Reason

By Kheng-Wee

Every morning at five I wake up to the morning star. My next door neighbour the ocean switches on constant waves, music to my soul. My daily walk along the shore, my hope of seeing a mermaid's shadow against the rising sun.

Reason for living, reason to dream.

Today morning star greets me, music plays calmly, gentle mist accompanies my walk. I dream my mermaid dancing, instead, I live to see a ghostly figure, a lady who twirls herself on the floor of Heaven.

Reason for living, reason beyond dreams, my soul smiles.
