, Brenton Yull and James Johnston, town councillor for Stellarton.

There was no immediate word on the extent of their injuries. Even after the men had been brought out, volunteers worked to rescue four horses used in the pit to haul coal carts. At one time the mine used more than 30 horses for this job but their number has been reduced by mechanization.

The little Aberdeen hospital, already overcrowded, had to set up extra beds to care for the injured seven. It was ironic that Stellarton had opposed a move for construction of another hospital, with Councilor Johnston casting one of the opposing votes.

An immediate call for blood plasma went out and a Red Cross truck from Halifax started the 105-mile dash with 36 bottles of plasma and 15 bottles of blood.

Harold Gordon, Dosco's chief of coal operations, went into the pit bare-face - without a mask and oxygen tank - to oversee the resuscitation operations. With him were his assistant, Bud Nicholson, and Alex Sample, resident superintendent.
