Ti-Cats Want Clark

THE LAST few times Hamilton Tiger-Cats made the football scene they were too much for either the east or the west in the Canadian Football League.

Real fans' boys who walked off with the Grey Cup last season, and in doing so whipped Ottawa Rough Riders 45-9 and Vancouver Lions 21-10. The way Clark has been carrying his 'luck of this and luck of that' this season, one might get the idea that it could be a while again before the Cats come up with such a performance.

Plagued by the loss of Jim Pace and Tommy Grant, the Tiger-Cats are reported to be interested in retired Montreal halfback Don Clark. There is no interest in fact that they've obtained permission from the Als to "talk to Clark," and they're looking around Hamilton for an off-season job for the best performer.

Clark has given the Ti-Cats three suggestions regarding jobs, but his firm commitment that he would accept the report of a deal could be completed.

Meanwhile, Big "Jungle Jim" Trimble, Als coach, thinks he's in a good position to land the Cats—but he's going to let his time. "We'll make 'em bleed," says Trimble, who merely wants a quarterback named Bernie Faloney, who the Ti-Cats happen to own.

But complicated as it is here, at Trimble has discovered in past seasons with Hamilton officials, in fact that they've not yet let Faloney in to give up George Dixon, a valuable man on anyone's team.

And of course, Dixon isn't available. Hamilton has also highly regarded quarterback Junior Edge of North Carolina, who has collected passes the past two years. Edge, Joe Zuger and Frank Cosentino are all available but Trimble isn't biting. He's holding out for Faloney.

Some kind of transaction between the Cats and Als will take place before the opening this fall, I think, but just who will go and who will probably won't be known until late August. It'd like to see Faloney in Montreal.

Twilight Meet

THE FIRST in a series of Twilight track and field meets for Prince Edward Island this season is scheduled for Charlottetown's Memorial Field, Wednesday night.

The province's athletes are expected for this one, and it will serve as a warm-up for next weekend's Highland Games at Antigonish. Prizes will be presented first and second place winners.

Pitcher Fires Ist. No-Hitter

Young Paul Carmichael stole the show in yesterday's little league action at Charlottetown's Memorial Field.

Carmichael pitched the first no-hitter of the season, while leading his team mates, the White Sox, to an easy 8-0 win over the Red Sox.

The youthful pitchers masterfully fell short of being perfect when a member of the opposing team got on base due to an outfielder's error.

In other little league action the Tigers defeated the Twins 12-0. John Mitchell led the Tigers batting attack as he belted two home runs, one being a grand slam.

Robbins, Clayborne, Campbell and Connolly each carried two hits with one of Robbins' blast being a circuit cut.

In bantam league action the Braves downed the Dodgers 7-1. Junior Steve Stewart led all hitters with two base hits while Kevin MacCormack and Tim MacQuinn blasted home runs.

Glen Clayborne and Gerry Murphy blasted triples for the winners.

Robbins, Clayborne, Campbell and Connolly each carried two hits with one of Robbins' blast being a circuit cut.

Eight Dash Card Set For Tonight

The Charlottetown Driving Park will present an eight dash racing card at the local track on the night of the 11th.

The main attraction on the eight dash card will be the fourth and eighth events which will have: Duration, Armond's, Buddy Simpson, Queen's, and Countess Alice leaving the wire in an attempt to capture top money.

Slippy Queen with Alver Binyon doing the driving looks like a good bet for the top money.

There will be no racing at the Charlottetown Driving Park on Wednesday night as the track will be closed for the night.

The curran raiser will have six entries going away with Mickey Barrer leaving the wire.

The rail position makes the Wilts reared gelding look like a good bet.

Nicholson teamed Dupond B will be going all out to upset the big horse and come home on top of the heap.

The Poulton owned horses to Holly Dick and Helen Dronon which will be classified as a stable will be a logical betting choice in the second and sixth events.

Princess Mark has the ability to upset the powerful stable entry.

Dashes three and seven will have: The Sheik, Mary Leah, Cyclone Kelly, Ellen Jones, Go Along Hal and Rysdyk. Go Along Hal will be making its debut.
